(2) The words “herein,” “hereto,” “hereof” and “hereunder” and words of similar import when used in any Loan Document shall refer to such Loan Document as a whole and not to any particular provision thereof.

(3) References in this Agreement to an Exhibit, Schedule, Article, Section, Annex, clause or subclause refer (a) to the appropriate Exhibit or Schedule to, or Article, Section, clause or subclause in

this Agreement or (b) to the extent such references are not present in this Agreement, to the Loan Document in which such reference appears, in each case as such Exhibit, Schedule, Article, Section, Annex, clause or subclause may be amended or supplemented from time to time.

(4) The term “including” is by way of example and not limitation.

(5) The term “documents” includes any and all instruments, documents, agreements, certificates, notices, reports, financial statements and other writings, however evidenced, whether in physical or electronic form.

(6) In the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including”; the words “to” and “until” each mean “to but excluding”; and the word “through” means “to and including”.

(7) Section headings herein and in the other Loan Documents are included for convenience of reference only and shall not affect the interpretation of this Agreement or any other Loan Document.

(8) The word “or” is not intended to be exclusive unless expressly indicated otherwise.

(9) With respect to any Default or Event of Default, the words “exists”, “is continuing” or similar expressions with respect thereto shall mean that the Default or Event of Default has occurred and has not yet been cured or waived. If, prior to the taking of any action under Section 8.02 (or the occurrence of any event set forth in the proviso thereto), any Default or Event of Default occurs due to (i) the failure by any Loan Party to take any action by a specified time, such Default or Event of Default shall be deemed to have been cured at the time, if any, that the applicable Loan Party takes such action or (ii) the taking of any action by any Loan Party that is not then permitted by the terms of this Agreement or any other Loan Document, such Default or Event of Default shall be deemed to be cured on the earlier to occur of (x) the date on which such action would be permitted at such time to be taken under this Agreement and the other Loan Documents and (y) the date on which such action is unwound or otherwise modified to the extent necessary for such revised action to be permitted at such time by this Agreement and the other Loan Documents. If any Default or Event of Default occurs that is subsequently cured (a “**Cured Default**”), any other Default or Event of Default resulting from the making or deemed making of any representation or warranty by any Loan Party or the taking of any action by any Loan Party or any Subsidiary of any Loan Party, in each case which subsequent Default or Event of Default would not have arisen had the Cured Default not occurred, shall be deemed to be cured automatically upon, and simultaneous with, the cure of the Cured Default.

(i) Notwithstanding anything to the contrary in this Section 1.02(9), an Event of Default (the “Initial Default”) may not be cured pursuant to this Section 1.02(9):

(ii) If the taking of any action by any Loan Party or Subsidiary of a Loan Party that is not permitted during, and as a result of, the continuance of such Initial Default directly results in the cure of such Initial Default and the applicable Loan Party or Subsidiary had actual knowledge at the time of taking such action that the Initial Default had occurred and was continuing.

(iii) In the case of an Event of Default under Section 8.01(9) or (10) that directly results in a material impairment of the rights and remedies of the Lenders, the Collateral Agent and Administrative Agent under the Loan Documents and that is incapable of being cured.

(iv) In the case of an Event of Default under Section 8.01(3) arising due to the failure to perform or observe Section 6.07 that directly results in a material adverse effect on the ability

of the Borrower and the other Loan Parties (taken as a whole) to perform their respective payment obligations under any Loan Documents to which the Borrower or any of the other Loan Parties is a party; or

(v) In the case of an Initial Default for which (i) the Borrower failed to give notice to the Administrative Agent and the Lenders of such Initial Default in accordance with Section 6.03(1) of the Agreement and (ii) the Borrower had actual notice of such failure to give notice.

(10) For purposes of determining compliance with any Section of Article VII, in the event that any Lien, Investment, Indebtedness, Asset Sale, Restricted Payment, Affiliate Transaction, Contractual Obligation or prepayment of Indebtedness meets the criteria of one or more of the categories of transactions permitted pursuant to any clause of such Sections, such transaction (or portion thereof) at any time, shall be permitted under one or more of such clauses as determined by the Borrower in its sole discretion at such time. For purposes of determining compliance with the incurrence of any Refinancing Indebtedness that restricts the amount of such Indebtedness relative to the amount of Refinanced Debt, respectively, the Borrower and Restricted Subsidiaries may incur an incremental principal amount of Refinancing Indebtedness in such refinancing to the extent that the excess portion of the Refinancing Indebtedness would otherwise be permitted to be incurred in accordance with this Agreement (provided that (1) any additional Indebtedness referenced in this sentence satisfies the other applicable requirements of the definition of Refinancing Indebtedness, as applicable (with such additional amounts incurred constituting a utilization of the relevant basket or exception contained in Section 7.02(b) pursuant to which such additional amount is permitted) and (2) if such additional Indebtedness is secured, the Lien securing such Indebtedness satisfies the applicable requirements of Section 7.01). For purposes of determining compliance with the incurrence of any Indebtedness under Designated Revolving Commitments in reliance on compliance with any ratio or Basket, if on the date such Designated Revolving Commitments are established after giving *pro forma* effect to the incurrence of the entire committed amount of then proposed Indebtedness thereunder, then such committed amount under such Designated Revolving Commitments may thereafter be borrowed and reborrowed, in whole or in part, from time to time, without further compliance with any ratio.

(11) For purposes hereof, unless otherwise specifically indicated, the term “consolidated” with respect to any Person refers to such Person consolidated with its Restricted Subsidiaries and excludes from such consolidation any Unrestricted Subsidiary as if such Unrestricted Subsidiary were not an Affiliate of such Person.

Section 1.03 Accounting Terms.

(1) Generally. All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, except as otherwise specifically prescribed herein. Unless the context indicates otherwise, any reference to a “fiscal year” or a “fiscal quarter” shall refer to a fiscal year ending on the Saturday closest to each January 31 or fiscal quarter ending April 30, July 31, October 31 or the Saturday ending on the Saturday closest to each January 31 of the Borrower.

(2) Changes in GAAP. If at any time any change in GAAP would affect the computation of any financial ratio or requirement set forth in any Loan Document, and either the Borrower or the Required Lenders shall so request, the Administrative Agent, the Lenders and the Borrower shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Required Lenders); provided that, until so amended, (A) such ratio or requirement shall continue to be computed in accordance with GAAP prior to

such change therein and (B) the Borrower shall provide to the Administrative Agent and the Lenders financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP. Without limiting the foregoing, it is understood that at the time any determination of the amount of a Capitalized Lease Obligation is to be made, the amount of the liability in respect thereof would be the amount required to be reflected as a liability on the balance sheet of the Borrower (excluding the footnotes thereto) in accordance with GAAP as in effect on January 1, 2015 (it being understood that all obligations of the Borrower and the Subsidiaries that are or would be characterized as an operating lease as determined in accordance with GAAP as in effect on January 1, 2015 (whether or not such operating lease was in effect on such date) shall continue to be accounted for as an operating lease (and not as a Capitalized Lease Obligation) for purposes of this Agreement regardless of any change in GAAP following January 1, 2015 that would otherwise require such obligation to be recharacterized as a Capitalized Lease Obligation to the extent that financial reporting shall not be affected hereby).

Section 1.04 Rounding. Any financial ratios required to be satisfied in order for a specific action to be permitted under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

Section 1.05 References to Agreements, Laws, etc. Unless otherwise expressly provided herein, (1) references to Organizational Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted by any Loan Document; and (2) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law.

Section 1.06 Times of Day and Timing of Payment and Performance. Unless otherwise specified, all references herein to times of day shall be references to New York time (daylight or standard, as applicable). When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in the definition of "Interest Period") or performance shall extend to the immediately succeeding Business Day.

Section 1.07 Pro Forma and Other Calculations.

(1) Notwithstanding anything to the contrary herein, financial ratios and tests, including the First Lien Net Leverage Ratio, the Fixed Charge Coverage Ratio, the Senior Secured Leverage Ratio, the satisfaction of the Payment Conditions and the Total Net Leverage Ratio shall be calculated in the manner prescribed by this Section 1.07. In addition, whenever a financial ratio or test is to be calculated on a *pro forma* basis, the reference to "Test Period" for purposes of calculating such financial ratio or test shall be deemed to be a reference to, and shall be based on, the most recently ended Test Period for which financial statements of the Borrower have been delivered pursuant to Section 6.01(3).

(2) For purposes of calculating any financial ratio or test (or Total Assets), Specified Transactions (and, subject to clause (4) below, the incurrence or repayment of any Indebtedness in connection therewith) that have been made (a) during the applicable Test Period or (b) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any

increase or decrease in Adjusted EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Total Assets, on the last day of the applicable Test Period). If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any Restricted Subsidiary since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.07, then such financial ratio or test (or Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.07 as if such Specified Transaction had occurred at the beginning of the most recently ended Test Period.

(3) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a Financial Officer of the Borrower and may include, for the avoidance of doubt, the amount of “run-rate” cost savings, synergies and operating expense reductions resulting from or related to any such Specified Transaction (including the Closing Date Transactions) which is being given *pro forma* effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than eighteen (18) months after the date of any such Specified Transaction (calculated on a *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period and “run-rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target’s compliance costs with public company requirements) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial *pro forma* calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction; *provided* that (a) such amounts are (i) reasonably identifiable and projected in the good faith judgment of the Borrower to result from such actions and (ii) such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than eighteen (18) months after the date of such Specified Transaction, (b) no amounts shall be added to the extent duplicative of any amounts that are otherwise added back in computing Adjusted EBITDA (or any other components thereof), whether through a *pro forma* adjustment or otherwise, with respect to such period; provided that amounts added back shall not exceed 10% of Adjusted EBITDA for such period calculated after giving effect to the add-backs and being calculated on a *pro forma* basis and (c) added back pursuant to this clause (3), together with the amounts added back pursuant to clauses (k) and (l) of the definition of Adjusted EBITDA, and together with any Projected Restructuring Adjustments referred to in the proviso of clause (n) of the definition of Adjusted EBITDA, shall not exceed, 10% of Adjusted EBITDA for such period calculated after giving effect to the add-backs set forth in clauses (k) and (l), such Projected Restructuring Adjustments, and the adjustments made in accordance with Section 1.07(3) and being calculated on a *pro forma* basis.

(4) In the event that (a) the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees), issues or repays (including by redemption, repurchase, repayment, retirement or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility or line of credit unless such Indebtedness has been permanently repaid and not replaced), (b) the Borrower or any Restricted Subsidiary issues, repurchases or redeems Disqualified Stock, (c) any Restricted Subsidiary issues, repurchases or redeems Preferred Stock or (d) the Borrower or any Restricted Subsidiary establishes or eliminates any Designated Revolving Commitments, in each case included in the calculations of any financial ratio or test, (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for

which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect to such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the First Lien Net Leverage Ratio, the Fixed Charge Coverage Ratio, the Senior Secured Leverage Ratio, the satisfaction of the Payment Conditions or the Total Net Leverage Ratio (or similar ratio), in which case such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case will be given effect, as if the same had occurred on the first day of the applicable Test Period) and, in the case of Indebtedness for all purposes as if such Indebtedness in the full amount of any undrawn Designated Revolving Commitments had been incurred thereunder throughout such period in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period.

(5) If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the First Lien Net Leverage Ratio, the Fixed Charge Coverage Ratio, the Senior Secured Leverage Ratio, the satisfaction of the Payment Conditions, the Total Net Leverage Ratio and/or Total Rent Adjusted Leverage Ratio, is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or applicable Restricted Subsidiary may designate.

(6) Notwithstanding anything to the contrary in this Section 1.07 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into, no *pro forma* effect shall be given to any discontinued operations (and the Adjusted EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(7) Any determination of Total Assets shall be made by reference to the last day of the Test Period most recently ended for which financial statements of the Borrower have been delivered pursuant to Section 6.01(3), on or prior to the relevant date of determination.

(8) Notwithstanding anything in this Agreement or any Loan Document to the contrary, when (a) calculating any applicable ratio, the satisfaction of the Payment Conditions solely as it relates to a Permitted Acquisition, Consolidated Net Income or Adjusted EBITDA in connection with incurrence of Indebtedness, the creation of Liens, the making of any Asset Sale, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as restricted or unrestricted or the repayment of Indebtedness or otherwise testing availability under any Basket, (b) determining compliance with any provision of this Agreement which requires that no Default, Event of Default or Specified Event of Default has occurred, is continuing or would result therefrom, (c) determining compliance with any provision of this Agreement which requires compliance with any representations and warranties set forth herein or (d) the satisfaction of all other conditions precedent to the incurrence with of Indebtedness, the creation of Liens, the making of any disposition, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as restricted or unrestricted or the repayment of Indebtedness, in each case in connection with a Limited Condition Acquisition, the date of determination of such ratio or other provisions, determination of whether any Default, Event of Default or Specified Event of Default

has occurred, is continuing or would result therefrom, determination of compliance with any representations or warranties or the satisfaction of any other conditions shall, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "**LCA Election**"), be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the "**LCA Test Date**"). If on a *pro forma* basis after giving effect to such Limited Condition Acquisition and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) such ratios and other provisions are calculated as if such Limited Condition Acquisition or other transactions had occurred at the beginning of the most recent Test Period ending prior to the LCA Test Date for which financial statements of the Borrower have been delivered pursuant to Section 6.01(3), the Borrower could have taken such action on the relevant LCA Test Date in compliance with the applicable ratios or other provisions, such provisions shall be deemed to have been complied with. For the avoidance of doubt, (i) if any of such ratios or other provisions are exceeded or breached as a result of fluctuations in such ratio (including due to fluctuations in Adjusted EBITDA or other components of such ratio) or other provisions at or prior to the consummation of the relevant Limited Condition Acquisition, such ratios and other provisions will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Acquisition is permitted hereunder and (ii) such ratios and compliance with such conditions shall not be tested at the time of consummation of such Limited Condition Acquisition or related Specified Transactions. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or Basket availability with respect to any other Specified Transaction on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or Basket shall be calculated on a *pro forma basis* assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) had been consummated on the LCA Test Date except that (other than solely with respect to the incurrence test under which such Limited Condition Acquisition is being made) Adjusted EBITDA, assets and Consolidated Net Income of any target of such Limited Condition Acquisition can only be used in the determination of the relevant ratios and Baskets if and when such acquisition has closed. Notwithstanding anything in this Agreement or any Loan Document to the contrary, if the Borrower or its Restricted Subsidiaries (x) incurs Indebtedness, creates Liens, makes Asset Sales, makes Investments, makes Restricted Payments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness in connection with any Limited Condition Acquisition under a ratio-based Basket and (y) incurs Indebtedness, creates Liens, makes Asset Sales, Investments or Restricted Payments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness in connection with such Limited Condition Acquisition under a non-ratio-based Basket (which shall occur within five Business Days of the events in clause (x) above), then the applicable ratio will be calculated with respect to any such action under the applicable ratio-based Basket without regard to any such action under such non-ratio-based Basket made in connection with such Limited Condition Acquisition.

Notwithstanding the foregoing, the Limited Condition Acquisition provisions set forth above shall not apply in respect of any incurrence of any Loans the proceeds of which will be used to finance such Limited Condition Acquisition (other than Loans in respect of a FILO Tranche); *provided* that, if the Borrower has made an LCA Election with respect to an agreed acquisition transaction, then during the period following the execution and delivery of the definitive documentation with respect to such transaction and prior to the consummation thereof, any determination of the compliance with the Payment Conditions shall be made giving full *pro forma* effect to such agreed acquisition transaction.

(9) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not

require compliance with a financial ratio or test (including, without limitation, pro forma compliance with any First Lien Net Leverage Ratio test, any Total Net Leverage Ratio test, any Fixed Charge Coverage Ratio test, any Senior Secured Leverage Ratio test, and/or any other financial ratio or test) (any such amounts, the “**Fixed Amounts**”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with any such financial ratio or test (any such amounts, the “**Incurrence Based Amounts**”), it is understood and agreed that the Fixed Amounts (and any cash proceeds thereof) shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence Based Amounts in connection with such substantially concurrent incurrence.

Section 1.08 Divisions. Any reference herein to a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of a limited liability company (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company shall constitute a separate Person hereunder (and each division of any limited liability company that is a Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

Section 1.09 Guaranties of Hedging Obligations. Notwithstanding anything else to the contrary in any Loan Document, no non-Qualified ECP Guarantor shall be required to guarantee or provide security for Excluded Swap Obligations, and any reference in any Loan Document with respect to such non-Qualified ECP Guarantor guaranteeing or providing security for the Obligations shall be deemed to be all Obligations other than the Excluded Swap Obligations.

Section 1.10 Currency Generally.

(1) The Borrower shall determine in good faith the dollar amount of any utilization or other measurement denominated in a currency other than Dollars for purposes of compliance with any Basket. For purposes of determining compliance with any Basket under Article VII or VIII with respect to any amount expressed in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Basket utilization occurs or other Basket measurement is made (so long as such Basket utilization or other measurement, at the time incurred, made or acquired, was permitted hereunder). Except with respect to any ratio calculated under any Basket, any subsequent change in rates of currency exchange with respect to any prior utilization or other measurement of a Basket previously made in reliance on such Basket (as the same may have been reallocated in accordance with this Agreement) shall be disregarded for purposes of determining any unutilized portion under such Basket.

(2) For purposes of determining the First Lien Net Leverage Ratio, the Fixed Charge Coverage Ratio, the Senior Secured Leverage Ratio, the Total Net Leverage Ratio and/or the Total Rent Adjusted Leverage Ratio, the amount of Indebtedness and cash and Cash Equivalents shall reflect the currency translation effects, determined in accordance with GAAP, of Hedging Obligations permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

(3) For purposes of determining compliance under any Basket under Article VII or VIII, any amount in a currency other than Dollars will be converted to Dollars in a manner consistent with that used in calculating net income in the Borrower’s annual financial statements delivered pursuant to Section 6.01(1); provided, however, that the foregoing shall not be deemed to apply to the determination of any amount of Indebtedness. For purposes of determining compliance with any restriction on the

incurrence of Indebtedness, the Dollar equivalent of the principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased.

Section 1.11 Letters of Credit. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the amount of the stated amount of such Letter of Credit in effect at such time after giving effect to any automatic reductions to such stated amount pursuant to the terms of the applicable Letter of Credit after the occurrence of any applicable condition (including the expiration of any applicable period); *provided, however*, that with respect to any Letter of Credit that, by its terms or the terms of any Issuing Bank Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the amount of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

Section 1.12 Interest Rates. Neither the Administrative Agent nor any Lender warrants, nor accepts responsibility, nor shall the Agent or any Lender have any liability with respect to the administration, submission or any other matter related to the rates in the definition of “Eurodollar Rate” or with respect to any rate that is an alternative or replacement for or successor to any of such rate (including, without limitation, any LIBOR Successor Rate) or the effect of any of the foregoing, or of any LIBOR Successor Rate Conforming Changes.

ARTICLE II

The Commitments and Borrowings

Section 2.01 The Loans. (a) Subject to the terms and conditions set forth herein, each Revolving Credit Lender severally agrees to make loans denominated in Dollars pursuant to Section 2.02 from its applicable Lending Office (each such loan, a “**Revolving Credit Loan**”) to the Borrower from time to time, on any Business Day during the period from the Closing Date until the Revolving Credit Termination Date in an aggregate principal amount that will not result in (i) such Revolving Credit Lender’s Revolving Exposure exceeding such Revolving Credit Lender’s Revolving Credit Commitment or (ii) the total Revolving Credit Exposure exceeding the Maximum Borrowing Amount (subject to the Administrative Agent’s authority, in its sole discretion, to make Overadvances under Section 2.01(b) or Protective Advances under Section 2.01(c)). Within the limits of each Lender’s Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01(2), prepay under Section 2.05 and reborrow under this Section 2.01(2). Revolving Credit Loans may be Base Rate Loans, Eurodollar Rate Loans, as further provided herein.

(b) **Overadvances.** The Borrower may request and the Administrative Agent or Required Lenders may be willing in their sole discretion to make Revolving Credit Loans to the Borrower at a time when the Total Outstanding exceeds, or would exceed with the making of any such Revolving Credit Loan, the Borrowing Base (any such Loan being herein referred to individually as an “**Overadvance**”), the Administrative Agent will enter such Overadvances as debits in the applicable Loan account. All Overadvances will be repaid on demand, will be secured by the Collateral and will bear

interest as provided in this Agreement for Revolving Credit Loans generally. Any Overadvance made pursuant to the terms hereof will be made to the Borrower by all Lenders ratably in accordance with their respective Revolving Credit Facility Percentages. Overadvances in the aggregate amount of \$10.0 million or less may, unless a Default or Event of Default has occurred and is continuing, be made in the sole, reasonable discretion of the Administrative Agent; provided that the Required Lenders may at any time revoke the Administrative Agent's authorization to make future Overadvances; provided that no existing Overadvances will be subject to such revocation and any such revocation must be in writing and will become effective prospectively upon the Administrative Agent's receipt thereof. Overadvances in an aggregate amount of more than \$10.0 million but less than \$25.0 million may, unless a Default or Event of Default has occurred and is continuing, be made with the consent of the Required Lenders. Overadvances in an aggregate amount of \$25.0 million or more and Overadvances to be made after the occurrence and during the continuation of a Default or Event of Default will require the consent of all Revolving Credit Lenders. The foregoing notwithstanding, in no event, unless otherwise consented to by all Revolving Credit Lenders will:

- (1) any Overadvances be outstanding for more than 90 consecutive days;
- (2) the Administrative Agent or Lenders make any additional Overadvances unless 30 days or more have expired since the last date on which any Overadvances were outstanding; or
- (3) the Administrative Agent make Revolving Credit Loans on behalf of Lenders under this Section 2.01(b) to the extent such Revolving Credit Loans would cause a Lender's share of the Total Outstanding to exceed such Lender's Revolving Credit Commitment or cause the aggregate Revolving Credit Commitments to be exceeded.

(c) **Protective Advances.** Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, in its sole, reasonable discretion, may make Revolving Credit Loans to the Borrower on behalf of the Lenders, so long as the aggregate amount of such Revolving Credit Loans will not exceed 5.0% of the Borrowing Base, if the Administrative Agent, in its Permitted Discretion, deems that such Revolving Credit Loans are necessary or desirable to:

- (1) protect all or any portion of the Collateral;
- (2) enhance the likelihood or maximize the amount of repayment of the Loans and the other Obligations; or
- (3) pay any other amount chargeable to the Borrower pursuant to this Agreement (such Revolving Credit Loans, "**Protective Advances**"); provided that (i) in no event will the Total Outstanding exceed the aggregate Revolving Credit Commitments and (ii) the Required Lenders under the Revolving Credit Facility may at any time revoke the Administrative Agent's authorization to make future Protective Advances; provided, further, that any such revocation must be in writing and will become effective prospectively upon the Administrative Agent's receipt thereof and existing Protective Advances will not be subject to thereto.

Each applicable Lender will be obligated to advance to the Borrower its Revolving Facility Percentage of each Protective Advance made in accordance with this Section 2.01(c). If Protective Advances are made in accordance with the preceding sentence, then all Revolving Credit Lenders will be bound to make, or permit to remain outstanding, such Protective Advances based upon their Revolving Credit Facility Percentages in accordance with the terms of this Agreement. All Protective Advances will be repaid by the Borrower on demand, will be secured by the Collateral and will bear interest as provided in this Agreement for Revolving Credit Loans generally.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(1) Each Revolving Credit Borrowing, each conversion of Revolving Credit Loans from one Type to the other, and each continuation of Eurodollar Rate Loans shall be made upon the Borrower's irrevocable notice, to the Administrative Agent, which may be given by telephone. Each such notice must be received by the Administrative Agent not later than 12:00 p.m., New York time, (a) three (3) Business Days prior to the requested date of any Borrowing or continuation of Eurodollar Rate Loans or any conversion of Base Rate Loans to Eurodollar Rate Loans and (b) on the requested date of any Borrowing of Base Rate Loans. Each telephonic notice by the Borrower pursuant to this Section 2.02(1) must be confirmed promptly by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Except as provided in Sections 2.14 and 2.16, each Borrowing of, conversion to or continuation of Eurodollar Rate Loans shall be in a principal amount of \$5.0 million or a whole multiple of \$1.0 million in excess thereof. Except as provided in Sections 2.03(3), 2.14 and 2.16, each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of \$1.0 million or a whole multiple of \$500,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify:

- (i) whether the Borrower is requesting a Revolving Credit Borrowing, a conversion of Revolving Credit Loans from one Type to the other or a continuation of Eurodollar Rate Loans,
- (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day),
- (iii) the principal amount of Loans to be borrowed, converted or continued,
- (iv) the Class and Type of Loans to be borrowed or to which existing Revolving Credit Loans are to be converted,
- (v) if applicable, the duration of the Interest Period with respect thereto and
- (vi) wire instructions of the account(s) to which funds are to be disbursed.

If the Borrower fails to specify a Type of Loan to be made in a Committed Loan Notice, then the applicable Loans shall be made as Eurodollar Rate Loans with an Interest Period of one (1) month. If the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made or continued as the same Type of Loan, which if a Eurodollar Rate Loan, shall have a one-month Interest Period. Any such automatic continuation of Eurodollar Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurodollar Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(2) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic continuation of Eurodollar Rate Loans or continuation of Loans described in Section 2.02(1). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than 3:00 p.m., New York time, on the Business Day specified in the applicable Committed Loan Notice.

(3) Except as otherwise provided herein, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan, unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent at the direction of the Required Lenders under the applicable Facility may require by notice to the Borrower that no Loans under such Facility may be converted to or continued as Eurodollar Rate Loans.

(4) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. The determination of the Eurodollar Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time when Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(5) After giving effect to all Revolving Credit Borrowings, all conversions of Revolving Credit Loans from one Type to the other, and all continuations of Revolving Credit Loans as the same Type, there shall not be more than ten Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent.

(6) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(7) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing, or, in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m., New York time, on the date of such Borrowing, that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (2) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (a) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (b) in the case of such Lender, the Overnight Rate *plus* any administrative, processing or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(7) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall both pay all or any portion of the principal amount in respect of such Borrowing or interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such Borrowing or interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.03 Letters of Credit.

(1) The Letter of Credit Commitments.

(a) Subject to the terms and conditions set forth herein, (i) each Issuing Bank agrees, in reliance upon the agreements of the other Revolving Credit Lenders set forth in this Section 2.03, (A) from time to time on any Business Day during the period from the Closing Date until the L/C Expiration Date, to issue Letters of Credit at sight denominated in Dollars for the account of the Borrower (*provided* that any such Letter of Credit may be for the benefit of any Subsidiary of the Borrower) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(2), and (B) to honor drawings under the Letters of Credit and (ii) the Revolving Credit Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.03; *provided* that no Issuing Bank shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if after giving effect to such L/C Credit Extension, (x) the Revolving Credit Exposure of any Revolving Credit Lender would exceed such Lender's Revolving Credit Commitment, (y) the Outstanding Amount of the L/C Obligations would exceed the L/C Sublimit or (z) the aggregate Total Outstandings would exceed the Maximum Borrowing Amount. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(b) An Issuing Bank shall be under no obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any Law applicable to such Issuing Bank or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or direct that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date (for which such Issuing Bank is not otherwise compensated hereunder);

(ii) subject to Section 2.03(2)(c), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last renewal, unless each Appropriate Lender has approved of such expiration date;

(iii) the expiry date of such requested Letter of Credit would occur after the L/C Expiration Date, unless (A) the applicable Issuing Bank has approved of such expiration date (B) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank; or

(iv) the issuance of such Letter of Credit would violate any Laws binding upon such Issuing Bank;

(v) the Letter of Credit is to be denominated in a currency other than Dollars, unless otherwise agreed by the relevant Issuing Bank and the Administrative Agent;

(vi) the Letter of Credit is in an initial amount less than \$25,000; or

(vii) any Revolving Credit Lender is at that time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Bank's actual or potential Fronting Exposure (after giving effect to Section 2.17(1)(d)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such Issuing Bank has actual or potential Fronting Exposure, as it may elect in its sole discretion.

(c) An Issuing Bank shall be under no obligation to amend any Letter of Credit if such Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (ii) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(2) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(a) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an Issuing Bank (with a copy to the Administrative Agent) in the form of a L/C Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such L/C Application must be received by the relevant Issuing Bank and the Administrative Agent not later than 12:00 p.m., New York time, at least two (2) Business Days prior to the proposed issuance date or date of amendment, as the case may be, or, in each case, such later date and time as the relevant Issuing Bank may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the relevant Issuing Bank:

(i) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day);

(ii) the amount thereof;

(iii) the expiry date thereof;

(iv) the name and address of the beneficiary thereof;

(v) the documents to be presented by such beneficiary in case of any drawing thereunder;

(vi) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder;

(vii) the currency in which the requested Letter of Credit to be issued will be denominated; and

(viii) such other matters as the relevant Issuing Bank may reasonably request.

In the case of a request for an amendment of any outstanding Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the relevant Issuing Bank:

(A) the Letter of Credit to be amended;

- (B) the proposed date of amendment thereof (which shall be a Business Day);
- (C) the nature of the proposed amendment; and
- (D) such other matters as the relevant Issuing Bank may reasonably request.

(b) Promptly after receipt of any L/C Application, the relevant Issuing Bank will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such L/C Application from the Borrower and, if not, such Issuing Bank will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant Issuing Bank of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such Issuing Bank shall, on the requested date, issue a Letter of Credit for the account of the Borrower (which may be used to provide credit support to any Restricted Subsidiary of the Borrower) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant Issuing Bank a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Pro Rata Share or other applicable share provided for under this Agreement times the amount of such Letter of Credit; *provided* that no Lender shall be required to purchase a risk participation in any Letter of Credit with an expiration date after the expiration date of such Lender's Commitments.

(c) If the Borrower so requests in any applicable L/C Application, the relevant Issuing Bank shall agree to issue a Letter of Credit that has automatic extension provisions (each, an "**Auto-Extension Letter of Credit**"); *provided* that any such Auto-Extension Letter of Credit must permit the relevant Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "**Non-Extension Notice Date**") in each such twelve-month period to be agreed upon by the relevant Issuing Bank and the Borrower at the time such Letter of Credit is issued. Unless otherwise agreed in such Letter of Credit, the Borrower shall not be required to make a specific request to the relevant Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the applicable Lenders shall be deemed to have authorized (but may not require) the relevant Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date not later than the applicable L/C Expiration Date, unless the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank; *provided* that the relevant Issuing Bank shall not permit any such extension if (i) the relevant Issuing Bank has determined that it would have no obligation at such time to issue such Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.03(1)(b) or otherwise) or (ii) it has received notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-Extension Notice Date from the Administrative Agent, any Revolving Credit Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 will not be satisfied on the applicable date of the Credit Extension.

(d) Promptly after issuance of any Letter of Credit or any amendment to a Letter of Credit, the relevant Issuing Bank will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(3) Drawings and Reimbursements; Funding of Participations.

(a) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant Issuing Bank shall promptly notify the Borrower and the Administrative Agent thereof (including the date on which such payment is to be made). Upon the same day of any payment by an Issuing Bank under a Letter of Credit with notice to the Borrower (each such date, an “**Honor Date**”), the Borrower shall reimburse, or cause to be reimbursed, such Issuing Bank through the Administrative Agent in an amount equal to the amount of such drawing; *provided* that if such reimbursement is not made on the date of drawing, the Borrower shall pay interest to the relevant Issuing Bank on such amount at the rate applicable to Base Rate Loans (without duplication of interest payable on L/C Borrowings). The relevant Issuing Bank shall notify the Borrower of the amount of the drawing promptly following the determination or revaluation thereof. If the Borrower fails to so reimburse, or cause to be reimbursed, such Issuing Bank by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing (the “**Unreimbursed Amount**”) and the amount of such Appropriate Lender’s Pro Rata Share or other applicable share provided for under this Agreement thereof. In such event, in the case of an Unreimbursed Amount under a Letter of Credit, the Borrower shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans but subject to the requirements for the amount of the unutilized portion of the Revolving Credit Commitments under the applicable Revolving Credit Facility of the Appropriate Lenders and the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an Issuing Bank or the Administrative Agent pursuant to this Section 2.03(3)(a) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(b) Each Appropriate Lender (including any Lender acting as an Issuing Bank) shall upon any notice pursuant to Section 2.03(3)(a) make funds available to the Administrative Agent for the account of the relevant Issuing Bank in Dollars at the Administrative Agent’s Office for payments in an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(3)(c), each Appropriate Lender that so makes funds available shall be deemed to have made a Revolving Credit Loan that is a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant Issuing Bank.

(c) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant Issuing Bank an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Appropriate Lender’s payment to the Administrative Agent for the account of the relevant Issuing Bank pursuant to Section 2.03(3)(b) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(d) Until each Appropriate Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(3) to reimburse the relevant Issuing Bank for any amount drawn under any Letter of Credit, interest in respect of such Lender’s Pro Rata Share or other applicable share provided for under this Agreement of such amount shall be solely for the account of the relevant Issuing Bank.

(e) Each Revolving Credit Lender’s obligation to make Revolving Credit Loans or L/C Advances to reimburse an Issuing Bank for amounts drawn under Letters of Credit, as contemplated

by this Section 2.03(3), shall be absolute and unconditional and shall not be affected by any circumstance, including

(i) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant Issuing Bank, the Borrower or any other Person for any reason whatsoever;

(ii) the occurrence or continuance of a Default; or

(iii) any other occurrence, event or condition, whether or not similar to any of the foregoing;

(f) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(3) by the time specified in Section 2.03(3)(b), such Issuing Bank shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the relevant Issuing Bank submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(3)(d) shall be conclusive absent manifest error.

(4) Repayment of Participations.

(a) If, at any time after an Issuing Bank has made a payment under any Letter of Credit and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(3), the Administrative Agent receives for the account of such Issuing Bank any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the amount received by the Administrative Agent.

(b) If any payment received by the Administrative Agent for the account of an Issuing Bank pursuant to Section 2.03(3)(a) or Section 2.03(3)(b) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such Issuing Bank in its discretion), each Appropriate Lender shall pay to the Administrative Agent for the account of such Issuing Bank its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The Obligations of the Revolving Credit Lenders under this Section 2.03(4)(b) shall survive the payment in full of the Obligations and the termination of this Agreement.

(5) Obligations Absolute. The obligation of the Borrower to reimburse the relevant Issuing Bank for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

- (a) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;
- (b) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant Issuing Bank or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;
- (c) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;
- (d) any payment by the relevant Issuing Bank under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;
- (e) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of any Loan Party in respect of such Letter of Credit; or
- (f) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by acts or omissions by such Issuing Bank constituting gross negligence, bad faith or willful misconduct on the part of such Issuing Bank as determined in a final and non-appealable judgment by a court of competent jurisdiction.

(6) Role of Issuing Banks. The Issuing Bank shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate or facsimile message, order or other document or telephone message signed, sent or made by any Person that the Issuing Bank reasonably believed to be genuine and correct and to have been signed, sent or made by the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by the Issuing Bank (which may include, at the Issuing Bank's option, counsel of the Administrative Agent or the Borrower). Each Lender and the Borrower agrees that, in paying any drawing under a Letter of Credit, the relevant Issuing Bank shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Issuing Banks, any Related Person of such Issuing Banks, nor any of the respective correspondents, participants or assignees of any Issuing Bank shall be liable to any Lender for:

(a) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders, as applicable;

(b) any action taken or omitted in the absence of gross negligence, bad faith or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction; or

(c) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or L/C Application.

The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Banks, any Related Persons of such Issuing Banks, nor any of the respective correspondents, participants or assignees of any Issuing Bank, shall be liable or responsible for any of the matters described in clauses (a) through (f) of Section 2.03(5); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an Issuing Bank, and such Issuing Bank may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential, damages suffered by the Borrower which the Borrower proves were caused by such Issuing Bank's willful misconduct, bad faith or gross negligence or such Issuing Bank's willful or grossly negligent, or bad faith, failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, each Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no Issuing Bank shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

Each Lender shall, ratably in accordance with its Pro Rata Share, indemnify each Issuing Bank, its Related Persons and their respective directors, officers, agents and employees (to the extent not reimbursed by the Borrower) against any cost, expense (including reasonable counsel fees and disbursements), claim, demand, action, loss or liability (except such as result from such indemnitees' willful misconduct, bad faith or gross negligence or such Issuing Bank's willful or grossly negligent, or bad faith, failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction) that such indemnitees may suffer or incur in connection with this Section 2.03 or any action taken or omitted to be taken by such indemnitees hereunder.

(7) Cash Collateral. Subject to Section 2.17(1)(d), if,

(a) as of any L/C Expiration Date, any applicable Letter of Credit issued for the account of the Borrower may for any reason remain outstanding and partially or wholly undrawn,

(b) any Event of Default occurs and is continuing and the Administrative Agent or the Required Lenders, as applicable, may require the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 8.02, or

(c) an Event of Default set forth under Section 8.01(6) occurs and is continuing,

the Borrower will Cash Collateralize, or cause to be Cash Collateralized, the then Outstanding Amount of all relevant L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default or the applicable L/C Expiration Date, as the case may be), and shall do so not later than 2:00 p.m. on (i) in the case of the immediately preceding clauses (a) or (b), (x) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 12:00 p.m. or (y) if clause (x) above does not apply, the Business Day immediately following the day that the Borrower receives such notice and (ii) in the case of the immediately preceding clause (c), the Business Day on which an Event of Default set forth under Section 8.01(6) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent or the applicable Issuing Bank, the Borrower will Cash Collateralize all Fronting Exposure (after giving effect to Section 2.17(1)(d) and any Cash Collateral provided by the Defaulting Lender) at 100% of the amount thereof. The Borrower hereby grants to the Administrative Agent, for the benefit of the Issuing Banks and the Revolving Credit Lenders of the applicable Facility, a security interest in all such Cash Collateral. Cash Collateral shall be maintained in blocked accounts at the Administrative Agent and may be invested in readily available Cash Equivalents selected by the Administrative Agent in its sole discretion. If at any time the Administrative Agent determines that any funds held as Cash Collateral are expressly subject to any right or claim of any Person other than the Loan Parties or the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than 100% of the aggregate Outstanding Amount of all relevant L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay, or cause to be paid, to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at the Administrative Agent as aforesaid, an amount equal to the excess of (A) 100% of such aggregate Outstanding Amount over (B) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant Issuing Bank. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such relevant L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall promptly be refunded to the Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.03(7) is cured or otherwise waived, then so long as no other Event of Default has occurred and is continuing, the amount of any Cash Collateral pledged to Cash Collateralize such Letter of Credit shall promptly be refunded to the Borrower. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Loan Parties or the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than 100% of the applicable Fronting Exposure and other obligations secured thereby, the Borrower or the relevant Defaulting Lender will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(8) [Reserved].

(9) Letter of Credit Fees. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(11) Conflict with L/C Application. Notwithstanding anything else to the contrary in this Agreement or any L/C Application, in the event of any conflict between the terms hereof and the terms of any L/C Application, the terms hereof shall control.

(12) Addition of an Issuing Bank. There may be one or more Issuing Banks under this Agreement from time to time. A Revolving Credit Lender reasonably acceptable to the Borrower and the Administrative Agent may become an additional Issuing Bank hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Credit Lender. The Administrative Agent shall notify the Revolving Credit Lenders of any such additional Issuing Bank.

(13) Provisions Related to Extended Revolving Credit Commitments. If the L/C Expiration Date in respect of any Class of Revolving Credit Commitments occurs prior to the expiry date of any Letter of Credit, then (a) if consented to by the Issuing Bank which issued such Letter of Credit, if one or more other Classes of Revolving Credit Commitments in respect of which the L/C Expiration Date shall not have so occurred are then in effect, such Letters of Credit for which consent has been obtained shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to Sections 2.03(3) and (4)) under (and ratably participated in by Revolving Credit Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating Classes up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Revolving Credit Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (b) to the extent not reallocated pursuant to

immediately preceding clause (a) and unless provisions reasonably satisfactory to the applicable Issuing Bank for the treatment of such Letter of Credit as a letter of credit under a successor credit facility have been agreed upon, the Borrower shall, on or prior to the applicable Maturity Date, cause all such Letters of Credit to be replaced and returned to the applicable Issuing Bank undrawn and marked “cancelled” or to the extent that the Borrower is unable to so replace and return any Letter(s) of Credit, such Letter(s) of Credit shall be backstopped by a “back to back” letter of credit reasonably satisfactory to the applicable Issuing Bank or the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.03(7).

(15) Letters of Credit Issued for Holdings and Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of a Restricted Subsidiary of the Borrower, the Borrower shall be obligated to reimburse, or cause to be reimbursed, the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. Section 2.04 Swing Line Loans.

(1) The Swing Line. Subject to the terms and conditions set forth herein, the Swing Line Lender may, in its sole discretion and in its individual capacity, make revolving credit loans in Dollars to the Borrower (each such loan, a “**Swing Line Loan**”), from time to time on any Business Day during the period beginning on the Business Day after the Closing Date and until the Maturity Date of the Revolving Credit Facility in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of Revolving Credit Loans and L/C Obligations of the Swing Line Lender, may exceed the amount of such Swing Line Lender’s Revolving Credit Commitment; *provided* that, after giving effect to any Swing Line Loan, (i) the Revolving Credit Exposure shall not exceed the aggregate Revolving Credit Commitment and (ii) the aggregate Total Outstandings shall not exceed the Maximum Borrowing Amount. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan will be obtained or maintained as a Base Rate Loan and upon the occurrence and during the continuance of an Event of Default under Section 8.01(1), the Swing Line Loans will, at the option of Swing Line Lender, bear interest on past due amounts at a rate per annum equal to the Default Rate to the fullest extent permitted by applicable Laws.

(2) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the Borrower’s irrevocable notice to the Swing Line Lender, which may be given in writing or by telephone. Each such notice must be received by the Swing Line Lender not later than 2:00 p.m., New York time, on the requested Borrowing date and shall specify (a) the amount to be borrowed, which shall be a minimum of \$100,000 and (b) the requested Borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower, together with substantially simultaneous notice (by telephone or in writing) to the Administrative Agent. If the Swing

Line Lender agrees to provide such requested Swing Line Borrowing, unless it has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Credit Lender) or it determines that (i) after giving effect to any Swing Line Loan, the Revolving Credit Exposure will exceed the aggregate Revolving Credit Commitment, (ii) the aggregate Total Outstandings exceed the Maximum Borrowing Amount or (iii) one or more of the applicable conditions specified in Section 4.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 3:00 p.m., New York time, on the Borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower.

(3) Repayment or Refinancing of Swing Line Loans.

(a) The Borrower has the right to prepay all or a portion of any Swing Line Loan at any time without premium or penalty.

(b) To facilitate administration of the Revolving Credit Loans, the Revolving Credit Lenders and the Administrative Agent agree (which agreement is solely among them, and not for the benefit of or enforceable by the Borrower) that in order to facilitate the administration of this Agreement and the other Loan Documents, settlement among them as to the Swing Line Loans shall take place on a periodic basis in accordance with this clause (b). The Administrative Agent shall request settlement (a “**Swing Line Settlement**”) with the Revolving Credit Lenders on at least a weekly basis, or on a more frequent basis if so determined by the Administrative Agent, (A) on behalf of the Swing Line Lender, with respect to each outstanding Swing Line Loan and (B) with respect to collections received, in each case, by notifying the applicable Revolving Credit Lenders of such requested Swing Line Settlement by facsimile or other electronic form of transmission, of such requested Swing Line Settlement, no later than 1:00 p.m. New York City time, on the date of such requested Swing Line Settlement (the “**Swing Line Settlement Date**”). Each applicable Revolving Credit Lender (other than the Swing Line Lender) shall make the amount of such Revolving Credit Lender’s Pro Rata Share of the outstanding principal amount of the Swing Line Loans with respect to which Swing Line Settlement is requested available to the Administrative Agent, to such account of the Administrative Agent as the Administrative Agent may designate, not later than 3:00 p.m., New York City time, on the Swing Line Settlement Date applicable thereto, which may occur before or after the occurrence or during the continuation of a Default or an Event of Default and whether or not the applicable conditions precedent set forth in Article IV have then been satisfied without regard to any minimum amount specified therein. Such amounts made available to the Administrative Agent shall be applied against the amounts of the applicable Swing Line Loan and, together with the portion of such Swing Line Loan representing the Swing Line Lender’s Pro Rata Share thereof, shall constitute Revolving Credit Loans of the Revolving Credit Lenders under such Facility. If any such amount is not made available to the Administrative Agent by any Revolving Credit Lender on the Swing Line Settlement Date applicable thereto, the Administrative Agent shall, on behalf of the Swing Line Lender with respect to each outstanding Swing Line Loan, be entitled to recover such amount on demand from such Revolving Credit Lender together with interest thereon at the Base Rate for the first three days from and after the Swing Line Settlement Date and thereafter at the interest rate then applicable to Revolving Credit Loans. Between Swing Line Settlement Dates, the Administrative Agent may pay over to the Swing Line Lender any payments received by the Administrative Agent, which in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Credit Loans, for application to such Swing Line Lender’s Revolving Credit Loans or Swing Line Loans. If, as of any Swing Line Settlement Date, collections received since the then immediately preceding Swing Line Settlement Date have been applied to such Swing Line Lender’s Revolving Credit Loans, such Swing Line Lender shall pay to the Administrative Agent for the accounts of the applicable Revolving Credit Lenders, to be applied to the outstanding Revolving Credit Loans of such Revolving Credit Lenders, an amount such that each Revolving Credit Lender shall, upon receipt of such amount, have, as of such Swing Line Settlement Date, its Pro Rata Share of the Revolving Credit Loans under such

Facility. During the period between Swing Line Settlement Dates, each Swing Line Lender with respect to its Swing Line Loans, the Administrative Agent with respect to Protective Advances under the applicable Facility and each Revolving Credit Lender with respect to its Revolving Credit Loans shall be entitled to interest thereon at the applicable rate or rates payable under this Agreement.

(c) In addition, the Swing Line Lender at any time in its sole and absolute discretion may request, by written notice to the Borrower, the Administrative Agent and the Revolving Credit Lenders, on behalf of the Borrower (which hereby irrevocably authorizes such Swing Line Lender to so request on its behalf), that each Revolving Credit Lender make a Base Rate Loan in an amount equal to such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount of Swing Line Loans of the Borrower then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but not in excess of the unutilized portion of the aggregate Revolving Credit Commitments and subject to the conditions set forth in Section 4.02; *provided* that, a request shall also be deemed to have been given one Business Day prior to each of (i) the Maturity Date of the Revolving Credit Facility, (ii) the occurrence of an Event of Default with respect to the Borrower under Section 8.01(6) or (iii) the acceleration of the Obligations or other exercise of remedies under Section 8.02 (each such borrowing made on account of any such deemed request under this Section 2.04(3)(a), a **"Mandatory Swing Line Borrowing"**). The Swing Line Lender shall furnish the Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Revolving Credit Lender shall make an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the amount specified in such Committed Loan Notice available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. New York time on the date specified in such Committed Loan Notice, whereupon, subject to Section 2.04(3)(b), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Revolving Credit Loan that is a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(d) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Borrowing in accordance with Section 2.04(3)(a) (including as a result of a proceeding under any Debtor Relief Law), the request for Base Rate Loans submitted by the relevant Swing Line Lender as set forth herein shall be deemed to be a request by such Swing Line Lender that each of the Revolving Credit Lenders fund its risk participation in the relevant Swing Line Loan and each Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(a)(1) shall be deemed payment in respect of such participation; *provided*, that (i) all interest payable on the Swing Line Loans is for the account of Swing Line Lender until the date as of which the respective participation is purchased and (ii) at the time any purchase of participations pursuant to this sentence is actually made, the purchasing Revolving Credit Lender shall pay Swing Line Lender interest on the principal amount of such participation purchased for each day from and including the day upon which the Mandatory Swing Line Borrowing purchase occurs under this Agreement to but excluding the date of payment for such participation, at the applicable rate received by the Swing Line Lender.

(e) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by the Lender pursuant to the foregoing provisions of this Section 2.04(3) by the time specified in Section 2.04(3)(a), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect. If such Revolving Credit Lender pays such

amount, the amount so paid shall constitute such Lender's Revolving Credit Loan included in the relevant Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (c) shall be conclusive absent manifest error.

(f) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(3) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default, or (iii) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.04(3) (but not to purchase and fund risk participations in Swing Line Loans) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay the applicable Swing Line Loans, together with interest as provided herein.

(4) Repayment of Participations.

(a) At any time after any Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if the relevant Swing Line Lender receives any payment on account of such Swing Line Loan, such Swing Line Lender will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by such Swing Line Lender.

(b) If any payment received by the relevant Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by such Swing Line Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Credit Lender shall pay to such Swing Line Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of a Swing Line Lender. The obligations of the Revolving Credit Lenders under this clause (d)(ii) shall survive the payment in full of the Obligations and the termination of this Agreement.

(5) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Revolving Credit Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share or other applicable share provided for under this Agreement of any Swing Line Loan, interest in respect of such Pro Rata Share or other applicable share provided for under this Agreement shall be solely for the account of the Swing Line Lender.

(6) Payments Directly to Swing Line Lender. Subject to Section 2.04(3)(a), the Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

(7) Provisions Related to Extended Revolving Credit Commitments. If the Maturity Date shall have occurred in respect of any Class of Revolving Credit Commitments (the "**Expiring Credit Commitment**") at a time when another Class or Classes of Revolving Credit Commitments is or are in

effect with a later Maturity Date (each a “**Non-Expiring Credit Commitment**” and collectively, the “**Non-Expiring Credit Commitments**”), then with respect to each outstanding Swing Line Loan, if consented to by the Swing Line Lender, on the earliest occurring Maturity Date such Swing Line Loan shall be deemed reallocated to the Class or Classes of the Non-Expiring Credit Commitments on a pro rata basis; *provided* that (a) to the extent that the amount of such reallocation would cause the aggregate credit exposure to exceed the aggregate amount of such Non-Expiring Credit Commitments, immediately prior to such reallocation (after giving effect to any repayments of Revolving Credit Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.03(13)) the amount of Swing Line Loans to be reallocated equal to such excess shall be repaid and (b) notwithstanding the foregoing, if a Default or Event of Default has occurred and is continuing, the Borrower shall still be obligated to pay Swing Line Loans allocated to the Revolving Credit Lenders holding the Expiring Credit Commitments at the Maturity Date of the Expiring Credit Commitment or if the Loans have been accelerated prior to the Maturity Date of the Expiring Credit Commitment.

Section 2.05 Prepayments.

(1) Optional.

(a) The Borrower may, upon notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Revolving Credit Loans in whole or in part without premium or penalty; *provided* that

(i) such notice must be received by the Administrative Agent not later than 12:00 p.m., New York time, (A) three (3) Business Days prior to any date of prepayment of Eurodollar Rate Loans and (B) on the date of prepayment of Base Rate Loans;

(ii) any partial prepayment of Eurodollar Rate Loans shall be in a principal amount of \$2.0 million or a whole multiple of \$500,000 in excess thereof or, if less, the entire principal amount thereof then outstanding; and

(iii) any prepayment of Base Rate Loans shall be in a principal amount of \$1.0 million or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding.

Each such notice shall specify the date and amount of such prepayment and Type(s) of Loans to be prepaid (and, for the avoidance of doubt, may indicate the prepayments by more than one Borrower on such date in such amounts so specified, which, individually, may be below any minimum or multiple, but which, in the aggregate amount on any given date, shall satisfy such minimum and multiple requirements). The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender’s Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurodollar Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05.

(b) The Borrower may, upon notice to the applicable Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; *provided* that (1) such notice must be received by such Swing Line Lender and the Administrative Agent not later than 12:00 p.m., New York City time, on the date of the prepayment and (2) any such prepayment of Swing Line Loans made in Dollars shall be in a minimum principal amount of \$100,000 or a whole multiple of \$100,000 in excess thereof, or the entire

principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment.

(c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(1)(a) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(2) Mandatory.

(a) If at any time, the aggregate principal amount of Total Outstandings (excluding the face amount of any Letters of Credit that are Cash Collateralized or back-stopped to the reasonable satisfaction of the Administrative Agent) exceeds the Maximum Borrowing Amount, the Borrower shall within one (1) Business Day, upon notification by the Administrative Agent, prepay the Swing Line Loans *first* and then prepay (or Cash Collateralize, in the amount required by Section 2.03(7), in the case of Letters of Credit) the other Loans then outstanding in an amount equal to such excess; *provided* that nothing in this clause (2)(a) shall reduce the Revolving Credit Commitments.

(b) Subject to Section 3.05 hereof, all such payments in respect of the Loans pursuant to this Section 2.05 shall be without premium or penalty. All interest accrued on the principal amount of the Loans paid pursuant to this Section 2.05 shall be paid, or may be charged by the Administrative Agent to any loan account(s) of the Borrower, at the Administrative Agent's option, on the date of such payment. Interest shall accrue and be due, until the next Business Day, if the amount so paid by the Borrower to the bank account designated by the Administrative Agent for such purpose is received in such bank account after 3:00 p.m., New York City time.

(c) At all times after the occurrence and during the continuance of a Cash Dominion Period and notification thereof by the Administrative Agent to the Borrower, on each Business Day, the Administrative Agent shall apply all same day funds in excess of \$3,500,000 (other than Excluded Funds held in Excluded Accounts) credited to the Concentration Account and all amounts received pursuant to this Section 2.05(2) to one or more accounts maintained by Administrative Agent or such other account as directed by the Administrative Agent. All amounts received in such account shall be applied (and allocated) by the Administrative Agent in accordance with Section 8.03.

(3) Interest, Funding Losses, etc.

(a) All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurodollar Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurodollar Rate Loan pursuant to Section 3.05.

(b) Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurodollar Rate Loans is required to be made under this Section 2.05 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurodollar Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any

Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrower for all purposes under this Agreement.

Section 2.06 Termination or Reduction of Commitments.

(1) Optional. The Borrower may, upon written notice by the Borrower to the Administrative Agent, terminate the unused Commitments, or from time to time permanently reduce the unused Commitments, in each case without premium or penalty; *provided* that (a) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction, (b) any such partial reduction shall be in an aggregate amount of \$5.0 million or any whole multiple of \$1.0 million in excess thereof or, if less, the entire amount thereof; and (c) if, after giving effect to any reduction of the Commitments, the L/C Sublimit or Swing Line Sublimit exceeds the amount of the Revolving Credit Facility, such sublimit shall be automatically reduced by the amount of such excess. To the extent there are any FILO Tranches outstanding at the time of any termination of Revolving Credit Commitments under this Section 2.06, such termination shall be applied first to the non-FILO Tranche of Revolving Credit Loans on a pro-rata basis.

(2) Mandatory. The Revolving Credit Commitment of each Revolving Credit Lender shall automatically and permanently terminate on the Maturity Date for the applicable Revolving Credit Facility.

(3) Application of Commitment Reductions. The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the L/C Sublimit, Swing Line Sublimit or the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). Any commitment fees accrued until the effective date of any termination of the Revolving Credit Commitments shall be paid on the effective date of such termination. Other than with respect to a FILO Tranche, such reductions shall be applied pro rata to the Revolving Credit Commitments.

Section 2.07 Repayment of Loans.

(1) Revolving Credit Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the applicable Revolving Credit Facility the aggregate principal amount of all Revolving Credit Loans under such Facility outstanding on such date.

(2) Swing Line Loans. The Borrower shall repay the aggregate principal amount of each Swing Line Loan on the earlier to occur of (a) the date selected by Swing Line Lender and (b) the Maturity Date for the applicable Revolving Credit Facility.

Section 2.08 Interest.

(1) Subject to the provisions of Section 2.08(2), (a) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurodollar Rate for such Interest Period, respectively, *plus* the Applicable Rate, (b) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date

at a rate per annum equal to the Base Rate, *plus* the Applicable Rate and (c) each Swing Line Loan shall bear interest as provided in Section 2.04(1).

(2) During the continuance of an Event of Default, the Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(3) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09 Fees.

(1) Commitment Fee. The Borrower agrees to pay in same day funds in Dollars to the Administrative Agent for the account of each Lender a commitment fee (the “**Unused Commitment Fee**”) on the average daily amount by which the Revolving Credit Commitment of such Lender exceeds such Lender’s Pro Rata Share of the sum of (i) the aggregate outstanding principal amount of Loans (other than Swing Line Loans) for the applicable Class and (ii) the aggregate maximum amount then available to be drawn under all outstanding Letters of Credit, from the Closing Date through the Revolving Credit Termination Date, at the Applicable Unused Commitment Fee Rate, payable in arrears (x) on the first calendar day of each February, May, August and November, commencing on the first such day following the Closing Date and (y) on the Revolving Credit Termination Date. All Unused Commitment Fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(2) Other Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

Section 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(1), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(1) The Revolving Credit Borrowings made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the Revolving Credit Borrowings made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so

shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent, as set forth in the Register, in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(2) In addition to the accounts and records referred to in Section 2.11(1), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(3) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(1) and (2), and by each Lender in its account or accounts pursuant to Sections 2.11(1) and (2), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally.

(1) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment and in Same Day Funds not later than 2:00 p.m., New York time, on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. Any payments under this Agreement that are made later than 2:00 p.m., New York time, shall be deemed to have been made on the next succeeding Business Day and any applicable interest or fees shall continue to accrue.

(2) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that, if such extension would cause payment of interest on or principal of Eurodollar Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(3) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date, or in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m., New York time, on the date of such Borrowing, any payment is required to be made by it to the Administrative Agent hereunder (in the case of the Borrower, for the account of any Lender or an Issuing Bank hereunder or, in the case of the Lenders, for the account of any Issuing Bank, Swing Line Lender or the Borrower hereunder), that the

Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(a) if the Borrower failed to make such payment, each Lender or Issuing Bank shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender or Issuing Bank in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(b) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the “**Compensation Period**”) at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender’s Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent’s demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount, or cause such amount to be paid, to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(3) shall be conclusive, absent manifest error.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Revolving Credit Borrowing set forth in Section 4.02 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or fund any participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan

Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03 (or otherwise expressly set forth herein). If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the sum of (i) the Outstanding Amount of all Loans outstanding at such time and (ii) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

(g) The amount of each Lender's Pro Rata Share of outstanding Revolving Credit Loans (including outstanding Swing Line Loans) will be computed weekly (or more frequently in the Administrative Agent's discretion) and will be adjusted upward or downward based on all Revolving Credit Loans (including outstanding Swing Line Loans) and repayments of Revolving Credit Loans (including outstanding Swing Line Loans) received by the Administrative Agent as of 4:00 p.m. on the first Business Day (such date, the "**Settlement Date**") following the end of such week (or shorter period specified by the Administrative Agent). The Administrative Agent will deliver to each of the Lenders promptly after a Settlement Date a summary statement of the amount of outstanding Revolving Credit Loans for the period and the amount of repayments received for the period. As reflected on the summary statement, (a) the Administrative Agent will transfer to each Lender its Pro Rata Share of repayments and (b) each Lender will transfer to the Administrative Agent or the Administrative Agent will transfer to each Lender such amounts as are necessary to insure that, after giving effect to all such transfers, the amount of Revolving Credit Loans made by each Lender will be equal to such Lender's Pro Rata Share of all Revolving Credit Loans outstanding as of such Settlement Date.

Section 2.13 Sharing of Payments. If, other than expressly provided in this Agreement, if any Lender of any Class shall obtain any payment in respect of any principal of or interest on account of the Loans of such Class made by it or the participations in L/C Obligations and Swing Line Loans held by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (1) notify the Administrative Agent of such fact, and (2) purchase at par from the other Lenders such participations in the Loans of such Class made by them or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment on such Loans of such Class or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (a) the amount of such paying Lender's required repayment to (b) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this Section 2.13 shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.10) with respect to such participation as fully as if such Lender were the

direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Section 2.14 Incremental Facilities.

(1) Incremental Revolving Credit Loan Request. The Borrower may at any time and from time to time, on one or more occasions, by notice to the Administrative Agent, request one or more increases to the aggregate principal amount of the Revolving Credit Commitments (or, solely to the extent set forth in Section 2.14(9) below, provide commitments under a new facility constituting a FILO Tranche) (“**Incremental Commitments**” and the Revolving Credit Loans and other extensions of credit made thereunder, the “**Incremental Revolving Credit Loans**”).

(2) Size. The aggregate amount of Incremental Commitments hereunder shall not exceed \$200,000,000. Each Incremental Commitment will be in an integral multiple of \$1.0 million and in an aggregate principal amount that is not less than \$5.0 million (or such lesser minimum amount approved by the Administrative Agent in its reasonable discretion); *provided* that such amount may be less than such minimum amount or integral multiple amount if such amount represents all the remaining availability under the limit set forth above.

(3) Incremental Lenders. The Borrower shall not be obligated to offer any existing Lender the opportunity to provide any Incremental Commitments. Incremental Commitments may be provided by any existing Lender (it being understood that no existing Lender will have an obligation to make all or any portion of any Incremental Revolving Credit Loan, nor will the Borrower have any obligation to approach any existing Lender(s) to provide any Incremental Commitments) or by any Additional Lender on terms permitted by this Section 2.14; *provided* that the Administrative Agent, the Swing Line Lender and each Issuing Bank shall have consented (in each case, such consent not to be unreasonably withheld, conditioned or delayed) to any such Person’s providing Incremental Revolving Credit Facilities if such consent would be required under Section 10.07(b)(iii) for an assignment of such Loans or Revolving Credit Commitments, as applicable, to such Person. Final allocations in respect of Incremental Revolving Credit Facilities will be made by the Borrower together with the arrangers thereof, if any, in their discretion, on the terms permitted by this Section 2.14.

(4) Incremental Revolving Credit Facility Amendments; Use of Proceeds. Incremental Commitments (including under a FILO Tranche) shall become Commitments under this Agreement pursuant to an amendment (each, an “**Incremental Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Person providing such Incremental Commitments and the Administrative Agent. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Incremental Amendment. Incremental Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, (x) to effect the provisions of this Section 2.14. Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Incremental Commitments and the Incremental Revolving Credit Loans evidenced thereby. The Borrower may use the proceeds of the Incremental Revolving Credit Loans for any purpose not prohibited by this Agreement.

(5) Conditions. The availability of the Incremental Commitments under this Agreement will be subject solely to the following conditions:

(a) No Event of Default shall have occurred and be continuing or, in the case of a Permitted Acquisition or similar committed investment, no Event of Default under Section 8.01(1) or Section 8.01(6) shall have occurred and be continuing; provided that in the case of a Limited Condition Acquisition, at the Borrower's option, such Event of Default may be tested in accordance with Section 1.07(8) so long as (x) no Loans hereunder (other than any Loans that constitute a FILO Tranche) are being used or will be used to fund such Limited Condition Acquisition and (y) at the time of the consummation of such Limited Condition Acquisition, no Event of Default under Section 8.01(1) or Section 8.01(6) shall have occurred and be continuing; and

(b) all representations and warranties set forth in Article V shall be true and correct in all material respects on and as of the date of incurrence of the Incremental Revolving Credit Facilities except any representations and warranties which expressly relate to a given date or period shall be required only to be true and correct in all material respects as of the respective date or for the respective period, as the case may be; provided that in connection with any Permitted Acquisition or similar committed investment that constitute a Limited Condition Acquisition (other than any such Permitted Acquisition or committed investment which will be funded with the proceeds of Loans (other than a FILO Tranche) hereunder), (x) the Lenders providing such Incremental Commitments may elect to waive the requirement to make the representations and warranties set forth in Article V as required by the foregoing and (y) such representations and warranties will be limited to Specified Representations and Specified Acquisition Agreement Representations.

(6) Terms. Except as set forth below or with respect to any FILO Tranche under Section 2.14(8) below, any Incremental Commitments shall be on the same terms and pursuant to the same documentation applicable to the existing Revolving Credit Commitments hereunder; *provided that*:

(a) the final maturity date of such Incremental Revolving Credit Loans will be no earlier than the Latest Maturity Date of the Revolving Credit Loans borrowed on the Closing Date;

(b) the Weighted Average Life to Maturity of such Incremental Revolving Credit Loans will be no shorter than the longest remaining Weighted Average Life to Maturity of the Revolving Credit Loans borrowed on the Closing Date;

(7) Pricing. Other than in the case of a FILO Tranche as described below, the interest rate, margin, commitment fees, original issue discount and upfront or similar fees for any Incremental Commitments will be as determined by the Borrower and the Persons providing such Incremental Commitments; *provided*, that the interest rate, margin, commitment fees and letter of credit fee of all Commitments in effect on the Closing Date shall be increased to match the corresponding terms of the Incremental Commitments.

(8) FILO Tranche. The Revolving Credit Commitment Increase may be in the form of a separate "first-in, last-out" or "last-out" tranche (the "**FILO Tranche**") with interest rate margins, rate floors, upfront fees, funding discounts and original issue discounts, in each case to be agreed upon (which, for the avoidance of doubt, shall not require any adjustment to the Applicable Rate of other Revolving Credit Loans to be set forth in the Incremental Amendment) among the Borrower and the Lenders providing the FILO Tranche so long as (a) any Loans and related Obligations in respect of the FILO Tranche are not to be guaranteed by any Person other than the Guarantors and are not secured by any assets other than Collateral, (b) as between (x) the Revolving Credit Loans (other than the FILO

Tranche) and (y) the FILO Tranche, all proceeds from the liquidation or other realization of the Collateral (including ABL Priority Collateral) or application of funds in accordance with Section 8.03 shall be applied, first to obligations owing under, or with respect to, the Revolving Credit Loans (other than the FILO Tranche) and second to the FILO Tranche; (c) the Borrower may not prepay Loans under the FILO Tranche or terminate or reduce the commitments in respect thereof at any time that other Loans (including Swing Line Loans) and/or Unreimbursed Amounts (unless cash collateralized or otherwise provided for in a manner reasonably satisfactory to the Administrative Agent) are outstanding; (d) the Required Lenders (calculated as including the FILO Tranche) shall, subject to the terms of the ABL Intercreditor Agreement, control exercise of remedies in respect of the Collateral; (e) no changes affecting the priority status of the Revolving Credit Facility (other than the FILO Tranche) vis-à-vis the FILO Tranche may be made without the consent of the Required Lenders under the Revolving Credit Facility, other than such changes which affect only the FILO Tranche; (f) the final maturity of any FILO Tranche shall not occur, and no FILO Tranche shall require mandatory commitment reductions prior to, the Latest Maturity Date at such time; and (g) except as otherwise set forth in this Section 2.14(8), the terms of any FILO Tranche are not materially less favorable to the Borrower than those hereunder (including, without limitation, the inclusion of any additional financial or other material covenant without the consent of the Administrative Agent); *provided however*, that (i) advance rates with respect to the items included in the borrowing base for such FILO Tranche shall not exceed 105% of the Net Orderly Liquidation Value of Eligible Inventory and 100% of Eligible Credit Card Receivables and Eligible Accounts Receivable and (ii) at no time shall the total Revolving Credit Exposure (including the FILO Tranche) exceed 100% of the Net Orderly Liquidation Value of the ABL Priority Collateral (other than ineligible assets).

(9) Reallocation of Revolving Credit Exposure. Upon each Revolving Credit Commitment Increase pursuant to this Section 2.14:

(a) each Revolving Credit Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each lender providing a portion of such increase (each an “**Incremental Revolving Credit Lender**”), and each such Incremental Revolving Credit Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender’s participations hereunder in outstanding Letters of Credit and Swing Line Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit and Swing Line Loans held by each Revolving Credit Lender will equal the percentage of the aggregate Revolving Credit Commitments of all Lenders represented by such Revolving Credit Lender’s Revolving Credit Commitments; and

(b) if, on the date of such increase, there are any Revolving Credit Loans outstanding, such Revolving Credit Loans shall on or prior to the effectiveness of such Incremental Revolving Credit Facility be prepaid from the proceeds of Incremental Revolving Credit Loans made hereunder (reflecting such increase in Revolving Credit Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Credit Loans being prepaid and any costs incurred by any Revolving Credit Lender in accordance with Section 3.05.

(10) The Administrative Agent and the Lenders hereby agree that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

Section 2.15 [Reserved].

Section 2.16 Extensions of Loans.

(1) Extension Offers. Pursuant to one or more offers (each, an “**Extension Offer**”) made from time to time by the Borrower to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date, the Borrower may extend such Maturity Date and otherwise modify the terms of such Loans or Commitments pursuant to the terms set forth in an Extension Offer (each, an “**Extension**,” and each group of Loans or Commitments so extended, as well as any Loans of the same Class not so extended, each being a “**tranche**” for purposes of this Section 2.16). Each Extension Offer will specify the minimum amount of Loans or Commitments with respect to which an Extension Offer may be accepted, which will be an integral multiple of \$1.0 million and an aggregate principal amount that is not less than \$10.0 million, or if less, (a) the aggregate principal amount of such Loans outstanding or (b) such lesser minimum amount as is approved by the Administrative Agent, such consent not to be unreasonably withheld, conditioned or delayed. Extension Offers will be made on a *pro rata* basis to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date. If the aggregate outstanding principal amount of such Loans (calculated on the face amount thereof) or Commitments in respect of which Lenders have accepted an Extension Offer exceeds the maximum aggregate principal amount of Loans or Commitments offered to be extended pursuant to such Extension Offer, then the Loans or Commitments of such Lenders will be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any “most favored nation” pricing provisions, any condition on the non-existence of any Default or Event of Default or any financial ratio tests. The terms of an Extension Offer shall be determined by the Borrower, and Extension Offers may contain one or more conditions to their effectiveness, including a condition that a minimum amount of Loans or Commitments of any or all applicable tranches be tendered.

(2) Extension Amendments. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (each, an “**Extension Amendment**”) as may be necessary or appropriate in order to effect the provisions of this Section 2.16, establish new tranches in respect of Extended Revolving Credit Loans and Extended Revolving Credit Commitments and such amendments as permitted by clause (5) below as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such Extended Revolving Credit Loans and Extended Revolving Credit Commitments. Extensions will not constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement. It is understood that no existing Lender will have an obligation to participate in Extended Revolving Credit Loans or Extended Revolving Credit Commitments of any Class of Revolving Credit Loans, and any Lender who fails to accept an offer to participate in writing shall be deemed to have rejected the offer. Any Lender of an existing Class of Revolving Credit Loans that elects (or that has deemed to have elected) not to participate in Extended Revolving Credit Loans or Extended Revolving Credit Commitments of such Class of Revolving Credit Loans shall be referred to herein as a “**Non-Extended Lender**”.

(3) Terms of Extension Offers and Extension Amendments. The terms of any Extended Revolving Credit Loans and Extended Revolving Credit Commitments will be set forth in an Extension Offer and as agreed between the Borrower and the Extending Lenders accepting such Extension Offer; *provided that*:

(a) the final maturity date of such Extended Revolving Credit Loans and Extended Revolving Credit Commitments will be no earlier than the Latest Maturity Date applicable to the Loans or Commitments subject to such Extension Offer;

(b) [reserved];

(c) [reserved];

(d) such Extended Revolving Credit Loans and Extended Revolving Credit Commitments are not secured by any assets or property that does not constitute Collateral and may not be secured on a senior basis to the existing Revolving Credit Loans;

(e) such Extended Revolving Credit Loans and Extended Revolving Credit Commitments are not guaranteed by any Subsidiary of the Borrower other than a Subsidiary Loan Party; and

(f) the terms, conditions, covenants and events of default applicable to Extended Revolving Credit Loans or Extended Revolving Credit Commitments are, except as to pricing terms (interest rate and fees) and maturity, substantially identical to, or, taken as a whole, no more favorable to the lenders or holders providing such indebtedness than, those subject to such Extension Offer, as determined in good faith by a Responsible Officer of the Borrower.

Any Extended Revolving Credit Loans will constitute a separate tranche of Revolving Credit Loans from the Revolving Credit Loans held by Lenders that did not accept the applicable Extension Offer.

(4) Extension of Revolving Credit Commitments. In the case of any Extension of Revolving Credit Commitments or Revolving Credit Loans, the following shall apply:

(a) all borrowings and all prepayments of Revolving Credit Loans shall continue to be made on a ratable basis among all Revolving Credit Lenders, based on the relative amounts of their Revolving Credit Commitments, until the repayment of the Revolving Credit Loans attributable to the non-extended Revolving Credit Commitments on the relevant Maturity Date; provided that the Borrower shall be permitted to repay the Revolving Credit Loans attributable to non-extended Revolving Credit Commitments on the relevant Maturity Date without the necessity of making any pro rata payments to Extending Lenders;

(b) the allocation of the participation exposure with respect to any then-existing or subsequently issued Letter of Credit as between the Revolving Credit Commitments of such new tranche and the remaining Revolving Credit Commitments shall be made on a ratable basis in accordance with the relative amounts thereof until the Maturity Date relating to such non-extended Revolving Credit Commitments has occurred;

(c) no termination of extended Revolving Credit Commitments and no repayment of extended Revolving Credit Loans accompanied by a corresponding permanent reduction in extended Revolving Credit Commitments shall be permitted unless such termination or repayment (and corresponding reduction) is accompanied by at least a pro rata termination or permanent repayment (and corresponding pro rata permanent reduction), as applicable, of each other tranche of Revolving Credit Loans and Revolving Credit Commitments (or each other tranche of Revolving Credit Commitments and Revolving Credit Loans shall have otherwise been terminated and repaid in full);

(d) the Maturity Date with respect to the Revolving Credit Commitments may not be extended without the prior written consent of the Swing Line Lender and the Issuing Banks; and

(e) at no time shall there be more than three (3) different tranches of Revolving Credit Commitments (or greater than three (3) tranches to the extent agreed by the Administrative Agent).

If the aggregate Outstanding Amount of Revolving Credit Loans, Swing Line Loans and L/C Obligations exceeds the Revolving Credit Commitment as a result of the occurrence of the Maturity Date with respect to any tranche of Revolving Credit Commitments while an extended tranche of Revolving Credit Commitments remains outstanding, the Borrower shall make such payments as are necessary in order to eliminate such excess on such Maturity Date.

(5) Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or condition), the Borrower and the applicable Extending Lender. The transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Revolving Credit Loans on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16 will not apply to any of the transactions effected pursuant to this Section 2.16.

Section 2.17 Defaulting Lenders.

(1) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove of any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(b) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the relevant Swing Line Lender or Issuing Banks hereunder; third, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, to the payment of any amounts owing to the Lenders, the relevant Swing Line Lender or Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the relevant Swing Line Lender or Issuing Banks against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and sixth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (i) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (ii) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant

to this Section 2.17(1)(b) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(c) Certain Fees. That Defaulting Lender (i) shall not be entitled to receive any commitment fee pursuant to Section 2.09(1) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (ii) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(9).

(d) Reallocation of Pro Rata Share to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans pursuant to Section 2.03, the “Pro Rata Share” of each Non-Defaulting Lender’s Revolving Credit Loans and L/C Obligations shall be computed without giving effect to the Commitment of that Defaulting Lender; *provided* that (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default has occurred and is continuing; and (ii) the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans shall not exceed the positive difference, if any, of (1) the Commitment of that Non-Defaulting Lender *minus* (2) the aggregate Outstanding Amount of the Revolving Credit Loans of that Non-Defaulting Lender. If the reallocation described above in this clause (d) cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under any law, (x) first, prepay Swing Line Loans in an amount equal to the Swing Line Lender’s Fronting Exposure and (y) second, Cash Collateralize the applicable Issuing Bank’s Fronting Exposure in accordance with the procedures set forth in Section 2.03.

(2) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Swing Line Lender and the relevant Issuing Banks agree in writing in their sole discretion (such agreement not to be unreasonably withheld or delayed) that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Credit Loans of the applicable Facility and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Share of the applicable Facility (without giving effect to Section 2.17(1)(d)), whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; *provided further* that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender’s having been a Defaulting Lender. So long as any Lender is a Defaulting Lender, (i) the Swing Line Lender shall not be required to fund any Swing Line Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swing Line Loan and (ii) no Issuing Bank shall be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

Section 3.01 Taxes.

(1) Except as required by applicable Law, any and all payments by any Loan Party to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes.

(2) If any Loan Party or any other applicable withholding agent is required by applicable Law (as determined in the good faith discretion of such Loan Party or withholding agent) to make any deduction or withholding on account of any Taxes from any sum paid or payable by any Loan Party to any Lender or Agent under any of the Loan Documents:

(a) the applicable Loan Party shall notify the Administrative Agent of any such requirement or any change in any such requirement as soon as such Loan Party becomes aware of it;

(b) the applicable Loan Party or other applicable withholding agent shall be entitled to make such deduction or withholding and shall pay any amounts deducted or withheld to the relevant Governmental Authority any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Loan Party) for its own account or (if that liability is imposed on the Lender or Agent) on behalf of and in the name of the Lender or Agent (as applicable);

(c) if the Tax in question is a Non-Excluded Tax or Other Tax, the sum payable to such Lender or Agent (as applicable) shall be increased by such Loan Party to the extent necessary to ensure that, after the making of any required deduction or withholding for Non-Excluded Taxes or Other Taxes (including any deductions or withholdings for Non-Excluded Taxes or Other Taxes attributable to any payments required to be made under this Section 3.01), the Lender or the Agent (as applicable) receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and

(d) within thirty days after paying any sum from which it is required by Law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which it is required by clause (b) above to pay, the Borrower shall deliver to the Administrative Agent evidence reasonably satisfactory to the other affected parties of such deduction or withholding and of the remittance thereof to the relevant Governmental Authority.

(3) Status of Lender. The Administrative Agent and each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Laws or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under any Loan Document. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(3)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and Administrative Agent of its inability to do so.

Without limiting the foregoing:

(a) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which such Lender becomes a party to this Agreement two properly completed and duly signed copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(b) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which such Lender becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(i) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(ii) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit H (any such certificate, a “**United States Tax Compliance Certificate**”) and (B) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), executed originals of Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by a Form W-8ECI, Form W-8BEN or W-8BEN-E, as applicable, a United States Tax Compliance Certificate, Form W-9, Form W-8IMY and any other required information (or any successor forms) from each beneficial owner that would be required under this Section 3.01(3) if such beneficial owner were a Lender, as applicable (*provided* that if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Foreign Lender on behalf of such beneficial owner), or

(v) two properly completed and duly signed copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, United States federal withholding Tax on any payments to such Lender under the Loan Documents.

(c) If a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, the term “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this clause (c), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(4) In addition to the payments by a Loan Party required by Section 3.01(2), the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(5) The Loan Parties shall, jointly and severally, indemnify a Lender or Agent (each a “**Tax Indemnatee**”), within 10 days after written demand therefor, for the full amount of any Non-Excluded Taxes paid or payable by such Tax Indemnatee on or attributable to any payment under or with respect to any Loan Document, and any Other Taxes payable by such Tax Indemnatee (including Non-Excluded Taxes or Other Taxes imposed on or attributable to amounts payable under this Section 3.01), whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Tax Indemnatee or by the Administrative Agent on its own behalf or on behalf of another Tax Indemnatee, shall be conclusive absent manifest error.

(6) If and to the extent that a Tax Indemnatee, in its sole discretion (exercised in good faith), determines that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), then such Tax Indemnatee shall pay to the relevant Loan Party the amount of such refund, net of all out-of-pocket expenses of the Tax Indemnatee (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Loan Party, upon the request of the Tax Indemnatee, agrees to repay the amount paid over by the Tax Indemnatee (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Tax Indemnatee to the extent the Tax Indemnatee is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (6), in no event will the Tax Indemnatee be required to pay any amount to a Loan Party pursuant to this paragraph (6) the payment of which would place the Tax Indemnatee in a less favorable net after-Tax position than the Tax Indemnatee would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require a Tax Indemnatee to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(7) For purposes of determining withholding Taxes imposed under FATCA, from and after the Closing Date of this Agreement, the Borrower and the Agents shall treat (and the Lenders hereby authorize the Agents to treat) this Agreement as not qualifying as a “grandfathered obligation” within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

(8) The agreements in this Section 3.01 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Section 3.02 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on written notice thereof by such Lender to the Borrower through the Administrative Agent, (1) any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended, and (2) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be reasonably determined by the Administrative Agent without reference to the Eurodollar Rate

component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (a) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate) and (b) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurodollar Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 3.03 Inability to Determine Rates.

(a) If in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof, (i) the Administrative Agent determines that (A) Dollar deposits are not being offered to banks in the London interbank Eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan, or (B) (x) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan and (y) the circumstances described in Section 3.03(c)(i) do not apply (in each case with respect to this clause (i), “**Impacted Loans**”), or (ii) the Administrative Agent or the Required Lenders determine that for any reason the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Eurodollar Rate Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended, (to the extent of the affected Eurodollar Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the Eurodollar Rate component of the Base Rate, the utilization of the Eurodollar Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (or, in the case of a determination by the Required Lenders described in clause (ii) of Section 3.03(a), until the Administrative Agent upon instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans (to the extent of the affected Eurodollar Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(b) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (i) of Section 3.03(a), the Administrative Agent, in consultation with the Borrower and Required Lenders, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (i) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (i) of the first sentence of Section 3.03(a), (ii) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (iii) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate

or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

(c) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining LIBOR for any Interest Period hereunder or any other tenors of LIBOR, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent or such administrator has made a public statement identifying a specific date after which LIBOR or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans, provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent, that will continue to provide LIBOR after such specific date (such specific date, the “**Scheduled Unavailability Date**”); or

(iii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over such administrator has made a public statement announcing that all Interest Periods and other tenors of LIBOR are no longer representative; or

(iv) syndicated loans currently being executed, or that include language similar to that contained in this Section 3.03, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR,

then, in the case of clauses (i)-(iii) above, on a date and time determined by the Administrative Agent (any such date, the “**LIBOR Replacement Date**”), which date shall be at the end of an Interest Period or on the relevant interest payment date, as applicable, for interest calculated and shall occur reasonably promptly upon the occurrence of any of the events or circumstances under clauses (i), (ii) or (iii) above and, solely with respect to clause (ii) above, no later than the Scheduled Unavailability Date, LIBOR will be replaced hereunder and under any Loan Document with, subject to the proviso below, the first available alternative set forth in the order below for any payment period for interest calculated that can be determined by the Administrative Agent, in each case, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (the “**LIBOR Successor Rate**”; and any such rate before giving effect to the Related Adjustment, the “**Pre-Adjustment Successor Rate**”):

- (x) Term SOFR *plus* the Related Adjustment; and
- (y) SOFR *plus* the Related Adjustment;

and in the case of clause (iv) above, the Borrower and Administrative Agent may amend this Agreement solely for the purpose of replacing LIBOR under this Agreement and under any other Loan Document in accordance with the definition of “LIBOR Successor Rate” and such amendment will become effective at 5:00 p.m., on the fifth Business Day after the Administrative Agent shall have notified all Lenders and the Borrower of the occurrence of the circumstances described in clause (iv) above unless, prior to such time,

Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to the implementation of a LIBOR Successor Rate pursuant to such clause;

provided that, if the Administrative Agent determines that Term SOFR has become available, is administratively feasible for the Administrative Agent and would have been identified as the Pre-Adjustment Successor Rate in accordance with the foregoing if it had been so available at the time that the LIBOR Successor Rate then in effect was so identified, and the Administrative Agent notifies the Borrower and each Lender of such availability, then from and after the beginning of the Interest Period, relevant interest payment date or payment period for interest calculated, in each case, commencing no less than thirty (30) days after the date of such notice, the Pre-Adjustment Successor Rate shall be Term SOFR and the LIBOR Successor Rate shall be Term SOFR *plus* the relevant Related Adjustment.

The Administrative Agent will promptly (in one or more notices) notify the Borrower and each Lender of (x) any occurrence of any of the events, periods or circumstances under clauses (i) through (iii) above, (y) a LIBOR Replacement Date and (z) the LIBOR Successor Rate.

Any LIBOR Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Administrative Agent, such LIBOR Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent.

Notwithstanding anything else herein, if at any time any LIBOR Successor Rate as so determined would otherwise be less than the LIBOR Floor, the LIBOR Successor Rate will be deemed to be the LIBOR Floor for the purposes of this Agreement and the other Loan Documents.

In connection with the implementation of a LIBOR Successor Rate, the Administrative Agent will have the right to make LIBOR Successor Rate Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such LIBOR Successor Rate Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such LIBOR Successor Rate Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective.

If the events or circumstances of the type described in 3.03(c)(i)-(iii) have occurred with respect to the LIBOR Successor Rate then in effect, then the successor rate thereto shall be determined in accordance with the definition of "LIBOR Successor Rate."

(d) Notwithstanding anything to the contrary herein, (i) after any such determination by the Administrative Agent or receipt by the Administrative Agent of any such notice described under Section 3.03(c)(i)-(iii), as applicable, if the Administrative Agent determines that none of the LIBOR Successor Rates is available on or prior to the LIBOR Replacement Date, (ii) if the events or circumstances described in Section 3.03(c)(iv) have occurred but none of the LIBOR Successor Rates is available, or (iii) if the events or circumstances of the type described in Section 3.03(c)(i)-(iii) have occurred with respect to the LIBOR Successor Rate then in effect and the Administrative Agent determines that none of the LIBOR Successor Rates is available, then in each case, the Administrative Agent and the Borrower may amend this Agreement solely for the purpose of replacing LIBOR or any then current LIBOR Successor Rate in accordance with this Section 3.03 at the end of any Interest Period, relevant interest payment date or payment period for interest calculated, as applicable, with another alternate benchmark rate giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such alternative benchmarks and, in each case, including any Related Adjustments and any other mathematical or other adjustments to such benchmark

giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion and may be periodically updated. For the avoidance of doubt, any such proposed rate and adjustments shall constitute a LIBOR Successor Rate. Any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

(e) If, at the end of any Interest Period, relevant interest payment date or payment period for interest calculated, no LIBOR Successor Rate has been determined in accordance with clauses (c) or (d) of this Section 3.03 and the circumstances under clauses (c)(i) or (c)(iii) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended, (to the extent of the affected Eurodollar Rate Loans, Interest Periods, interest payment dates or payment periods), and (y) the Eurodollar Rate component shall no longer be utilized in determining the Base Rate, until the LIBOR Successor Rate has been determined in accordance with clauses (c) or (d). Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans (to the extent of the affected Eurodollar Rate Loans, Interest Periods, interest payment dates or payment periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans (subject to the foregoing clause (y)) in the amount specified therein.

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurodollar Rate Loan.

(1) Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(b) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Eurodollar Rate Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes or Other Taxes covered by Section 3.01 and any Excluded Taxes); or

(c) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans made by such Lender that is not otherwise accounted for in the definition of "Eurodollar Rate" or this clause (c);

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate (or of maintaining its obligation to make any such Loan or Letter of Credit), or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this

Section 3.04(1) so long as it is such Lender's general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(2) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, or participations in or issuance of Letters of Credit by such Lender, to a level below that which such Lender or such Lender's holding company, as the case may be, could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(2) so long as it is such Lender's general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(3) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (1) or (2) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

Section 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(1) any continuation, conversion, payment or prepayment of any Eurodollar Rate Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(2) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurodollar Rate Loan on the date or in the amount notified by the Borrower; or

(3) any assignment of a Eurodollar Rate Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.07; including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Eurodollar Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

Notwithstanding the foregoing, no Lender may make any demand under this Section 3.05 with respect to the "floor" specified in the proviso to the definition of "Eurodollar Rate".

Section 3.06 Matters Applicable to All Requests for Compensation.

(1) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (b) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(2) Suspension of Lender Obligations. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurodollar Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurodollar Rate Loans until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(3) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(3) Conversion of Eurodollar Rate Loans. If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's Eurodollar Rate Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurodollar Rate Loans made by other Lenders, as applicable, are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurodollar Rate Loans to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Eurodollar Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

(4) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Sections 3.01 or 3.04 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

Section 3.07 Replacement of Lenders under Certain Circumstances. If (1) any Lender requests compensation under Section 3.04 or ceases to make Eurodollar Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (2) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (3) any Lender is a Non-Consenting Lender or Non-Extended Lender, (4) any Lender becomes a Defaulting Lender or (5) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent:

(a) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (3) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver, or amendment, as applicable) and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided* that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(ii) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05);

(iii) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to all, or a portion, as applicable, of such Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(iv) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans and Commitments, except with respect to indemnification and confidentiality provisions under this Agreement, which shall survive as to such assigning Lender;

(v) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(vi) such assignment does not conflict with applicable Laws;

(vii) any Lender that acts as an Issuing Bank may not be replaced hereunder at any time when it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such Issuing Bank (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to such Issuing Bank or the depositing of Cash Collateral into a Cash Collateral Account in amounts and pursuant to arrangements reasonably satisfactory to such Issuing Bank) have been made with respect to each such outstanding Letter of Credit; and

(viii) the Lender that acts as Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.11, or

(b) terminate the Commitment of such Lender or Issuing Bank, as the case may be, and (A) in the case of a Lender (other than an Issuing Bank), repay all Obligations of the Borrower owing to such Lender relating to the Loans and participations held by such Lender as of such termination date

and (B) in the case of an Issuing Bank, repay all Obligations of the Borrower owing to such Issuing Bank relating to the Loans and participations held by such Issuing Bank as of such termination date and Cash Collateralize, cancel or backstop, or provide for the deemed reissuance under another facility, on terms satisfactory to such Issuing Bank any Letters of Credit issued by it; *provided* that in the case of any such termination of the Commitment of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable consent, waiver or amendment of the Loan Documents and such termination shall, with respect to clause (3) above, be in respect of all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment.

(c) In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans/Commitments and (iii) the Required Lenders have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a “**Non-Consenting Lender.**”

(d) A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

(e) Notwithstanding anything herein to the contrary, each party hereto agrees that any assignment pursuant to the terms of this Section 3.07 may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender making such assignment need not be a party thereto

Section 3.08 Survival. All of the Borrower’s obligations under this Article III shall survive termination of the Aggregate Commitments, repayment, satisfaction or discharge of all other Obligations under this Agreement and resignation of the Administrative Agent.

ARTICLE IV

(a) a Committed Loan Notice;

(b) executed counterparts of this Agreement and the Guaranty;

(c) each Collateral Document set forth on Schedule 4.01(1)(c) required to be executed on the Closing Date as indicated on such schedule, duly executed by each Loan Party that is party thereto, together with:

provided, however, that each of the requirements set forth in clause (1)(c) above, including the delivery of any document(s) or instrument(s) necessary to satisfy the Collateral and Guarantee Requirement (except for the execution and delivery of the Security Agreement and to the extent that a Lien on Collateral may be perfected by (x) the filing of a financing statement under the UCC or (y) the delivery of the stock certificate of the Initial Borrower and the wholly owned Material Domestic Subsidiaries of Belk (or stock certificates of such wholly owned Material Domestic Subsidiaries delivered to the Initial Borrower on the Closing Date, if the Initial Borrower has used commercially reasonable efforts to procure the delivery thereof prior to the Closing Date)) will not constitute conditions precedent to the Borrowing on the Closing Date after the Initial Borrower's use of commercially reasonable efforts to provide such items on or prior to the Closing Date if the Initial Borrower agrees to deliver, or cause to be delivered, such documents and instruments, or take or cause to be taken such other actions as may be required to perfect such security interests within ninety (90) days after the Closing Date (subject to extensions approved by the Administrative Agent in its reasonable discretion) or, in the case of stock certificates of Belk, no later than 5:00 p.m., New York time, on the Closing Date;

provided further that with respect to the requirements set forth in clauses (1)(b), (1)(c) or (1)(d) above, each Loan Document (or certificate or other document) required to be executed and delivered on the Closing Date by any Loan Party other than Holdings or Initial Borrower will not constitute conditions precedent to the borrowing of Revolving Credit Loans on the Closing Date; *provided* that each of Belk and its Restricted Subsidiaries that are Loan Parties will execute and deliver any such document(s) substantially concurrently with the consummation of the Merger, but no later than 5:00 p.m. on the Closing Date.

(2) The Arrangers shall have received (i) the Closing Date Annual Financial Statements, and (ii) the Closing Date Quarterly Financial Statements; provided that the filing of the required financial statements on Form 10-K and Form 10-Q with the SEC within the required time periods by the Acquired Company will constitute receipt by the Arrangers of the Closing Date Annual Financial Statements and the Closing Date Quarterly Financial Statements.

(3) The Administrative Agent and the Arrangers shall have received at least three (3) Business Days prior to the Closing Date all documentation and other information in respect of Holdings and the Borrower reasonably determined by the Administrative Agent or the Arrangers to be required by applicable regulatory authorities required under applicable “know your customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act, that has been reasonably requested by the Administrative Agent or the Arrangers in writing by it at least ten (10) Business Days prior to the Closing Date.

(4) The Arrangers shall have received a certification by a Responsible Officer of the Initial Borrower, to the knowledge of the Initial Borrower (other than with respect to any Specified Representations), that the conditions set forth in clauses (5) and (7) of this Section 4.01 have been satisfied.

(5) The Specified Representations and the Specified Acquisition Agreement Representations shall be true and correct in all material respects on and as of the Closing Date; *provided* that to the extent such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided further* that the condition precedent in this clause (5) with respect to Specified Acquisition Agreement Representations shall fail to be satisfied only to the extent a breach of such Specified Acquisition Agreement Representations results in a failure of a condition precedent to the obligation of Holdings or the Initial Borrower to consummate the Merger pursuant to the terms of the Transaction Agreement or provides Holdings or the Initial Borrower with the right to, pursuant to the Transaction Agreement, terminate its obligations under the Transaction Agreement or decline to consummate the Merger as a result of the breach of such Specified Acquisition Agreement Representations.

(6) The Arrangers shall have received a certification by a Responsible Officer of the Initial Borrower that prior to or substantially concurrently with the funding of Revolving Credit Loans borrowed on the Closing Date, (i) the Equity Contribution (subject to any reduction pursuant to the second proviso of this Section 4.01(6)) shall have been consummated; and (ii) the Merger shall have been consummated in all material respects in accordance with the terms of the Transaction Agreement, after giving effect to any modifications, amendments, supplements, consents, waivers or requests, other than those modifications, amendments, supplements, consents, waivers or requests (including the effects of any such requests) made by Holdings or the Initial Borrower that are materially adverse to the interests of the Lenders;

provided that each of the following will be deemed to be materially adverse to the interests of the Lenders:

(i) any change to the definition of “Company Material Adverse Effect” contained in the Transaction Agreement as in effect on August 23, 2015,

(ii) any waiver of or amendment to the representation contained in the Transaction Agreement that since January 31, 2015 through the date of the Transaction Agreement, there has not been any event or effect that has had, or would reasonably be expected to have, individually

or in the aggregate, a “Company Material Adverse Effect” (as defined in the Transaction Agreement); and

(iii) any amendment to the “Xerox” provisions contained in the Transaction Agreement in effect on August 23, 2015;

provided further that (i) any reduction in the amount of consideration required to consummate the Merger shall be deemed not to be materially adverse to the interest of the Lenders so long as any reduction will be allocated (A) first, to a reduction in the Equity Contribution so long as the Equity Contribution is no less than 22.5% of the Total Capitalization (as defined in the Commitment Letter) and (B) thereafter (1) 77.5% to a reduction in the First Lien Loans and the Second Lien Loans (on a *pro rata* basis without giving effect to certain adjustments that may otherwise be agreed) and (2) 22.5% to the Equity Contribution and (ii) any increase in the purchase price of, or consideration for the Merger shall not be deemed to be materially adverse to the interests of the Lenders so long as such increase is not funded with any Indebtedness.

(7) Since August 23, 2015, there has not been any Circumstance (as defined in the Transaction Agreement as in effect on August 23, 2015) that has had, or would reasonably be expected to have, either individually or in the aggregate, a Company Material Adverse Effect (as defined in the Transaction Agreement).

(8) All fees required to be paid pursuant to the Fee Letter on the Closing Date and reasonable out-of-pocket expenses required to be paid on the Closing Date pursuant to the Commitment Letter, to the extent invoiced at least 3 Business Days prior to the Closing Date shall have been paid in full in cash substantially concurrently with the borrowing Revolving Credit Loans on the Closing Date (which amounts may, at the option of the Borrower, be offset against the proceeds of the Revolving Credit Loans borrowed on the Closing Date).

(9) Prior to or substantially concurrently with the funding of the Revolving Credit Loans borrowed on the Closing Date and the initial borrowings under the First Lien Facility and the Second Lien Facility, the Closing Date Refinancing shall have been consummated.

(10) The terms and conditions of the Second Lien Loan Documents shall be consistent with the terms and conditions previously agreed between the Borrower and the Arrangers.

(11) The Administrative Agent shall have received the ABL Intercreditor Agreement and Term Intercreditor Agreement acknowledged and delivered by the Borrower and the other Loan Parties party thereto.

Without limiting the generality of the provisions of the last paragraph of Section 9.03, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Section 4.02 Conditions to Credit Extensions after Closing Date.

Except as set forth in Section 2.14(6) with respect to Incremental Revolving Credit Loans and 2.16(2) with respect to Extended Revolving Credit Loans, and subject to Section 1.07(8), the obligation of each Lender to honor any Request for Credit Extension (other than (x) a Committed Loan Notice

(2) No Default or Event of Default shall exist, or would result from such proposed Credit Extension or from the application of proceeds therefrom.

(3) The Administrative Agent, and, if applicable, the relevant Issuing Bank or the Swing Line Lender (as applicable) shall have received a Request for Credit Extension in accordance with the requirements hereof.

(4) Each Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type or a continuation of Eurodollar Rate Loans) submitted by the Borrower shall be deemed to be a representation and warranty that the conditions specified in Sections 4.02(1) and 4.02(2) have been satisfied on and as of the date of the applicable Credit Extension.

(5) After giving effect to the Loans or Letters of Credit requested to be made or issued on any such date and the use of proceeds thereof, the Total Outstandings shall not exceed the Maximum Borrowing Amount at such time.

In addition, solely to the extent the Borrower has delivered to the Administrative Agent a notice of intent to cure pursuant to Section 8.04, no request for Borrowing shall be honored after delivery of such notice until the applicable Cure Amount specified in such notice is actually received by the Borrower. For the avoidance of doubt, the preceding sentence shall have no effect on the continuation or conversion of any Loans outstanding.

(1) Each Loan Party shall use commercially reasonable efforts to enter into an effective account control agreement (a "**Deposit Account Control Agreement**") with each account bank, in each case, in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, with respect to each primary domestic concentration Deposit Account in which funds of the Borrower and the Subsidiary Guarantors from Cash Receipts of the Borrower and the Subsidiary Guarantors are deposited (including those existing as of the Third Amendment Effective Date and listed on Schedule 6.19 attached

hereto, excluding Excluded Funds maintained in Excluded Accounts); *provided* that the applicable Loan Party shall enter into a Deposit Account Control Agreement with respect to any such Deposit Account (other than an Excluded Account) which is established after the Closing Date, promptly and in any event within ninety (90) days upon such establishment (or such longer period as the Administrative Agent may agree in its discretion). Notwithstanding anything in this section to the contrary, the provisions of this Section 6.19(1) shall not apply to any Deposit Account acquired by the Borrower and the Subsidiary Guarantors in connection with a Permitted Acquisition prior to the date that is 120 days (or such later date as the Administrative Agent may agree) following the consummation of such Permitted Acquisition.

(3) The Concentration Account shall at all times be under the sole dominion and control of the Administrative Agent, subject to the Borrower’s right to use of the account as set forth in clause (4) below. The Borrower shall use commercially reasonable efforts to cause the applicable depository (if not the Administrative Agent) to provide daily reports to the Administrative Agent setting forth the balances in the Concentration Account (which may relate to the previous Business Day) (and it being understood that failure on the part of such depository bank to provide such reports shall not constitute a Default or Event of Default hereunder). The Loan Parties hereby acknowledge and agree that (i) the Borrower and the Subsidiary Guarantors have no right of withdrawal from the Concentration Account to the extent a Cash Dominion Period is in effect, (ii) the funds on deposit in the Concentration Account shall at all times be collateral security for all of the Obligations and (iii) the funds on deposit in the Concentration Account shall be applied as provided in this Agreement (subject to the ABL Intercreditor Agreement). In the event that, notwithstanding the provisions of this Section 6.19, during the continuation of any Cash Dominion Period, the Borrower or any Subsidiary Guarantor receives or otherwise has dominion and control of any Cash Receipts which are not on deposit in the Concentration Account, such Cash Receipts shall be held by the Borrower or any Subsidiary Guarantor for the Administrative Agent in Deposit Accounts subject to a Deposit Account Control Agreement and shall, not later than the Business Day after receipt thereof, be deposited into the Concentration Account or dealt with in such other fashion as the Borrower or any Subsidiary Guarantor may be instructed by the Administrative Agent.

(4) Subject to the ability of the Secured Parties to exercise remedies in accordance with Section 8.02 during the occurrence and continuance of an Event of Default, so long as no Cash Dominion Period is continuing, the Borrower and the Subsidiary Guarantors may direct, and shall have sole control over, the manner of disposition of funds in the Approved Deposit Accounts. The Administrative Agent and the other Secured Parties hereby acknowledge and agree that so long as no Cash Dominion Period is continuing the Borrower and the Subsidiary Guarantors shall have the right, subject to the ability of the

Secured Parties to exercise remedies in accordance with Section 8.02 during the occurrence and continuance of an Event of Default, to withdraw all funds remaining on deposit in any Concentration Account and the Administrative Agent shall no longer be permitted to direct any account bank under any Deposit Account Control Agreement to ACH or wire transfer any Cash Receipts into any Concentration Account.

(5) Any amounts received in the Concentration Account following satisfaction of the Termination Conditions or to the extent no Cash Dominion Period is continuing shall be remitted to the operating account of the Borrower and the Subsidiary Guarantors maintained with the Administrative Agent or to an operating account otherwise designated by the Borrower.

(6) The Administrative Agent shall promptly (but in any event within three (3) Business Days) furnish written notice to each Approved Account Bank of any termination of a Cash Dominion Period.

Section 6.20 Borrowing Base Certificates.

(1) The Borrower shall provide the Administrative Agent with a Borrowing Base Certificate setting forth the calculation of the Borrowing Base and of Excess Availability as of the last Business Day of the applicable period set forth below, duly completed and executed by a Responsible Officer of the Borrower, together with all schedules required pursuant to the terms of the Borrowing Base Certificate duly completed:

(b) during the continuance of an Increased Reporting Period, on each Wednesday of each week (calculated as of the immediately preceding Friday).

The accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies, in each case, will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 7.02. Any Indebtedness incurred to refinance Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to clauses (2), (3), (4), (12), (13), (14), (23) and (25) of Section 7.02(b) will be permitted to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay accrued but unpaid interest and dividends and premiums, defeasance costs and fees and expenses incurred in connection with such refinancing.

For purposes of determining compliance with any Dollar denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock, the Dollar equivalent principal amount of Indebtedness or Disqualified Stock or Preferred Stock denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness, Disqualified Stock or Preferred Stock is issued to Refinance other Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency, and such refinancing would cause the applicable Dollar denominated (or the applicable growth component with respect to such Basket, if greater) restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (i) the principal amount of such Indebtedness, Disqualified Stock or Preferred Stock (as applicable) being refinanced *plus* (ii) the aggregate amount of accrued but unpaid interest, fees, underwriting discounts, defeasance costs, premiums (including tender premiums) and other costs and expenses (including OID, upfront fees or similar fees) incurred in connection with such refinancing.

The principal amount of any Indebtedness, Disqualified Stock or Preferred Stock incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness or Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such

refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date will be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP.

For purposes of determining compliance with this Section 7.02, if any Indebtedness is refinanced in reliance on a Basket measured by reference to a percentage of Adjusted EBITDA, and such refinancing would cause the percentage of Adjusted EBITDA to be exceeded if calculated based on the Adjusted EBITDA on the date of such refinancing, such percentage of Adjusted EBITDA will not be deemed to be exceeded to the extent the principal amount of such obligations secured by such newly incurred Indebtedness does not exceed the sum of (i) the principal amount of such Indebtedness being refinanced, *plus* (ii) the related costs incurred or payable in connection with such refinancing.

ARTICLE VIII

Events of Default and Remedies

Section 8.01 Events of Default. Each of the events referred to in clauses (1) through (11) of this Section 8.01 shall constitute an “Event of Default”:

(1) **Non-Payment.** The Borrower fails to pay (a) when and as required to be paid herein, any amount of principal of any Loan or (b) within five (5) Business Days after the same becomes due, any interest on any Loan or any other amount payable hereunder or with respect to any other Loan Document; or

(2) Specific Covenants. (a) The Borrower, any other Loan Party or, in the case of Section 7.09, Holdings, fails to perform or observe any term, covenant or agreement contained in any of Section 6.03(1) or 6.05(1) (solely with respect to the Borrower, other than in a transaction permitted under Section 7.03 or 7.04), Section 6.19 (during a Cash Dominion Period, but otherwise subject to a three (3) day grace period to the extent that such default is capable of being cured) or Article VII (other than Section 7.10), (b) the Borrower fails to deliver a Borrowing Base Certificate (after a five (5) Business Day grace period when required to be delivered monthly and three (3) Business Day grace period when required to be delivered weekly), (c) the Borrower makes a material inaccuracy in the calculation of the Borrowing Base included in any Borrowing Base Certificate (and the Borrower fails to correct such inaccuracy within three (3) Business Days following the delivery of any Borrowing Base Certificate to the extent that such inaccuracy is capable of being cured) or (d) the Borrower fails to perform or observe the covenant contained in Section 7.10; *provided* that in the case of this clause (d) an Event of Default shall not occur until the expiration of the Cure Deadline without the consummation of the Cure Right; or

(3) Other Defaults. Any Loan Party fails to perform or observe any other covenant or agreement (not specified in Section 8.01(1) or (2) above) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after receipt by the Borrower of written notice thereof from the Administrative Agent; or

(4) Representations and Warranties. Any representation, warranty, certification or statement of fact made or deemed made by the Borrower or any Subsidiary Guarantor herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be untrue in any material respect when made or deemed made; or

(5) Cross-Default and Cross-Acceleration. Any Loan Party or any Restricted Subsidiary (a) fails to make any payment beyond the applicable grace period, if any, whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise, in respect of any Indebtedness (other than Indebtedness hereunder) having an aggregate outstanding principal amount (individually or in the aggregate with all other Indebtedness as to which such a failure shall exist) of not less than the Threshold Amount, or (b) fails to observe or perform any other agreement or condition relating to any such Indebtedness referred to in the foregoing clause (a), or any other event occurs (other than, with respect to Indebtedness consisting of Hedging Obligations, termination events or equivalent events pursuant to the terms of such Hedging Obligations and not as a result of any default thereunder by the Borrower, or any Subsidiary Guarantor or any Restricted Subsidiary) with respect to such Indebtedness, the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity; *provided* that (A) such failure is unremedied and is not waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of the Loans pursuant to Section 8.02, (B) this clause (5)(b) shall not apply to any Indebtedness if the sole remedy of the holder thereof in the event of the non-payment of such Indebtedness or the non-payment or non-performance of obligations related thereto is to convert such Indebtedness into Equity Interests (other than Disqualified Stock) and cash in lieu of fractional shares and (C) this clause (5)(b) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness; or

(6) Insolvency Proceedings, etc. Holdings, the Borrower, any Loan Party or any Restricted Subsidiary that is a Significant Subsidiary institutes or consents to the institution of any proceeding under

any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(7) Judgments. There is entered against any Loan Party or any Restricted Subsidiary a final judgment and order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by independent third-party insurance as to which the insurer has been notified of such judgment or order and has not denied coverage thereof) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) calendar days; or

(8) ERISA. (a) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan, (ii) the Borrower or any Subsidiary Guarantor or any of their respective ERISA Affiliates fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its Withdrawal Liability under Section 4201 of ERISA under a Multiemployer Plan, or (b) with respect to a Foreign Plan a termination, withdrawal or noncompliance with applicable Law or plan terms, except, with respect to each of the foregoing clauses of this Section 8.01(8), as would not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect; or

(9) Invalidity of Loan Documents. Any material provision of the Loan Documents, taken as a whole, at any time after its execution and delivery and for any reason, other than (a) as expressly permitted by any Loan Documents (including as a result of a transaction permitted under Section 7.03 or 7.04), (b) as a result of acts or omissions by an Agent or any Lender or (c) due to the satisfaction in full of the Termination Conditions, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or any Loan Party denies in writing that it has any or further liability or obligation under the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or purports in writing to revoke or rescind the Loan Documents, taken as a whole, prior to the satisfaction of the Termination Conditions;

(10) Collateral Documents. Any Collateral Document with respect to a material portion of the Collateral after delivery thereof pursuant to Section 4.01, 6.11 or 6.13 for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction not prohibited under this Agreement) ceases to create, a valid and perfected Lien with the priority required by the Applicable Intercreditor Agreement (or other security purported to be created on the applicable Collateral) on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, except to the extent that any such loss of perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or results from the failure of the Administrative Agent or the Collateral Agent to maintain possession of Collateral actually delivered to it and pledged under the Collateral Documents or to file Uniform Commercial Code amendments relating to a Loan Party's change of name or jurisdiction of formation (solely to the extent that the Borrower provides the Collateral Agent written notice thereof in accordance with the Security Agreement, and the Collateral Agent and the Borrower have agreed that the Collateral Agent will be responsible for filing such amendments) and continuation statements or to take any other action primarily within its control with respect to the

Collateral and except as to Collateral consisting of real property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage; or

(11) Change of Control. There occurs any Change of Control.

Section 8.02 Remedies upon Event of Default. If any Event of Default occurs and is continuing (other than an Event of Default under Section 8.01(2)(d) unless the condition in the proviso contained therein has been satisfied), the Administrative Agent may with the consent of the Required Lenders and shall, at the request of the Required Lenders, take any or all of the following actions:

(1) declare the Commitments of each Lender to make Loans and any obligation of the Issuing Bank to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;

(2) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable under any Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(3) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law; and

(4) require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof)

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under Title 11 of the United States Code entitled "Bankruptcy," as now or hereafter in effect, or any successor thereto (the "**Bankruptcy Code**"), the obligation of each Lender to make Loans and any obligation of the Issuing Bank to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid will automatically become due and payable and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case, without further act of the Administrative Agent or any Lender.

Section 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 8.02), subject to the Applicable Intercreditor Agreement then in effect, any amounts received on account of the Obligations will be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent in its capacity as such (other than in connection with Secured Cash Management Obligations, Obligations in respect of Secured Hedge Agreements or Secured Bank Product Obligations);

Second, to pay interest due in respect of all Protective Advances until paid in full;

Third, to pay the principal of all Protective Advances until paid in full;

Fourth, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Lenders, ratably among them in proportion to the amounts described in this clause Fourth payable to them (other than in connection with Secured Cash Management Obligations, Obligations in respect of Secured Hedge Agreements or Secured Bank Product Obligations);

Fifth, to pay interest accrued in respect of the Swing Line Loans until paid in full;

Sixth, to pay the principal of all Swing Line Loans until paid in full;

Seventh, to pay interest accrued in respect of the Revolving Credit Loans (other than Protective Advances) until paid in full;

Eighth, ratably (i) to pay the principal of all Revolving Credit Loans (other than Protective Advances) until paid in full and (ii) to the Administrative Agent, to be held by the Administrative Agent, for the benefit of the Issuing Banks, as Cash Collateral in an amount up to 100% of the maximum drawable amount of any outstanding Letters of Credit;

Ninth, ratably to pay outstanding Secured Cash Management Obligations;

Tenth, ratably to pay outstanding Secured Bank Product Obligations and Secured Hedge Obligations;

Eleventh, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date, until paid in full; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 2.03(3), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Eighth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, to the Borrower.

Notwithstanding the foregoing, no amounts received from any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor.

Section 8.04 Right to Cure.

(1) Notwithstanding anything to the contrary contained in Section 8.01(2), in the event that the Borrower fails to comply with the requirement of the Financial Covenant, any of the Permitted Holders, Holdings or any other Person designated by the Borrower shall have the right (1) at any time during the period beginning at the start of the last fiscal quarter of the applicable Test Period and ending on or prior to the tenth (10th) Business Day after the date on which financial statements with respect to the Test Period in which such covenant is being measured are required to be delivered pursuant to

Section 6.01 or (2) within ten (10) Business Day after the beginning of a Covenant Trigger Period (such later date, the “**Cure Deadline**”), to make a direct or indirect equity investment in the Borrower in cash in the form of common Equity Interests (or other Qualified Equity Interests reasonably acceptable to the Administrative Agent) (the “**Cure Right**”), and upon the receipt by the Borrower of net cash proceeds pursuant to the exercise of the Cure Right (the “**Cure Amount**”), the Financial Covenant shall be recalculated, giving effect to a pro forma increase to Adjusted EBITDA for such Test Period in an amount equal to such Cure Amount; provided that such pro forma adjustment to Adjusted EBITDA shall be given solely for the purpose of determining the existence of a Default or an Event of Default under the Financial Covenant with respect to any Test Period that includes the fiscal quarter for which such Cure Right was exercised and not for any other purpose under any Loan Document.

(2) If, after the receipt of the Cure Amounts and the recalculations pursuant to clause (2) above, the Borrower shall then be in compliance with the requirements of the Financial Covenant during such Test Period, the Borrower shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default that had occurred shall be deemed cured; *provided that* (i) the Cure Right may be exercised on no more than five (5) occasions, (ii) in each four fiscal quarter period, there shall be at least two fiscal quarters in respect of which no Cure Right is exercised, (iii) with respect to any exercise of the Cure Right, the Cure Amount shall be no greater than the amount required to cause the Borrower to be in pro forma compliance with the Financial Covenant (such amount, the “**Necessary Cure Amount**”) (*provided that* if the Cure Right is exercised prior to the date financial statements are required to be delivered for such fiscal quarter then the Cure Amount shall be equal to the amount reasonably determined by the Borrower in good faith that is required for purposes of complying with the Financial Covenant for such fiscal quarter (such amount, the “**Expected Cure Amount**”)), (iv) subject to clause (3) below, all Cure Amounts shall be disregarded for purposes of determining any baskets or financial ratio calculations (other than with respect to the Financial Covenant), with respect to the covenants contained in the Loan Documents and (v) there shall be no pro forma or other reduction in Indebtedness (by netting or otherwise) with the proceeds of any Cure Amount for determining compliance with the Financial Covenant for the fiscal quarter for which such Cure Amount is deemed applied unless such proceeds are actually applied to prepay Indebtedness.

(3) Notwithstanding anything herein to the contrary, (A) to the extent that the Expected Cure Amount is (i) greater than the Necessary Cure Amount, then such difference may be used for the purposes of determining any baskets (other than any previously contributed Cure Amounts), with respect to the covenants contained in the Loan Documents and (ii) *less* than the Necessary Cure Amount, then not later than the applicable Cure Deadline, the Borrower must receive a direct or indirect equity investment in cash in the form of common Equity Interests (or other Qualified Equity Interests reasonably acceptable to the Administrative Agent), which cash proceeds received by Borrower shall be equal to the shortfall between such Expected Cure Amount and such Necessary Cure Amount and (B) prior to the Cure Deadline (x) the Lenders shall not be permitted to exercise any rights then available as a result of an Event of Default under Section 8.02 on the basis of a breach of the Financial Covenant so as to enable the Borrower to consummate its Cure Rights as permitted under this Section 8.04 and (y) the Lenders shall not be required to make any Credit Extension unless and until the Borrower has received the Cure Amount required to cause the Borrower to be in compliance with the Financial Covenant.

ARTICLE IX

Administrative Agent and Other Agents

Section 9.01 Appointment and Authorization of the Administrative Agent.

(1) Each Lender hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.09, 9.10, 9.11, 9.12 and 9.16) are solely for the benefit of the Administrative Agent, the Lenders and each Issuing Bank and the Borrower shall not have rights as a third-party beneficiary of any such provision.

(2) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a Revolving Credit Lender, Swing Line Lender (if applicable), Issuing Bank (if applicable) and as a potential Hedge Bank or Cash Management Bank) and the Issuing Banks hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender and Issuing Bank for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Applicable Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(3) The Administrative Agent agrees to furnish to each Lender, promptly after they become available, (i) copies of all Borrowing Base Certificates and financial statements required to be delivered by the Borrower hereunder; and (ii) copies of each Report. Upon reasonable request by any Lender, Administrative Agent agrees to use commercial reasonable efforts to furnish to such Lender copies of any other information or material delivered by the Loan Parties pursuant to the requirements of this Agreement or any other Loan Document.

Section 9.02 Rights as a Lender. Any Lender that is also serving as an Agent (including as Administrative Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Lender (if any) serving as an Agent hereunder in its individual capacity. Any such Person serving as an Agent and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent

or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Section 9.03 Exculpatory Provisions. The Administrative Agent, Collateral Agent and the Arrangers shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent) and an Arranger:

(1) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent or Arranger is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(2) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent or Arranger is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that no Agent or Arranger shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent or Arranger to liability or that is contrary to any Loan Document or applicable law;

(3) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent, Arranger or any of their Affiliates in any capacity; and

(4) shall not have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, to any Lender or any Issuing Bank, any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their Affiliates, that is communicated to, obtained or in the possession of, any Agent, any Arranger or any of their Related Persons in any capacity, except for notices, reports and other documents expressly required to be furnished to the Lenders by the Agents herein.

Neither the Administrative Agent nor any of its Related Persons shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final and non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower, a Lender or an Issuing Bank.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the

covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender or the holder of any Note; and nothing in this Agreement or in any other Loan Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein.

Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each Arranger is named as such for recognition purposes only, and in its capacity as such shall have no powers, duties, responsibilities or liabilities with respect to this Agreement or the other Loan Documents or the transactions contemplated hereby and thereby; it being understood and agreed that each Arranger shall be entitled to all indemnification and reimbursement rights in favor of the Administrative Agent as, and to the extent, provided for under Section 10.05. Without limitation of the foregoing, each Arranger shall not, solely by reason of this Agreement or any other Loan Documents, have any fiduciary relationship in respect of any Lender or any other Person.

Section 9.04 Lack of Reliance on the Administrative Agent. Each Lender and each Issuing Bank expressly acknowledges that none of the Agents nor any Arranger has made any representation or warranty to it, and that no act by any Agent or any Arranger hereafter taken, including any consent to, and acceptance of any assignment or review of the affairs of any Loan Party of any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent or any Arranger to any Lender or each Issuing Bank as to any matter, including whether any Agent or any Arranger have disclosed material information in their (or their Related Persons') possession. Independently and without reliance upon the Administrative Agent, each Lender and the holder of each Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of Holdings, the Borrower and the Restricted Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of Holdings, the Borrower and the Restricted Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower hereunder. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Agents, the Arrangers, any other Lender or any of their Related Persons and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties. Except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Administrative Agent shall not be responsible to any Lender or the holder of any Note for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectability, priority or sufficiency of this Agreement

or any other Loan Document or the financial condition of the Holdings, the Borrower or any of the Restricted Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Loan Document, or the financial condition of Holdings, the Borrower or any of the Restricted Subsidiaries or the existence or possible existence of any Default or Event of Default. Each Lender and each Issuing Bank represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender or Issuing Bank for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender or Issuing Bank, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender and each Issuing Bank agrees not to assert a claim in contravention of the foregoing. Each Lender and each Issuing Bank represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such Issuing Bank, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

Section 9.05 Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders (or such greater percentage of Lenders required) with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders (or such greater percentage of Lenders required); and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders (or such greater percentage of Lenders required).

Section 9.06 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate, telex, teletype or facsimile message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent. In determining compliance with any condition hereunder to the making of a Loan or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or issuances of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.07 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub agents appointed by the Administrative Agent. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall

apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 9.08 Indemnification. Whether or not the transactions contemplated hereby are consummated, to the extent the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in proportion to their respective “percentage” as used in determining the Required Lenders for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; *provided* that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent’s or any other Agent-Related Person’s gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.08 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower’s continuing reimbursement obligations with respect thereto, *provided further* that the failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.08 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

Section 9.09 The Administrative Agent in Its Individual Capacity. With respect to its obligation to make Loans under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a “Lender” and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term “Lender,” “Required Lenders” or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Loan Party or any Affiliate of any Loan Party (or any Person engaged in a similar business with any Loan Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Loan Party or any Affiliate of any Loan Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Section 9.10 Holders. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor.

Section 9.11 Resignation by the Administrative Agent. The Administrative Agent may resign from the performance of all its respective functions and duties hereunder or under the other Loan Documents at any time by giving 30 Business Days prior written notice to the Lenders and the Borrower. If the Administrative Agent is in material breach of its obligations hereunder as Administrative Agent, then the Administrative Agent may be removed as the Administrative Agent at the reasonable request of the Required Lenders. If the Administrative Agent is a Defaulting Lender, the Borrower may remove the Defaulting Lender from such role upon 15 days prior written notice to the Lenders. Such resignation or removal shall take effect upon the appointment of a successor Administrative Agent as provided below.

Upon any such notice of resignation by, or notice of removal of, the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a Lender reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (*provided* that the Borrower's approval shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing).

If a successor Administrative Agent shall not have been so appointed within such 30 Business Day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, *provided* that the Borrower's consent shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing), shall then appoint a Lender as successor Administrative Agent who shall serve as Administrative Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

If no successor Administrative Agent has been appointed pursuant to the foregoing by the 35th Business Day after the date such notice of resignation was given by the Administrative Agent or such notice of removal was given by the Required Lenders or the Borrower, as applicable, the Administrative Agent's resignation shall nonetheless become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above. The retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Banks under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender or Issuing Bank directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.11.

Upon the acceptance of a successor's appointment as Administrative Agent hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall

succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.11).

The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

Upon a resignation of the Administrative Agent pursuant to this Section 9.11, the Administrative Agent (i) shall continue to be subject to Section 10.09 and (ii) shall remain indemnified to the extent provided in this Agreement and the other Loan Documents and the provisions of this Article IX (and the analogous provisions of the other Loan Documents) shall continue in effect for the benefit of the Administrative Agent for all of its actions and inactions while serving as the Administrative Agent.

Section 9.12 Collateral Matters. Each Lender (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes and directs the Collateral Agent to take the actions to be taken by them as set forth in Section 7.04 and 10.24.

Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders (or such greater percentage of Lenders required) in accordance with the provisions of this Agreement or the Collateral Documents, and the exercise by the Required Lenders (or such greater percentage of Lenders required) of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, to take any action with respect to any Collateral or Collateral Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Collateral Documents.

Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 9.12. In each case as specified in this Section 9.12, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.12.

The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 9.12, Section 10.24 or in any of the Collateral Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it

may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

Section 9.13 [Reserved].

Section 9.14 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, any Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, any Issuing Bank and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, any Issuing Bank and the Administrative Agent under Sections 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and relevant Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

Section 9.15 Appointment of Supplemental Administrative Agents.

(1) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee,

co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a “**Supplemental Administrative Agent**” and collectively as “**Supplemental Administrative Agents**”).

(2) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent or such Supplemental Administrative Agent, as the context may require.

(3) Should any instrument in writing from any Loan Party be reasonably required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments reasonably acceptable to it promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

Section 9.16 Intercreditor Agreements. Notwithstanding anything to the contrary in this Agreement or in any other Loan Document: (a) the Liens granted to the Collateral Agent in favor of the Secured Parties pursuant to the Loan Documents and the exercise of any right related to any Collateral shall be subject, in each case, to the terms of the ABL Intercreditor Agreement or any other Applicable Intercreditor Agreement, (b) in the event of any conflict between the express terms and provisions of this Agreement or any other Loan Document, on the one hand, and of the ABL Intercreditor Agreement or any other Applicable Intercreditor Agreement, on the other hand, the terms and provisions of the ABL Intercreditor Agreement shall control, and (c) each Lender (and, by its acceptance of the benefits of any Collateral Document, each other Secured Party) hereunder authorizes and instructs the Administrative Agent and Collateral Agent to execute the ABL Intercreditor Agreement or any other Applicable Intercreditor Agreement on behalf of such Lender, and such Lender agrees to be bound by the terms thereof.

Section 9.17 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory

arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Section 9.18 Bank Product Providers. Each Bank Product Provider, by delivery of a notice to the Administrative Agent of a Bank Product, agrees to be bound by Section 8.03 and this Article IX. Each Bank Product Provider shall indemnify and hold harmless the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent), to the extent not reimbursed by the Borrower, against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against the Administrative Agent or such other Agent-Related Person in connection with such provider's Secured Bank Product Obligations.

Section 9.19 Withholding Tax. To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.18. The agreements in this Section 9.18 shall survive the resignation or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

Section 9.20 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance

company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

ARTICLE X

Miscellaneous

Section 10.01 Amendments, etc.

(1) Subject to Section 3.03(c) and except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than with respect to any amendment or waiver contemplated in clause (i) below, which shall only require the consent of the Required Facility Lenders under the applicable Facility or Facilities) (or by the Administrative Agent with the consent of the Required Lenders) and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and the Administrative Agent hereby agrees to acknowledge any such waiver, consent or amendment that otherwise satisfies the requirements of this Section 10.01 as promptly as possible, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.01 or Section 4.02 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments or Loans or the making of any Protective Advance shall not constitute an extension or increase of any Commitment of any Lender) (provided that any Lender, upon the request of the Borrower, may extend the maturity date of any of such Lender's Commitments without the consent of any other Lender, including the Required Lenders but any Lender that does not consent to such request shall not be deemed a Non-Extended Lender except in accordance with Section 2.16 hereof);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or 2.08 (other than pursuant to Section 2.08(2)) or any payment of fees or premiums hereunder or under any Loan Document with respect to payments to any Lender without the written consent of such Lender, it being understood that none of the following will constitute a postponement of any date scheduled for, or a reduction in the amount of, any payment of principal, interest, fees or premiums: the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans, Default, Event of Default or any condition precedent set forth in Section 4.01 or 4.02 (provided that any Lender, upon the request of the Borrower, may extend the maturity date of any of such Lender's Commitments without the consent of any other Lender, including the Required Lenders);

(c) reduce the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing (it being understood that a waiver of any condition precedent set forth in Section 4.02 or any Default, Event of Default or mandatory prepayment shall not constitute a reduction or forgiveness of principal), or (subject to clause (I) of the proviso immediately succeeding clause (k) of this Section 10.01(1)) any fees or other amounts payable hereunder or under any other Loan Document to any Lender without the written consent of such Lender; *provided* that only the consent of (A) the Required Lenders shall be necessary to amend the definition of "Default Rate" and (B) the Required Lenders will be necessary to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) except as contemplated by clause (C) in the second proviso immediately succeeding clause (k) of this Section 10.01(1), change any provision of this Section 10.01 or the definition of "Required Lenders" or "Supermajority Lenders" or any other provision, in each case, specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender;

(e) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; or

(f) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the aggregate value of the Guaranty, without the written consent of each Lender;

(g) amend the provisions of Section 2.13 or 8.03 of this Agreement or any analogous provision of any other Loan Document, in a manner that would by its terms alter the pro rata sharing of payments required thereby or the relative priorities of such payments, without the prior written consent of each Lender;

(h) change the priority of the ABL Priority Collateral or the definition of "ABL Priority Collateral" in the ABL Intercreditor Agreement to any priority subordinated to such initial priority without the written consent of each Lender (other than a Defaulting Lender) except as expressly provided in the Loan Documents; or

(i) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding and the rate of interest applicable thereto) which directly affects Lenders of one Facility and does not directly affect Lenders under any other Facility, in each case, without the written consent of the Required Facility Lenders under such applicable Facility;

(j) change the definition of the term “Borrowing Base” or any component definition thereof, but excluding an increase in the percentage advance rates, the amendment or modifications of which shall be subject to clause (k) below, if as a result thereof the amounts available to be borrowed by the Borrower would be increased, without the written consent of the Supermajority Lenders, provided that the foregoing shall not limit the discretion of the Administrative Agent’s ability to change, establish or eliminate any Reserves as determined in its Permitted Discretion without the consent of any Lenders; or

(k) increase percentage advance rates set forth in the definition of “Borrowing Base”, without the written consent of each Lender; provided that the foregoing shall not limit the ability of the Administrative Agent to change, establish or eliminate any Reserves without the consent of any Lenders;

provided that:

(I) no amendment, waiver or consent shall, unless in writing and signed by each Issuing Bank in addition to the Lenders required above, materially affect the rights or duties of an Issuing Bank under this Agreement or any L/C Application related to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, materially affect the rights or duties of the Swing Line Lender under this Agreement, (iii) no amendment, waiver or consent shall, unless in writing and signed by (x) the Administrative Agent but not the Lenders, affect any fees or other amounts payable to the Administrative Agent under this Agreement or any other Loan Document, or (y) the Administrative Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document;

(II) the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any changes necessary or advisable to be made in connection with any FILO Tranche, Revolving Credit Commitment Increases or Extended Revolving Credit Commitments to effect the provisions of Section 2.14 or 2.16 (it being understood that, to the extent that any financial maintenance covenant is added for the benefit of any FILO Tranche, no consent shall be required by the Administrative Agent or any of the Lenders if such financial maintenance covenant is also added for the benefit of any corresponding Revolving Credit Loans remaining outstanding after the issuance or incurrence of any such FILO Tranche in connection therewith); and

(III) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification;

provided further that notwithstanding the foregoing:

(A) no Defaulting Lender shall have any right to approve or disapprove of any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders, the Required Facility Lenders, the Required Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders, except that the Revolving Credit Commitment of any Defaulting Lender may not be increased or extended without the consent of such Defaulting Lender) (it being understood that any Commitments or Loans

held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders);

(B) no Lender consent is required to effect any amendment or supplement to any Applicable Intercreditor Agreement (i) that is for the purpose of adding the holders of Permitted Indebtedness that is secured Indebtedness (or a Debt Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of such Applicable Intercreditor Agreement, as applicable (it being understood that any such amendment, modification or supplement may make such other changes to the applicable Applicable Intercreditor Agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and provided that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any Applicable Intercreditor Agreement, provided that such other changes are not adverse, in any material respect, to the interests of the Lenders; *provided further* that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable;

(C) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Revolving Credit Loans, the Swing Line Loans and the L/C Obligations and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders; *provided* that, after giving effect to such new credit facilities (and each incurrence of Indebtedness thereunder), in no event shall the total Revolving Credit Exposure (plus any such Indebtedness under a new facility permitted under this subsection (C)) exceed the Maximum Borrowing Amount (subject to the Administrative Agent's authority, in its sole discretion, to make Overadvances under Section 2.01(b) or Protective Advances under Section 2.01(c));

(D) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 10.01 if such Class of Lenders were the only Class of Lenders hereunder at the time;

(E) Without limiting the scope of Section 10.01(3) below, any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency (including amendments, supplements or waivers to any of the Collateral Documents, guarantees, intercreditor agreements or related documents executed by any Loan Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order to cause such Collateral Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Loan Documents) so long as, in each case, the Lenders

shall have received at least 5 Business Days' prior written notice thereof and the Administrative Agent shall not have received, within 5 Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; *provided* that the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any such changes necessary to be made in connection with any borrowing of Incremental Revolving Credit Loans, any Extension and otherwise to effect the provisions of Section 2.14 or 2.16 or the immediately succeeding paragraph of this Section 10.01, respectively;

(F) the Borrower and the Administrative Agent may, without the input or consent of the other Lenders, effect changes to any Security Document as may be necessary or appropriate in the opinion of the Collateral Agent.

(2) [Reserved].

(3) In addition, notwithstanding anything to the contrary in this Section 10.01,

(a) In addition to the amendments permitted under Section 10.01(I)(E) above, the Guaranty, the Collateral Documents and related documents executed by Holdings, the Borrower or any Restricted Subsidiaries in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause the Guaranty, Collateral Documents or other document to be consistent with this Agreement and the other Loan Documents (including by adding additional parties as contemplated herein or therein); provided that notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective; and

(b) if the Administrative Agent and the Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective.

Section 10.02 Notices and Other Communications; Facsimile Copies.

(1) General. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to Holdings, the Borrower or the Administrative Agent, an Issuing Bank and the Swing Line Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next succeeding Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (2) below shall be effective as provided in such subsection (2).

(2) Electronic Communication. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

(3) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next succeeding Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(4) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons or any Arranger (collectively, the "**Agent Parties**") have any liability to Holdings, the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(5) Change of Address. Each Loan Party and the Administrative Agent may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(6) Reliance by the Administrative Agent. The Administrative Agent, the Issuing Bank and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent or the Issuing Bank may be recorded by the Administrative Agent or the Issuing Bank, as applicable, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies. No failure by any Lender, the Issuing Bank or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; *provided, however*, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Issuing Bank or Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as Issuing Bank or Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.10 (subject to the terms of Section 2.13), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided further* that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the

Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04 Costs and Expenses. The Borrower agrees (a) to pay or reimburse the Administrative Agent and the Arrangers for all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent and the Arrangers (promptly following a written demand therefor, together with backup documentation supporting such reimbursement request) incurred in connection with the preparation, negotiation, syndication, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of Morgan, Lewis & Bockius LLP and, if necessary, a single local counsel in each relevant material jurisdiction, and (b) upon presentation of a summary statement, together with any supporting documentation reasonably requested by the Borrower, to pay or reimburse the Administrative Agent, each Issuing Bank, the Swing Line Lender and the other Lenders, taken as a whole, promptly following a written demand therefor for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole (and, if necessary, one local counsel in any relevant material jurisdiction and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Lenders similarly situated taken as a whole)). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail.

Section 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Agents, each Issuing Bank, the Swing Line Lender, each other Lender, the Arrangers and their respective Related Persons (collectively, the “**Indemnitees**”) from and against any and all losses, claims, damages, liabilities or expenses (including Attorney Costs and Environmental Liabilities) to which any such Indemnitee may become subject arising out of, resulting from or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) any (i) actual or threatened claim, litigation, investigation, proceeding or Environmental Liabilities relating to the Closing Date Transactions or (ii) to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents, the Loans or the use, or proposed use of the proceeds therefrom, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, litigation, investigation or proceeding), and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the “**Indemnified Liabilities**”); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees

other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under any Loan Document and other than any claims arising out of any act or omission of the Borrower or any of their Affiliates (as determined by a final, non-appealable judgment of a court of competent jurisdiction). To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that they are permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through SyndTrak or other similar information transmission systems in connection with this Agreement (except to the extent such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnitee), nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party for which such Indemnitee is otherwise entitled to indemnification pursuant to this Section 10.05). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within twenty (20) Business Days after written demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply to Taxes, except any Taxes that represent losses or damages arising from any non-Tax claim. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return promptly any and all amounts paid by the Borrower under this Section 10.05 to such Indemnitee for any such fees, expenses or damages to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

Section 10.06 Marshaling; Payments Set Aside. None of the Administrative Agent or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Holdings nor the Borrower may, except as permitted by Section 7.03, assign or otherwise transfer any of

its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder (including to existing Lenders and their Affiliates) except (i) to an Eligible Assignee, (ii) by way of participation in accordance with the provisions of Section 10.07(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f), or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto (other than the replacement of the Administrative Agent pursuant to Article IX above) shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, Indemnitees and Related Persons of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to (v) any Lender or any of its Affiliates (of similar credit worthiness), (w) any bank, insurance company, or company engaged in the business of making commercial loans, which Person, together with its Affiliates, has a combined capital and surplus in excess of \$250.0 million, (x) an Approved Fund and (y) any Person to whom a Lender assigns its rights and obligations under this Agreement as part of an assignment and transfer of such Lender's rights in and to a material portion of such Credit Party's portfolio of asset based credit facilities, in each case, all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$5.0 million, unless either (x) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund or (y) each of the Administrative Agent and the Borrower otherwise consents; *provided, however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 10.07(b)(i)(B) and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing at the time of such assignment determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if a "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date or (2) in respect of an assignment of all or a portion of the Loans, such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; *provided* that the Borrower shall be deemed to have consented to any assignment unless it shall have objected thereto by written notice to the Administrative Agent within 10 Business Days after having received notice of a failure to respond to such request for assignment;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund with respect to a Lender; *provided* that no consent of the Administrative Agent shall be required for an assignment of all or a portion of the Loans pursuant to Section 10.07(g);

(C) the consent of each Issuing Bank (such consent not to be unreasonably withheld or delayed) shall be required at the time of such assignment; *provided* that no consent of the Issuing Banks shall be required for any assignment not related to Revolving Credit Commitments or Revolving Credit Exposure or any assignment to an Agent or an Affiliate of an Agent; and

(D) the consent of the Swing Line Lender (such consent not to be unreasonably withheld or delayed) shall be required; *provided* that no consent of a Swing Line Lender shall be required for any assignment not related to Revolving Credit Commitments or Revolving Credit Exposure or any assignment to an Agent or an Affiliate of an Agent.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent). The Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire. Each assignee Lender shall be required to represent in the Assignment and Assumption that it is not a Disqualified Institution or an Affiliate of a Disqualified Institution.

(v) No Assignments to Certain Persons. No such assignment shall be made (A) to Holdings, the Borrower or any of its Subsidiaries, (B) to any Affiliate of the Borrower, (C) to a natural person or (D) to any Disqualified Institution.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable

assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs. Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section 10.07, from and after the effective date specified in each Assignment and Assumption, (x) the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (y) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment), but shall in any event continue to be subject to Section 10.09. Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it, each notice of cancellation of any Loans delivered by the Borrower pursuant to subsections (h) or (l) below, and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to its own Loans, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(3) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, the Borrower or any Affiliate or Subsidiary of the Borrower or a Disqualified Institution) (each, a "**Participant**") in all or a portion of such Lender's rights or obligations under this Agreement (including all or a portion of its Commitment or the Loans (including such Lender's participations in L/C Obligations or Swing Line Loans owing to it)); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or

any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (other than clauses (d) and (i) thereof) that directly affects such Participant. Subject to subsection (e) of this Section 10.07, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements of Section 3.01 (including subsections (2), (3) and (4), as applicable as though it were a Lender)), 3.04 and 3.05 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 10.07. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.10 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent or such entitlement to a greater payment results from a Change in Law after the sale of the participation takes place. Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender and the Borrower shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; *provided* that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or other obligations under any Loan Document) to any Person except to the extent such disclosure is necessary to establish that any such commitments, loans, letters of credit or other obligations are in registered form for U.S. federal income tax purposes. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the

approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(m) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(n) Notwithstanding the foregoing, no Disqualified Institution that purports to become a Lender hereunder (notwithstanding the provisions of this Agreement that prohibit Disqualified Institutions from becoming Lenders) shall be entitled to any of the rights or privileges enjoyed by the other Lenders with respect to voting, information and lender meetings. In addition, if any assignment or participation is made to any Disqualified Institution without the Borrower's express prior written consent (which consent shall state expressly that the Borrower acknowledges that the assignee Lender is a Disqualified Institution) in violation of clause (v) of Section 10.07(b), the Borrower may, in addition to any other rights and remedies that it may have against such Disqualified Institution, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) in the case of outstanding Revolving Credit Loans held by Disqualified Institutions, purchase or prepay such Revolving Credit Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such Revolving Credit Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the

restrictions contained in Section 10.07), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(o) The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans or Commitments, or disclosure of confidential information, to any Disqualified Institution.

Section 10.08 [Reserved].

Section 10.09 Confidentiality. Each of the Agents, the Arrangers, the Lenders and each Issuing Bank agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, legal counsel, independent auditors, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, with such Affiliate being responsible for such Person's compliance with this Section 10.09; *provided, however*, that such Agent, Arranger, Lender or Issuing Bank, as applicable, shall be principally liable to the extent this Section 10.09 is violated by one or more of its Affiliates or any of its or their respective employees, directors or officers), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); *provided, however*, that each Agent, each Arranger, each Lender and each Issuing Bank agrees to seek confidential treatment with respect to any such disclosure, (c) to the extent required by applicable laws or regulations or by any subpoena or otherwise as required by applicable Law or regulation or as requested by a governmental authority; *provided* that such Agent, such Arranger, such Lender or such Issuing Bank, as applicable, agrees (x) that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (except in connection with any request as part of any audit or regulatory examination) unless such notification is prohibited by law, rule or regulation and (y) to seek confidential treatment with respect to any such disclosure, (d) to any other party hereto, (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.09, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee (or its agent) invited to be an Additional Lender or (ii) with the prior consent of the Borrower, any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower or any of their Subsidiaries or any of their respective obligations; *provided* that such disclosure shall be made subject to the acknowledgment and acceptance by such prospective Lender, Participant or Eligible Assignee that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to the Borrower, the Agents and the Arrangers, including as set forth in any confidential information memorandum or other marketing materials) in accordance with the standard syndication process of the Agents and the Arrangers or market standards for dissemination of such type of information which shall in any event require "click through" or other affirmative action on the part of the recipient to access such confidential information, (f) for purposes of establishing a "due diligence" defense, (g) with the consent of the Borrower, (h) to the extent such Information (x) becomes publicly available other than as a result of a breach by any Person of this Section 10.09 or any other confidentiality

provision in favor of any Loan Party, (y) becomes available to any Agent, any Arranger, any Lender, any Issuing Bank or any of their respective Affiliates on a non-confidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent, such Lender, such Issuing Bank or the applicable Affiliate to be subject to a confidentiality restriction in respect thereof in favor of Holdings, the Borrower or any Affiliate of the Borrower or (z) is independently developed by the Agents, the Lenders, the Issuing Banks, the Arrangers or their respective Affiliates, in each case, so long as not based on information obtained in a manner that would otherwise violate this Section 10.09 or (i) in order to enforce its respective rights under any Loan Document in any action or proceeding.

For purposes of this Section 10.09, “**Information**” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary or Affiliate thereof or their respective businesses, other than any such information that is available to any Agent, any Lender or any Issuing Bank on a non-confidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that all information received from Holdings, the Borrower or any Subsidiary or Affiliate thereof after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 10.09 shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent, each Arranger, each Lender and each Issuing Bank acknowledges that (a) the Information may include trade secrets, protected confidential information, or material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of such information and (c) it will handle such information in accordance with applicable Law, including United States Federal and state securities Laws and to preserve its trade secret or confidential character.

The respective obligations of the Agents, the Arrangers, the Lenders and any Issuing Bank under this Section 10.09 shall survive, to the extent applicable to such Person, (x) the payment in full of the Obligations and the termination of this Agreement, (y) any assignment of its rights and obligations under this Agreement and (z) the resignation or removal of any Agent.

Section 10.10 Setoff.

If an Event of Default shall have occurred and be continuing, each Lender, each Issuing Bank and each of their respective Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of any Loan Party against any and all of the obligations of such Loan Party then due and payable under this Agreement or any other Loan Document to such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank or any such Affiliate shall have made any demand under this Agreement or any other Loan Document; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, each Issuing

Bank and each of their respective Affiliates under this Section 10.10 are in addition to other rights and remedies (including other rights of setoff) that such Lender, such Issuing Bank or their respective Affiliates may have. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 10.11 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.12 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 10.13 Electronic Execution of Assignments and Certain Other Documents.

(a) The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

(b) This Agreement and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement (each a “**Communication**”), including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Loan Parties agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on each of the Loan Parties to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation each of the Loan

Parties enforceable against such in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Administrative Agent and each of the Credit Parties of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Credit Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record (“**Electronic Copy**”), which shall be deemed created in the ordinary course of the such Person’s business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent and each of the Credit Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Loan Party without further verification and (b) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, “Electronic Record” and “Electronic Signature” shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

Section 10.14 Survival of Representations and Warranties. Subject to Section 1.02(9), all representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

Section 10.15 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.16 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

(b) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF

EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY COLLATERAL DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION 10.16. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

Section 10.17 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.17.

Section 10.18 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, Holdings and the Administrative Agent and the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent and each Lender and their respective successors and assigns.

Section 10.19 Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party under any of the

Loan Documents or the Secured Hedge Agreements (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent. Such consent shall remain effective until revoked by such Loan Party in writing to the Administrative Agent and the Arrangers.

Section 10.21 USA PATRIOT Act and other Anti-Terrorism Laws. Each Lender that is subject to the USA PATRIOT Act and other Anti-Terrorism Laws and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act and other Anti-Terrorism Laws, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act and other Anti-Terrorism Laws. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including and the Beneficial Ownership Regulation, the USA PATRIOT Act and other Anti-Terrorism Laws.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Agents, the Arrangers and the Lenders are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agents, the Arrangers and the Lenders, on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent, Arranger and Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents, the Arrangers nor any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Agents, the Arrangers nor any Lender has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the

Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.24 Release of Collateral and Guarantee Obligations; Subordination of Liens.

(a) The Lenders and the Issuing Banks hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall be automatically released (i) in full, as set forth in clause (b) below, (ii) upon the sale or other transfer of such Collateral (including as part of or in connection with any other sale or other transfer permitted hereunder) to any Person other than another Loan Party, to the extent such sale, transfer or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Loan Party by a Person that is not a Loan Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 10.01), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guaranty (in accordance with the second succeeding sentence), (vi) as required by the Collateral Agent to effect any sale, transfer or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Collateral Documents and (vii) to the extent such Collateral otherwise becomes Excluded Assets. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents. Additionally, the Lenders and the Issuing Banks hereby irrevocably agree that the Guarantors shall be released from the Guaranties upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary, or otherwise becoming an Excluded Subsidiary, provided that after giving effect to any such release, no Overadvance shall exist or result therefrom. The Lenders and the Issuing Banks hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender or Issuing Bank. Any representation, warranty or covenant contained in any Loan Document relating to any such released Collateral or Guarantor shall no longer be deemed to be repeated.

letter of credit reasonably satisfactory to the applicable Issuing Bank or deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Permitted Lien specified in clause (7) of the definition thereof securing obligations in respect of Indebtedness, Disqualified Stock or Preferred Stock permitted to be incurred pursuant to clause (4) of Section 7.02(b) in any Collateral, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to subordinate the Lien on any Collateral to any such Permitted Lien to be senior to the Liens in favor of the Collateral Agent.

(d) Notwithstanding the foregoing or anything in the Loan Documents to the contrary, at the direction of the Required Lenders, the Administrative Agent may, in exercising remedies, take any and all necessary and appropriate action to effectuate a credit bid of all Loans (or any lesser amount thereof) for the Borrower's assets in a bankruptcy, foreclosure or other similar proceeding, forbear from exercising remedies upon an Event of Default, or in a bankruptcy proceeding, enter into a settlement agreement on behalf of all Lenders.

Section 10.25 Assumption and Acknowledgment. On the Closing Date, Belk assumed all of Initial Borrower's rights, title, interests, duties, liabilities and obligations (including the Obligations) under the Loan Documents as the "Borrower" hereunder (collectively, the "**Assumption**"), including, any claims, liabilities, or obligations arising from Initial Borrower's failure to perform any of its covenants, agreements, commitments or obligations under the Loan Documents to be performed prior to the date of the Assumption.

Section 10.26 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "**Judgment Currency**") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "**Agreement Currency**"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

Section 10.27 Secured Bank Product Agreements, Secured Cash Management Agreements and Secured Hedge Agreements.

Except as otherwise expressly set forth herein or in any Guarantee or any Collateral Document, no party to any Secured Bank Product Agreement, Secured Cash Management Agreement or Secured Hedge Agreement that obtains the benefits of any Guarantee or any Collateral by virtue of the provisions hereof or of any Guarantee or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article X to the contrary, the Collateral Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Bank Product Agreements, Secured Cash Management Agreements or Secured Hedge Agreements unless the Administrative Agent has received written notice of such Secured Bank Product Agreement, Secured Cash Management Agreement or Secured Hedge Agreement, together with such supporting documentation as the Administrative Agent may request, from the applicable Agent, Lender or Affiliate of an Agent or Lender party thereto.

Section 10.28 Acknowledgement and Consent to Bail-In of Affected Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or an Issuing Bank that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or any Issuing Bank that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 10.29 Acknowledgement Regarding Any Supported QFCs.

To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**” and each such QFC a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act

and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.

6.7. Amendment, Modification and Waiver. This Agreement may not be amended, modified or waived except in accordance with the Amended Credit Agreement. The execution, delivery and effectiveness of this Agreement shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents.

(2) For purposes of calculating any financial ratio or test (or Total Assets), Specified Transactions (and, subject to clause (4) below, the incurrence or repayment of any Indebtedness in connection therewith) that have been made (a) during the applicable Test Period or (b) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Adjusted EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Total Assets, on the last day of the applicable Test Period). If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any Restricted Subsidiary since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.07, then such financial ratio or test (or Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.07 as if such Specified Transaction had occurred at the beginning of the most recently ended Test Period.

(3) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a Financial Officer of the Borrower and may include, for the avoidance of doubt, the amount of “run-rate” cost savings, synergies and operating expense reductions resulting from or related to any such Specified Transaction (including the Closing Date Transactions) which is being given *pro forma* effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than eighteen (18) months after the date of any such Specified Transaction (calculated on a *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period and “run-rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target’s compliance costs with public company requirements) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial *pro forma* calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction; *provided that* (a) such amounts are (i) reasonably identifiable and projected in the good faith judgment of the Borrower to result from such actions and (ii) such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than eighteen (18) months after the date of such Specified Transaction, (b) no amounts shall be added to the extent duplicative of any amounts that are otherwise added back in computing Adjusted EBITDA (or any other components thereof), whether through a *pro forma* adjustment or otherwise, with respect to such period; *provided that* amounts added back shall not exceed 10% of Adjusted EBITDA for such period calculated after giving effect to the add-backs and being calculated on a *pro forma* basis and (c) added back pursuant to this clause (3), together with the amounts added back pursuant to clauses (k) and (l) of

the definition of Adjusted EBITDA, and together with any Projected Restructuring Adjustments referred to in the proviso of clause (n) of the definition of Adjusted EBITDA, shall not exceed, 10% of Adjusted EBITDA for such period calculated after giving effect to the add-backs set forth in clauses (k) and (l), such Projected Restructuring Adjustments, and the adjustments made in accordance with Section 1.07(3) and being calculated on a pro forma basis.

(4) In the event that (a) the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees), issues or repays (including by redemption, repurchase, repayment, retirement or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility or line of credit unless such Indebtedness has been permanently repaid and not replaced), (b) the Borrower or any Restricted Subsidiary issues, repurchases or redeems Disqualified Stock, (c) any Restricted Subsidiary issues, repurchases or redeems Preferred Stock or (d) the Borrower or any Restricted Subsidiary establishes or eliminates any Designated Revolving Commitments, in each case included in the calculations of any financial ratio or test, (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect to such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the First Lien Net Leverage Ratio, the Fixed Charge Coverage Ratio, the Senior Secured Leverage Ratio, the satisfaction of the Payment Conditions or the Total Net Leverage Ratio (or similar ratio), in which case such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case will be given effect, as if the same had occurred on the first day of the applicable Test Period) and, in the case of Indebtedness for all purposes as if such Indebtedness in the full amount of any undrawn Designated Revolving Commitments had been incurred thereunder throughout such period in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period.

(5) If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the First Lien Net Leverage Ratio, the Fixed Charge Coverage Ratio, the Senior Secured Leverage Ratio, the satisfaction of the Payment Conditions, the Total Net Leverage Ratio and/or Total Rent Adjusted Leverage Ratio, is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or applicable Restricted Subsidiary may designate.

(6) Notwithstanding anything to the contrary in this Section 1.07 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into, no *pro forma* effect shall be given to any discontinued operations (and the Adjusted EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(7) Any determination of Total Assets shall be made by reference to the last day of the Test Period most recently ended for which financial statements of the Borrower have been delivered pursuant to Section 6.01(3), on or prior to the relevant date of determination.

(8) Notwithstanding anything in this Agreement or any Loan Document to the contrary, when (a) calculating any applicable ratio, the satisfaction of the Payment Conditions solely as it relates to a Permitted Acquisition, Consolidated Net Income or Adjusted EBITDA in connection with incurrence of Indebtedness, the creation of Liens, the making of any Asset Sale, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as restricted or unrestricted or the repayment of Indebtedness or otherwise testing availability under any Basket, (b) determining compliance with any provision of this Agreement which requires that no Default, Event of Default or Specified Event of Default has occurred, is continuing or would result therefrom, (c) determining compliance with any provision of this Agreement which requires compliance with any representations and warranties set forth herein or (d) the satisfaction of all other conditions precedent to the incurrence with of Indebtedness, the creation of Liens, the making of any disposition, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as restricted or unrestricted or the repayment of Indebtedness, in each case in connection with a Limited Condition Acquisition, the date of determination of such ratio or other provisions, determination of whether any Default, Event of Default or Specified Event of Default has occurred, is continuing or would result therefrom, determination of compliance with any representations or warranties or the satisfaction of any other conditions shall, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "**LCA Election**"), be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the "**LCA Test Date**"). If on a *pro forma* basis after giving effect to such Limited Condition Acquisition and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) such ratios and other provisions are calculated as if such Limited Condition Acquisition or other transactions had occurred at the beginning of the most recent Test Period ending prior to the LCA Test Date for which financial statements of the Borrower have been delivered pursuant to Section 6.01(3), the Borrower could have taken such action on the relevant LCA Test Date in compliance with the applicable ratios or other provisions, such provisions shall be deemed to have been complied with. For the avoidance of doubt, (i) if any of such ratios or other provisions are exceeded or breached as a result of fluctuations in such ratio (including due to fluctuations in Adjusted EBITDA or other components of such ratio) or other provisions at or prior to the consummation of the relevant Limited Condition Acquisition, such ratios and other provisions will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Acquisition is permitted hereunder and (ii) such ratios and compliance with such conditions shall not be tested at the time of consummation of such Limited Condition Acquisition or related Specified Transactions. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or Basket availability with respect to any other Specified Transaction on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or Basket shall be calculated on a *pro forma basis* assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) had been consummated on the LCA Test Date except that (other than solely with respect to the incurrence test under which such Limited Condition Acquisition is being made) Adjusted EBITDA, assets and Consolidated Net Income of any target of such Limited Condition Acquisition can only be used in the determination of the relevant ratios and Baskets if and when such acquisition has closed. Notwithstanding anything in this Agreement or any Loan Document to the contrary, if the Borrower or its Restricted Subsidiaries (x) incurs Indebtedness, creates Liens, makes Asset Sales, makes Investments, makes Restricted Payments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness in connection with any Limited Condition Acquisition under a ratio-based Basket and (y) incurs Indebtedness, creates Liens, makes Asset Sales, Investments or Restricted Payments, designates any Subsidiary as restricted or unrestricted or repays any Indebtedness in connection with such Limited Condition Acquisition under a non-ratio-based Basket (which shall occur within five Business Days of

the events in clause (x) above), then the applicable ratio will be calculated with respect to any such action under the applicable ratio-based Basket without regard to any such action under such non-ratio-based Basket made in connection with such Limited Condition Acquisition.

Notwithstanding the foregoing, the Limited Condition Acquisition provisions set forth above shall not apply in respect of any incurrence of any Loans the proceeds of which will be used to finance such Limited Condition Acquisition (other than Loans in respect of a FILO Tranche); *provided that*, if the Borrower has made an LCA Election with respect to an agreed acquisition transaction, then during the period following the execution and delivery of the definitive documentation with respect to such transaction and prior to the consummation thereof, any determination of the compliance with the Payment Conditions shall be made giving full pro forma effect to such agreed acquisition transaction.

(9) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (including, without limitation, pro forma compliance with any First Lien Net Leverage Ratio test, any Total Net Leverage Ratio test, any Fixed Charge Coverage Ratio test, any Senior Secured Leverage Ratio test, and/or any other financial ratio or test) (any such amounts, the “**Fixed Amounts**”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with any such financial ratio or test (any such amounts, the “**Incurrence Based Amounts**”), it is understood and agreed that the Fixed Amounts (and any cash proceeds thereof) shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence Based Amounts in connection with such substantially concurrent incurrence.

Section 1.08 Divisions. Any reference herein to a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of a limited liability company (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company shall constitute a separate Person hereunder (and each division of any limited liability company that is a Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

Section 1.09 Guaranties of Hedging Obligations. Notwithstanding anything else to the contrary in any Loan Document, no non-Qualified ECP Guarantor shall be required to guarantee or provide security for Excluded Swap Obligations, and any reference in any Loan Document with respect to such non-Qualified ECP Guarantor guaranteeing or providing security for the Obligations shall be deemed to be all Obligations other than the Excluded Swap Obligations.

Section 1.10 Currency Generally.

(1) The Borrower shall determine in good faith the dollar amount of any utilization or other measurement denominated in a currency other than Dollars for purposes of compliance with any Basket. For purposes of determining compliance with any Basket under Article VII or VIII with respect to any amount expressed in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Basket utilization occurs or other Basket measurement is made (so long as such Basket utilization or other measurement, at the time incurred, made or acquired, was permitted hereunder). Except with respect to any ratio calculated under any Basket, any subsequent change in rates of currency exchange with respect to any prior utilization or other measurement of a Basket previously made in reliance on such Basket (as the same may have been

reallocated in accordance with this Agreement) shall be disregarded for purposes of determining any unutilized portion under such Basket.

(2) For purposes of determining the First Lien Net Leverage Ratio, the Fixed Charge Coverage Ratio, the Senior Secured Leverage Ratio, the Total Net Leverage Ratio and/or the Total Rent Adjusted Leverage Ratio, the amount of Indebtedness and cash and Cash Equivalents shall reflect the currency translation effects, determined in accordance with GAAP, of Hedging Obligations permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

(3) For purposes of determining compliance under any Basket under Article VII or VIII, any amount in a currency other than Dollars will be converted to Dollars in a manner consistent with that used in calculating net income in the Borrower's annual financial statements delivered pursuant to Section 6.01(1); provided, however, that the foregoing shall not be deemed to apply to the determination of any amount of Indebtedness. For purposes of determining compliance with any restriction on the incurrence of Indebtedness, the Dollar equivalent of the principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased.

Section 1.11 Letters of Credit. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the amount of the stated amount of such Letter of Credit in effect at such time after giving effect to any automatic reductions to such stated amount pursuant to the terms of the applicable Letter of Credit after the occurrence of any applicable condition (including the expiration of any applicable period); *provided, however*, that with respect to any Letter of Credit that, by its terms or the terms of any Issuing Bank Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the amount of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

Section 1.12 Interest Rates. ~~The~~Neither the Administrative Agent ~~does not warrant, nor accept any Lender warrants, nor accepts~~ responsibility, nor shall the Agent or any Lender have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "Eurodollar Rate" or with respect to any rate that is an alternative or replacement for or successor to any of such rate (including, without limitation, any LIBOR Successor Rate) or the effect of any of the foregoing, or of any LIBOR Successor Rate Conforming Changes.

ARTICLE II

The Commitments and Borrowings

Section 2.01 The Loans. (a) Subject to the terms and conditions set forth herein, each Revolving Credit Lender severally agrees to make loans denominated in Dollars pursuant to Section 2.02 from its applicable Lending Office (each such loan, a "**Revolving Credit Loan**") to the Borrower from

time to time, on any Business Day during the period from the Closing Date until the Revolving Credit Termination Date in an aggregate principal amount that will not result in (i) such Revolving Credit Lender's Revolving Exposure exceeding such Revolving Credit Lender's Revolving Credit Commitment or (ii) the total Revolving Credit Exposure exceeding the Maximum Borrowing Amount (subject to the Administrative Agent's authority, in its sole discretion, to make Overadvances under Section 2.01(b) or Protective Advances under Section 2.01(c)). Within the limits of each Lender's Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01(2), prepay under Section 2.05 and reborrow under this Section 2.01(2). Revolving Credit Loans may be Base Rate Loans, Eurodollar Rate Loans, as further provided herein.

(b) Overadvances. The Borrower may request and the Administrative Agent or Required Lenders may be willing in their sole discretion to make Revolving Credit Loans to the Borrower at a time when the Total Outstanding exceeds, or would exceed with the making of any such Revolving Credit Loan, the Borrowing Base (any such Loan being herein referred to individually as an **"Overadvance"**), the Administrative Agent will enter such Overadvances as debits in the applicable Loan account. All Overadvances will be repaid on demand, will be secured by the Collateral and will bear interest as provided in this Agreement for Revolving Credit Loans generally. Any Overadvance made pursuant to the terms hereof will be made to the Borrower by all Lenders ratably in accordance with their respective Revolving Credit Facility Percentages. Overadvances in the aggregate amount of \$10.0 million or less may, unless a Default or Event of Default has occurred and is continuing, be made in the sole, reasonable discretion of the Administrative Agent; provided that the Required Lenders may at any time revoke the Administrative Agent's authorization to make future Overadvances; provided that no existing Overadvances will be subject to such revocation and any such revocation must be in writing and will become effective prospectively upon the Administrative Agent's receipt thereof. Overadvances in an aggregate amount of more than \$10.0 million but less than \$25.0 million may, unless a Default or Event of Default has occurred and is continuing, be made with the consent of the Required Lenders. Overadvances in an aggregate amount of \$25.0 million or more and Overadvances to be made after the occurrence and during the continuation of a Default or Event of Default will require the consent of all Revolving Credit Lenders. The foregoing notwithstanding, in no event, unless otherwise consented to by all Revolving Credit Lenders will:

- (1) any Overadvances be outstanding for more than 90 consecutive days;
- (2) the Administrative Agent or Lenders make any additional Overadvances unless 30 days or more have expired since the last date on which any Overadvances were outstanding; or
- (3) the Administrative Agent make Revolving Credit Loans on behalf of Lenders under this Section 2.01(b) to the extent such Revolving Credit Loans would cause a Lender's share of the Total Outstanding to exceed such Lender's Revolving Credit Commitment or cause the aggregate Revolving Credit Commitments to be exceeded.

(c) Protective Advances. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, in its sole, reasonable discretion, may make Revolving Credit Loans to the Borrower on behalf of the Lenders, so long as the aggregate amount of such Revolving Credit Loans will not exceed 5.0% of the Borrowing Base, if the Administrative Agent, in its Permitted Discretion, deems that such Revolving Credit Loans are necessary or desirable to:

- (1) protect all or any portion of the Collateral;
- (2) enhance the likelihood or maximize the amount of repayment of the Loans and the other Obligations; or

(3) pay any other amount chargeable to the Borrower pursuant to this Agreement (such Revolving Credit Loans, “**Protective Advances**”); provided that (i) in no event will the Total Outstanding exceed the aggregate Revolving Credit Commitments and (ii) the Required Lenders under the Revolving Credit Facility may at any time revoke the Administrative Agent’s authorization to make future Protective Advances; provided, further, that any such revocation must be in writing and will become effective prospectively upon the Administrative Agent’s receipt thereof and existing Protective Advances will not be subject to thereto.

Each applicable Lender will be obligated to advance to the Borrower its Revolving Facility Percentage of each Protective Advance made in accordance with this Section 2.01(c). If Protective Advances are made in accordance with the preceding sentence, then all Revolving Credit Lenders will be bound to make, or permit to remain outstanding, such Protective Advances based upon their Revolving Credit Facility Percentages in accordance with the terms of this Agreement. All Protective Advances will be repaid by the Borrower on demand, will be secured by the Collateral and will bear interest as provided in this Agreement for Revolving Credit Loans generally.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(1) Each Revolving Credit Borrowing, each conversion of Revolving Credit Loans from one Type to the other, and each continuation of Eurodollar Rate Loans shall be made upon the Borrower’s irrevocable notice, to the Administrative Agent, which may be given by telephone. Each such notice must be received by the Administrative Agent not later than 12:00 p.m., New York time, (a) three (3) Business Days prior to the requested date of any Borrowing or continuation of Eurodollar Rate Loans or any conversion of Base Rate Loans to Eurodollar Rate Loans and (b) on the requested date of any Borrowing of Base Rate Loans. Each telephonic notice by the Borrower pursuant to this Section 2.02(1) must be confirmed promptly by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Except as provided in Sections 2.14 and 2.16, each Borrowing of, conversion to or continuation of Eurodollar Rate Loans shall be in a principal amount of \$5.0 million or a whole multiple of \$1.0 million in excess thereof. Except as provided in Sections 2.03(3), 2.14 and 2.16, each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of \$1.0 million or a whole multiple of \$500,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify:

- (i) whether the Borrower is requesting a Revolving Credit Borrowing, a conversion of Revolving Credit Loans from one Type to the other or a continuation of Eurodollar Rate Loans,
- (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day),
- (iii) the principal amount of Loans to be borrowed, converted or continued,
- (iv) the Class and Type of Loans to be borrowed or to which existing Revolving Credit Loans are to be converted,
- (v) if applicable, the duration of the Interest Period with respect thereto and
- (vi) wire instructions of the account(s) to which funds are to be disbursed.

If the Borrower fails to specify a Type of Loan to be made in a Committed Loan Notice, then the applicable Loans shall be made as Eurodollar Rate Loans with an Interest Period of one (1) month. If the

Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made or continued as the same Type of Loan, which if a Eurodollar Rate Loan, shall have a one-month Interest Period. Any such automatic continuation of Eurodollar Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurodollar Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(2) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic continuation of Eurodollar Rate Loans or continuation of Loans described in Section 2.02(1). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than 3:00 p.m., New York time, on the Business Day specified in the applicable Committed Loan Notice.

(3) Except as otherwise provided herein, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan, unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent at the direction of the Required Lenders under the applicable Facility may require by notice to the Borrower that no Loans under such Facility may be converted to or continued as Eurodollar Rate Loans.

(4) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. The determination of the Eurodollar Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time when Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(5) After giving effect to all Revolving Credit Borrowings, all conversions of Revolving Credit Loans from one Type to the other, and all continuations of Revolving Credit Loans as the same Type, there shall not be more than ten Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent.

(6) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(7) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing, or, in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m., New York time, on the date of such Borrowing, that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (2) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount

together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (a) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (b) in the case of such Lender, the Overnight Rate *plus* any administrative, processing or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(7) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall both pay all or any portion of the principal amount in respect of such Borrowing or interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such Borrowing or interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.03 Letters of Credit.

(1) The Letter of Credit Commitments.

(a) Subject to the terms and conditions set forth herein, (i) each Issuing Bank agrees, in reliance upon the agreements of the other Revolving Credit Lenders set forth in this Section 2.03, (A) from time to time on any Business Day during the period from the Closing Date until the L/C Expiration Date, to issue Letters of Credit at sight denominated in Dollars for the account of the Borrower (*provided* that any such Letter of Credit may be for the benefit of any Subsidiary of the Borrower) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(2), and (B) to honor drawings under the Letters of Credit and (ii) the Revolving Credit Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.03; *provided* that no Issuing Bank shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if after giving effect to such L/C Credit Extension, (x) the Revolving Credit Exposure of any Revolving Credit Lender would exceed such Lender's Revolving Credit Commitment, (y) the Outstanding Amount of the L/C Obligations would exceed the L/C Sublimit or (z) the aggregate Total Outstandings would exceed the Maximum Borrowing Amount. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(b) An Issuing Bank shall be under no obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any Law applicable to such Issuing Bank or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or direct that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date (for which such Issuing Bank is not otherwise compensated hereunder);

(ii) subject to Section 2.03(2)(c), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last renewal, unless each Appropriate Lender has approved of such expiration date;

(iii) the expiry date of such requested Letter of Credit would occur after the L/C Expiration Date, unless (A) the applicable Issuing Bank has approved of such expiration date (B) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank; or

(iv) the issuance of such Letter of Credit would violate any Laws binding upon such Issuing Bank;

(v) the Letter of Credit is to be denominated in a currency other than Dollars, unless otherwise agreed by the relevant Issuing Bank and the Administrative Agent;

(vi) the Letter of Credit is in an initial amount less than \$25,000; or

(vii) any Revolving Credit Lender is at that time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Bank's actual or potential Fronting Exposure (after giving effect to Section 2.17(1)(d)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such Issuing Bank has actual or potential Fronting Exposure, as it may elect in its sole discretion.

(c) An Issuing Bank shall be under no obligation to amend any Letter of Credit if such Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (ii) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(2) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(a) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an Issuing Bank (with a copy to the Administrative Agent) in the form of a L/C Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such L/C Application must be received by the relevant Issuing Bank and the Administrative Agent not later than 12:00 p.m., New York time, at least two (2) Business Days prior to the proposed issuance date or date of amendment, as the case may be, or, in each case, such later date and time as the relevant Issuing Bank may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the relevant Issuing Bank:

(i) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day);

(ii) the amount thereof;

(iii) the expiry date thereof;

- (iv) the name and address of the beneficiary thereof;
- (v) the documents to be presented by such beneficiary in case of any drawing thereunder;
- (vi) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder;
- (vii) the currency in which the requested Letter of Credit to be issued will be denominated; and
- (viii) such other matters as the relevant Issuing Bank may reasonably request.

In the case of a request for an amendment of any outstanding Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the relevant Issuing Bank:

- (A) the Letter of Credit to be amended;
- (B) the proposed date of amendment thereof (which shall be a Business Day);
- (C) the nature of the proposed amendment; and
- (D) such other matters as the relevant Issuing Bank may reasonably request.

(b) Promptly after receipt of any L/C Application, the relevant Issuing Bank will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such L/C Application from the Borrower and, if not, such Issuing Bank will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant Issuing Bank of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such Issuing Bank shall, on the requested date, issue a Letter of Credit for the account of the Borrower (which may be used to provide credit support to any Restricted Subsidiary of the Borrower) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant Issuing Bank a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Pro Rata Share or other applicable share provided for under this Agreement times the amount of such Letter of Credit; *provided* that no Lender shall be required to purchase a risk participation in any Letter of Credit with an expiration date after the expiration date of such Lender's Commitments.

(c) If the Borrower so requests in any applicable L/C Application, the relevant Issuing Bank shall agree to issue a Letter of Credit that has automatic extension provisions (each, an **"Auto-Extension Letter of Credit"**); *provided* that any such Auto-Extension Letter of Credit must permit the relevant Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the **"Non-Extension Notice Date"**) in each such twelve-month period to be agreed upon by the relevant Issuing Bank and the Borrower at the time such Letter of Credit is issued. Unless otherwise agreed in such Letter of Credit, the Borrower shall not be required to make a specific request to the relevant Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the applicable Lenders shall be deemed to have authorized (but may not require) the relevant

Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date not later than the applicable L/C Expiration Date, unless the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank; *provided* that the relevant Issuing Bank shall not permit any such extension if (i) the relevant Issuing Bank has determined that it would have no obligation at such time to issue such Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.03(1)(b) or otherwise) or (ii) it has received notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-Extension Notice Date from the Administrative Agent, any Revolving Credit Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 will not be satisfied on the applicable date of the Credit Extension.

(d) Promptly after issuance of any Letter of Credit or any amendment to a Letter of Credit, the relevant Issuing Bank will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(3) Drawings and Reimbursements; Funding of Participations.

(a) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant Issuing Bank shall promptly notify the Borrower and the Administrative Agent thereof (including the date on which such payment is to be made). Upon the same day of any payment by an Issuing Bank under a Letter of Credit with notice to the Borrower (each such date, an “**Honor Date**”), the Borrower shall reimburse, or cause to be reimbursed, such Issuing Bank through the Administrative Agent in an amount equal to the amount of such drawing; *provided* that if such reimbursement is not made on the date of drawing, the Borrower shall pay interest to the relevant Issuing Bank on such amount at the rate applicable to Base Rate Loans (without duplication of interest payable on L/C Borrowings). The relevant Issuing Bank shall notify the Borrower of the amount of the drawing promptly following the determination or revaluation thereof. If the Borrower fails to so reimburse, or cause to be reimbursed, such Issuing Bank by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing (the “**Unreimbursed Amount**”) and the amount of such Appropriate Lender’s Pro Rata Share or other applicable share provided for under this Agreement thereof. In such event, in the case of an Unreimbursed Amount under a Letter of Credit, the Borrower shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans but subject to the requirements for the amount of the unutilized portion of the Revolving Credit Commitments under the applicable Revolving Credit Facility of the Appropriate Lenders and the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an Issuing Bank or the Administrative Agent pursuant to this Section 2.03(3)(a) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(b) Each Appropriate Lender (including any Lender acting as an Issuing Bank) shall upon any notice pursuant to Section 2.03(3)(a) make funds available to the Administrative Agent for the account of the relevant Issuing Bank in Dollars at the Administrative Agent’s Office for payments in an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(3)(c), each Appropriate Lender that so makes funds available shall be deemed to have made a Revolving Credit Loan that is a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant Issuing Bank.

(c) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant Issuing Bank an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Appropriate Lender's payment to the Administrative Agent for the account of the relevant Issuing Bank pursuant to Section 2.03(3)(b) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(d) Until each Appropriate Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(3) to reimburse the relevant Issuing Bank for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such amount shall be solely for the account of the relevant Issuing Bank.

(e) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse an Issuing Bank for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(3), shall be absolute and unconditional and shall not be affected by any circumstance, including

(i) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant Issuing Bank, the Borrower or any other Person for any reason whatsoever;

(ii) the occurrence or continuance of a Default; or

(iii) any other occurrence, event or condition, whether or not similar to any of the foregoing;

(f) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(3) by the time specified in Section 2.03(3)(b), such Issuing Bank shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the relevant Issuing Bank submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(3)(d) shall be conclusive absent manifest error.

(4) Repayment of Participations.

(a) If, at any time after an Issuing Bank has made a payment under any Letter of Credit and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(3), the Administrative Agent receives for the account of such Issuing Bank any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the amount received by the Administrative Agent.

(b) If any payment received by the Administrative Agent for the account of an Issuing Bank pursuant to Section 2.03(3)(a) or Section 2.03(3)(b) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such Issuing Bank in its discretion), each Appropriate Lender shall pay to the Administrative Agent for the account of such Issuing Bank its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The Obligations of the Revolving Credit Lenders under this Section 2.03(4)(b) shall survive the payment in full of the Obligations and the termination of this Agreement.

(5) Obligations Absolute. The obligation of the Borrower to reimburse the relevant Issuing Bank for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(a) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(b) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant Issuing Bank or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(c) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(d) any payment by the relevant Issuing Bank under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(e) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of any Loan Party in respect of such Letter of Credit; or

(f) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by acts or omissions by such Issuing Bank constituting gross negligence, bad faith or willful misconduct on the part of such Issuing Bank as determined in a final and non-appealable judgment by a court of competent jurisdiction.

(6) Role of Issuing Banks. The Issuing Bank shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate or facsimile message, order or other document or telephone message signed, sent or made by any Person that the Issuing Bank reasonably believed to be genuine and correct and to have been signed, sent or made by the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by the Issuing Bank (which may include, at the Issuing Bank's option, counsel of the Administrative Agent or the Borrower). Each Lender and the Borrower agrees that, in paying any drawing under a Letter of Credit, the relevant Issuing Bank shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Issuing Banks, any Related Person of such Issuing Banks, nor any of the respective correspondents, participants or assignees of any Issuing Bank shall be liable to any Lender for:

(a) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders, as applicable;

(b) any action taken or omitted in the absence of gross negligence, bad faith or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction; or

(c) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or L/C Application.

The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Banks, any Related Persons of such Issuing Banks, nor any of the respective correspondents, participants or assignees of any Issuing Bank, shall be liable or responsible for any of the matters described in clauses (a) through (f) of Section 2.03(5); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an Issuing Bank, and such Issuing Bank may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential, damages suffered by the Borrower which the Borrower proves were caused by such Issuing Bank's willful misconduct, bad faith or gross negligence or such Issuing Bank's willful or grossly negligent, or bad faith, failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, each Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no Issuing Bank shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

Each Lender shall, ratably in accordance with its Pro Rata Share, indemnify each Issuing Bank, its Related Persons and their respective directors, officers, agents and employees (to the extent not reimbursed by the Borrower) against any cost, expense (including reasonable counsel fees and disbursements), claim, demand, action, loss or liability (except such as result from such indemnitees' willful misconduct, bad faith or gross negligence or such Issuing Bank's willful or grossly negligent, or bad faith, failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit in each case

as determined in a final and non-appealable judgment by a court of competent jurisdiction) that such indemnitees may suffer or incur in connection with this Section 2.03 or any action taken or omitted to be taken by such indemnitees hereunder.

(7) Cash Collateral. Subject to Section 2.17(1)(d), if,

(a) as of any L/C Expiration Date, any applicable Letter of Credit issued for the account of the Borrower may for any reason remain outstanding and partially or wholly undrawn,

(b) any Event of Default occurs and is continuing and the Administrative Agent or the Required Lenders, as applicable, may require the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 8.02, or

(c) an Event of Default set forth under Section 8.01(6) occurs and is continuing,

the Borrower will Cash Collateralize, or cause to be Cash Collateralized, the then Outstanding Amount of all relevant L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default or the applicable L/C Expiration Date, as the case may be), and shall do so not later than 2:00 p.m. on (i) in the case of the immediately preceding clauses (a) or (b), (x) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 12:00 p.m. or (y) if clause (x) above does not apply, the Business Day immediately following the day that the Borrower receives such notice and (ii) in the case of the immediately preceding clause (c), the Business Day on which an Event of Default set forth under Section 8.01(6) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent or the applicable Issuing Bank, the Borrower will Cash Collateralize all Fronting Exposure (after giving effect to Section 2.17(1)(d) and any Cash Collateral provided by the Defaulting Lender) at 100% of the amount thereof. The Borrower hereby grants to the Administrative Agent, for the benefit of the Issuing Banks and the Revolving Credit Lenders of the applicable Facility, a security interest in all such Cash Collateral. Cash Collateral shall be maintained in blocked accounts at the Administrative Agent and may be invested in readily available Cash Equivalents selected by the Administrative Agent in its sole discretion. If at any time the Administrative Agent determines that any funds held as Cash Collateral are expressly subject to any right or claim of any Person other than the Loan Parties or the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than 100% of the aggregate Outstanding Amount of all relevant L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay, or cause to be paid, to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at the Administrative Agent as aforesaid, an amount equal to the excess of (A) 100% of such aggregate Outstanding Amount over (B) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant Issuing Bank. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such relevant L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall promptly be refunded to the Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.03(7) is cured or otherwise waived, then so long as no other Event of Default has occurred and is continuing, the amount of any Cash Collateral pledged to Cash Collateralize such Letter of Credit shall promptly be refunded to the Borrower. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Loan Parties or the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than 100% of the applicable Fronting Exposure and other obligations secured thereby, the Borrower or the relevant Defaulting Lender will, promptly upon demand

by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(8) [Reserved].

(9) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent, for the account of each Revolving Credit Lender for the applicable Revolving Credit Facility in accordance with its Pro Rata Share or other applicable share provided for under this Agreement, a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Rate set forth in the “Applicable Rate for Eurodollar Loans” column of the chart in the definition of “Applicable Rate” times the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount decreases or increases periodically pursuant to the terms of such Letter of Credit); *provided, however*, that any Letter of Credit fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the applicable Issuing Bank pursuant to this Section 2.03 shall be payable, to the maximum extent permitted by applicable Law, to the other Lenders in accordance with the upward adjustments in their respective Pro Rata Shares allocable to such Letter of Credit pursuant to Section 2.17(1)(d), with the balance of such fee, if any, payable to the applicable Issuing Bank for its own account. Such Letter of Credit fees shall be computed on a quarterly basis in arrears. Such Letter of Credit fees shall be due and payable in Dollars on the first calendar day of each February, May, August and November, commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. If there is any change in the Applicable Rate set forth in the “Applicable Rate for Eurodollar Loans” column of the chart in the definition of “Applicable Rate” during any calendar quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such calendar quarter that such Applicable Rate was in effect.

(10) Fronting Fee and Documentary and Processing Charges Payable to Issuing Banks. The Borrower shall pay directly to each Issuing Bank for its own account a fronting fee with respect to each Letter of Credit issued by such Issuing Bank equal to 0.25% per annum (or such other lower amount as may be mutually agreed by the Borrower and the applicable Issuing Bank) of the maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases or decreases periodically pursuant to the terms of such Letter of Credit) or such lesser fee as may be agreed with such Issuing Bank. Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable in Dollars on the first calendar day of each of each February, May, August and November, commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. In addition, the Borrower shall pay, or cause to be paid, directly to each Issuing Bank for its own account with respect to each Letter of Credit issued for the account of the Borrower or any Restricted Subsidiary the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such Issuing Bank relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(11) Conflict with L/C Application. Notwithstanding anything else to the contrary in this Agreement or any L/C Application, in the event of any conflict between the terms hereof and the terms of any L/C Application, the terms hereof shall control.

(12) Addition of an Issuing Bank. There may be one or more Issuing Banks under this Agreement from time to time. A Revolving Credit Lender reasonably acceptable to the Borrower and the Administrative Agent may become an additional Issuing Bank hereunder pursuant to a written agreement

among the Borrower, the Administrative Agent and such Revolving Credit Lender. The Administrative Agent shall notify the Revolving Credit Lenders of any such additional Issuing Bank.

(13) Provisions Related to Extended Revolving Credit Commitments. If the L/C Expiration Date in respect of any Class of Revolving Credit Commitments occurs prior to the expiry date of any Letter of Credit, then (a) if consented to by the Issuing Bank which issued such Letter of Credit, if one or more other Classes of Revolving Credit Commitments in respect of which the L/C Expiration Date shall not have so occurred are then in effect, such Letters of Credit for which consent has been obtained shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to Sections 2.03(3) and (4)) under (and ratably participated in by Revolving Credit Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating Classes up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Revolving Credit Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (b) to the extent not reallocated pursuant to immediately preceding clause (a) and unless provisions reasonably satisfactory to the applicable Issuing Bank for the treatment of such Letter of Credit as a letter of credit under a successor credit facility have been agreed upon, the Borrower shall, on or prior to the applicable Maturity Date, cause all such Letters of Credit to be replaced and returned to the applicable Issuing Bank undrawn and marked "cancelled" or to the extent that the Borrower is unable to so replace and return any Letter(s) of Credit, such Letter(s) of Credit shall be backstopped by a "back to back" letter of credit reasonably satisfactory to the applicable Issuing Bank or the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.03(7).

(14) Letter of Credit Reports. For so long as any Letter of Credit issued by an Issuing Bank is outstanding, such Issuing Bank shall deliver to the Administrative Agent on the last Business Day of each calendar month, and on each date that an L/C Credit Extension occurs with respect to any such Letter of Credit, a report in the form of Exhibit R, appropriately completed with the information for every outstanding Letter of Credit issued by such Issuing Bank.

(15) Letters of Credit Issued for Holdings and Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of a Restricted Subsidiary of the Borrower, the Borrower shall be obligated to reimburse, or cause to be reimbursed, the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit in support of its Restricted Subsidiaries inures to the benefit of the Borrower, and that the Borrower's businesses derives substantial benefits from the businesses of its Restricted Subsidiaries.

Section 2.04 Swing Line Loans.

(1) The Swing Line. Subject to the terms and conditions set forth herein, the Swing Line Lender may, in its sole discretion and in its individual capacity, make revolving credit loans in Dollars to the Borrower (each such loan, a "**Swing Line Loan**"), from time to time on any Business Day during the period beginning on the Business Day after the Closing Date and until the Maturity Date of the Revolving Credit Facility in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of Revolving Credit Loans and L/C Obligations of the Swing Line Lender, may exceed the amount of such Swing Line Lender's Revolving Credit Commitment; *provided that*, after giving effect to any Swing Line Loan, (i) the Revolving Credit Exposure shall not exceed the aggregate Revolving Credit Commitment and (ii) the aggregate Total Outstandings shall not exceed the Maximum Borrowing Amount. Within the

foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan will be obtained or maintained as a Base Rate Loan and upon the occurrence and during the continuance of an Event of Default under Section 8.01(1), the Swing Line Loans will, at the option of Swing Line Lender, bear interest on past due amounts at a rate per annum equal to the Default Rate to the fullest extent permitted by applicable Laws.

(2) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the Borrower's irrevocable notice to the Swing Line Lender, which may be given in writing or by telephone. Each such notice must be received by the Swing Line Lender not later than 2:00 p.m., New York time, on the requested Borrowing date and shall specify (a) the amount to be borrowed, which shall be a minimum of \$100,000 and (b) the requested Borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower, together with substantially simultaneous notice (by telephone or in writing) to the Administrative Agent. If the Swing Line Lender agrees to provide such requested Swing Line Borrowing, unless it has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Credit Lender) or it determines that (i) after giving effect to any Swing Line Loan, the Revolving Credit Exposure will exceed the aggregate Revolving Credit Commitment, (ii) the aggregate Total Outstandings exceed the Maximum Borrowing Amount or (iii) one or more of the applicable conditions specified in Section 4.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 3:00 p.m., New York time, on the Borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower.

(3) Repayment or Refinancing of Swing Line Loans.

(a) The Borrower has the right to prepay all or a portion of any Swing Line Loan at any time without premium or penalty.

(b) To facilitate administration of the Revolving Credit Loans, the Revolving Credit Lenders and the Administrative Agent agree (which agreement is solely among them, and not for the benefit of or enforceable by the Borrower) that in order to facilitate the administration of this Agreement and the other Loan Documents, settlement among them as to the Swing Line Loans shall take place on a periodic basis in accordance with this clause (b). The Administrative Agent shall request settlement (a "**Swing Line Settlement**") with the Revolving Credit Lenders on at least a weekly basis, or on a more frequent basis if so determined by the Administrative Agent, (A) on behalf of the Swing Line Lender, with respect to each outstanding Swing Line Loan and (B) with respect to collections received, in each case, by notifying the applicable Revolving Credit Lenders of such requested Swing Line Settlement by facsimile or other electronic form of transmission, of such requested Swing Line Settlement, no later than 1:00 p.m. New York City time, on the date of such requested Swing Line Settlement (the "**Swing Line Settlement Date**"). Each applicable Revolving Credit Lender (other than the Swing Line Lender) shall make the amount of such Revolving Credit Lender's Pro Rata Share of the outstanding principal amount of the Swing Line Loans with respect to which Swing Line Settlement is requested available to the Administrative Agent, to such account of the Administrative Agent as the Administrative Agent may designate, not later than 3:00 p.m., New York City time, on the Swing Line Settlement Date applicable thereto, which may occur before or after the occurrence or during the continuation of a Default or an Event of Default and whether or not the applicable conditions precedent set forth in Article IV have then been satisfied without regard to any minimum amount specified therein. Such amounts made available to the Administrative Agent shall be applied against the amounts of the applicable Swing Line Loan and, together with the portion of such Swing Line Loan representing the Swing Line Lender's Pro Rata Share thereof, shall constitute Revolving Credit Loans of the Revolving Credit Lenders under such Facility. If

any such amount is not made available to the Administrative Agent by any Revolving Credit Lender on the Swing Line Settlement Date applicable thereto, the Administrative Agent shall, on behalf of the Swing Line Lender with respect to each outstanding Swing Line Loan, be entitled to recover such amount on demand from such Revolving Credit Lender together with interest thereon at the Base Rate for the first three days from and after the Swing Line Settlement Date and thereafter at the interest rate then applicable to Revolving Credit Loans. Between Swing Line Settlement Dates, the Administrative Agent may pay over to the Swing Line Lender any payments received by the Administrative Agent, which in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Credit Loans, for application to such Swing Line Lender's Revolving Credit Loans or Swing Line Loans. If, as of any Swing Line Settlement Date, collections received since the then immediately preceding Swing Line Settlement Date have been applied to such Swing Line Lender's Revolving Credit Loans, such Swing Line Lender shall pay to the Administrative Agent for the accounts of the applicable Revolving Credit Lenders, to be applied to the outstanding Revolving Credit Loans of such Revolving Credit Lenders, an amount such that each Revolving Credit Lender shall, upon receipt of such amount, have, as of such Swing Line Settlement Date, its Pro Rata Share of the Revolving Credit Loans under such Facility. During the period between Swing Line Settlement Dates, each Swing Line Lender with respect to its Swing Line Loans, the Administrative Agent with respect to Protective Advances under the applicable Facility and each Revolving Credit Lender with respect to its Revolving Credit Loans shall be entitled to interest thereon at the applicable rate or rates payable under this Agreement.

(c) In addition, the Swing Line Lender at any time in its sole and absolute discretion may request, by written notice to the Borrower, the Administrative Agent and the Revolving Credit Lenders, on behalf of the Borrower (which hereby irrevocably authorizes such Swing Line Lender to so request on its behalf), that each Revolving Credit Lender make a Base Rate Loan in an amount equal to such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount of Swing Line Loans of the Borrower then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but not in excess of the unutilized portion of the aggregate Revolving Credit Commitments and subject to the conditions set forth in Section 4.02; *provided that*, a request shall also be deemed to have been given one Business Day prior to each of (i) the Maturity Date of the Revolving Credit Facility, (ii) the occurrence of an Event of Default with respect to the Borrower under Section 8.01(6) or (iii) the acceleration of the Obligations or other exercise of remedies under Section 8.02 (each such borrowing made on account of any such deemed request under this Section 2.04(3)(a), a "**Mandatory Swing Line Borrowing**"). The Swing Line Lender shall furnish the Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Revolving Credit Lender shall make an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the amount specified in such Committed Loan Notice available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. New York time on the date specified in such Committed Loan Notice, whereupon, subject to Section 2.04(3)(b), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Revolving Credit Loan that is a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(d) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Borrowing in accordance with Section 2.04(3)(a) (including as a result of a proceeding under any Debtor Relief Law), the request for Base Rate Loans submitted by the relevant Swing Line Lender as set forth herein shall be deemed to be a request by such Swing Line Lender that each of the Revolving Credit Lenders fund its risk participation in the relevant Swing Line Loan and each Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to

Section 2.04(a)(1) shall be deemed payment in respect of such participation; *provided*, that (i) all interest payable on the Swing Line Loans is for the account of Swing Line Lender until the date as of which the respective participation is purchased and (ii) at the time any purchase of participations pursuant to this sentence is actually made, the purchasing Revolving Credit Lender shall pay Swing Line Lender interest on the principal amount of such participation purchased for each day from and including the day upon which the Mandatory Swing Line Borrowing purchase occurs under this Agreement to but excluding the date of payment for such participation, at the applicable rate received by the Swing Line Lender.

(e) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by the Lender pursuant to the foregoing provisions of this Section 2.04(3) by the time specified in Section 2.04(3)(a), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect. If such Revolving Credit Lender pays such amount, the amount so paid shall constitute such Lender's Revolving Credit Loan included in the relevant Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (c) shall be conclusive absent manifest error.

(f) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(3) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default, or (iii) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.04(3) (but not to purchase and fund risk participations in Swing Line Loans) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay the applicable Swing Line Loans, together with interest as provided herein.

(4) Repayment of Participations.

(a) At any time after any Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if the relevant Swing Line Lender receives any payment on account of such Swing Line Loan, such Swing Line Lender will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by such Swing Line Lender.

(b) If any payment received by the relevant Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by such Swing Line Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Credit Lender shall pay to such Swing Line Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of a Swing Line Lender. The obligations of the Revolving Credit Lenders under this clause (d)(ii) shall survive the payment in full of the Obligations and the termination of this Agreement.

(5) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Revolving Credit Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share or other applicable share provided for under this Agreement of any Swing Line Loan, interest in respect of such Pro Rata Share or other applicable share provided for under this Agreement shall be solely for the account of the Swing Line Lender.

(6) Payments Directly to Swing Line Lender. Subject to Section 2.04(3)(a), the Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

(7) Provisions Related to Extended Revolving Credit Commitments. If the Maturity Date shall have occurred in respect of any Class of Revolving Credit Commitments (the "**Expiring Credit Commitment**") at a time when another Class or Classes of Revolving Credit Commitments is or are in effect with a later Maturity Date (each a "**Non-Expiring Credit Commitment**" and collectively, the "**Non-Expiring Credit Commitments**"), then with respect to each outstanding Swing Line Loan, if consented to by the Swing Line Lender, on the earliest occurring Maturity Date such Swing Line Loan shall be deemed reallocated to the Class or Classes of the Non-Expiring Credit Commitments on a pro rata basis; *provided* that (a) to the extent that the amount of such reallocation would cause the aggregate credit exposure to exceed the aggregate amount of such Non-Expiring Credit Commitments, immediately prior to such reallocation (after giving effect to any repayments of Revolving Credit Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.03(13)) the amount of Swing Line Loans to be reallocated equal to such excess shall be repaid and (b) notwithstanding the foregoing, if a Default or Event of Default has occurred and is continuing, the Borrower shall still be obligated to pay Swing Line Loans allocated to the Revolving Credit Lenders holding the Expiring Credit Commitments at the Maturity Date of the Expiring Credit Commitment or if the Loans have been accelerated prior to the Maturity Date of the Expiring Credit Commitment.

Section 2.05 Prepayments.

(1) Optional.

(a) The Borrower may, upon notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Revolving Credit Loans in whole or in part without premium or penalty; *provided* that

(i) such notice must be received by the Administrative Agent not later than 12:00 p.m., New York time, (A) three (3) Business Days prior to any date of prepayment of Eurodollar Rate Loans and (B) on the date of prepayment of Base Rate Loans;

(ii) any partial prepayment of Eurodollar Rate Loans shall be in a principal amount of \$2.0 million or a whole multiple of \$500,000 in excess thereof or, if less, the entire principal amount thereof then outstanding; and

(iii) any prepayment of Base Rate Loans shall be in a principal amount of \$1.0 million or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding.

Each such notice shall specify the date and amount of such prepayment and Type(s) of Loans to be prepaid (and, for the avoidance of doubt, may indicate the prepayments by more than one Borrower on such date in such amounts so specified, which, individually, may be below any minimum or multiple, but

which, in the aggregate amount on any given date, shall satisfy such minimum and multiple requirements). The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurodollar Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05.

(b) The Borrower may, upon notice to the applicable Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; *provided that* (1) such notice must be received by such Swing Line Lender and the Administrative Agent not later than 12:00 p.m., New York City time, on the date of the prepayment and (2) any such prepayment of Swing Line Loans made in Dollars shall be in a minimum principal amount of \$100,000 or a whole multiple of \$100,000 in excess thereof, or the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment.

(c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(1)(a) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(2) Mandatory.

(a) If at any time, the aggregate principal amount of Total Outstandings (excluding the face amount of any Letters of Credit that are Cash Collateralized or back-stopped to the reasonable satisfaction of the Administrative Agent) exceeds the Maximum Borrowing Amount, the Borrower shall within one (1) Business Day, upon notification by the Administrative Agent, prepay the Swing Line Loans *first* and then prepay (or Cash Collateralize, in the amount required by Section 2.03(7), in the case of Letters of Credit) the other Loans then outstanding in an amount equal to such excess; *provided that* nothing in this clause (2)(a) shall reduce the Revolving Credit Commitments.

(b) Subject to Section 3.05 hereof, all such payments in respect of the Loans pursuant to this Section 2.05 shall be without premium or penalty. All interest accrued on the principal amount of the Loans paid pursuant to this Section 2.05 shall be paid, or may be charged by the Administrative Agent to any loan account(s) of the Borrower, at the Administrative Agent's option, on the date of such payment. Interest shall accrue and be due, until the next Business Day, if the amount so paid by the Borrower to the bank account designated by the Administrative Agent for such purpose is received in such bank account after 3:00 p.m., New York City time.

(c) At all times after the occurrence and during the continuance of a Cash Dominion Period and notification thereof by the Administrative Agent to the Borrower, on each Business Day, the Administrative Agent shall apply all same day funds in excess of \$3,500,000 (other than Excluded Funds held in Excluded Accounts) credited to the Concentration Account and all amounts received pursuant to this Section 2.05(2) to one or more accounts maintained by Administrative Agent or such other account as directed by the Administrative Agent. All amounts received in such account shall be applied (and allocated) by the Administrative Agent in accordance with Section 8.03.

(3) Interest, Funding Losses, etc.

(a) All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurodollar Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurodollar Rate Loan pursuant to Section 3.05.

(b) Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurodollar Rate Loans is required to be made under this Section 2.05 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurodollar Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrower for all purposes under this Agreement.

Section 2.06 Termination or Reduction of Commitments.

(1) Optional. The Borrower may, upon written notice by the Borrower to the Administrative Agent, terminate the unused Commitments, or from time to time permanently reduce the unused Commitments, in each case without premium or penalty; *provided* that (a) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction, (b) any such partial reduction shall be in an aggregate amount of \$5.0 million or any whole multiple of \$1.0 million in excess thereof or, if less, the entire amount thereof; and (c) if, after giving effect to any reduction of the Commitments, the L/C Sublimit or Swing Line Sublimit exceeds the amount of the Revolving Credit Facility, such sublimit shall be automatically reduced by the amount of such excess. To the extent there are any FILO Tranches outstanding at the time of any termination of Revolving Credit Commitments under this Section 2.06, such termination shall be applied first to the non-FILO Tranche of Revolving Credit Loans on a pro-rata basis.

(2) Mandatory. The Revolving Credit Commitment of each Revolving Credit Lender shall automatically and permanently terminate on the Maturity Date for the applicable Revolving Credit Facility.

(3) Application of Commitment Reductions. The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the L/C Sublimit, Swing Line Sublimit or the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). Any commitment fees accrued until the effective date of any termination of the Revolving Credit Commitments shall be paid on the effective date of such termination. Other than with respect to a FILO Tranche, such reductions shall be applied pro rata to the Revolving Credit Commitments.

Section 2.07 Repayment of Loans.

(1) Revolving Credit Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the applicable Revolving Credit Facility the aggregate principal amount of all Revolving Credit Loans under such Facility outstanding on such date.

(2) Swing Line Loans. The Borrower shall repay the aggregate principal amount of each Swing Line Loan on the earlier to occur of (a) the date selected by Swing Line Lender and (b) the Maturity Date for the applicable Revolving Credit Facility.

Section 2.08 Interest.

(1) Subject to the provisions of Section 2.08(2), (a) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurodollar Rate for such Interest Period, respectively, *plus* the Applicable Rate, (b) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate, *plus* the Applicable Rate and (c) each Swing Line Loan shall bear interest as provided in Section 2.04(1).

(2) During the continuance of an Event of Default, the Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(3) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09 Fees.

(1) Commitment Fee. The Borrower agrees to pay in same day funds in Dollars to the Administrative Agent for the account of each Lender a commitment fee (the “**Unused Commitment Fee**”) on the average daily amount by which the Revolving Credit Commitment of such Lender exceeds such Lender’s Pro Rata Share of the sum of (i) the aggregate outstanding principal amount of Loans (other than Swing Line Loans) for the applicable Class and (ii) the aggregate maximum amount then available to be drawn under all outstanding Letters of Credit, from the Closing Date through the Revolving Credit Termination Date, at the Applicable Unused Commitment Fee Rate, payable in arrears (x) on the first calendar day of each February, May, August and November, commencing on the first such day following the Closing Date and (y) on the Revolving Credit Termination Date. All Unused Commitment Fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(2) Other Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

Section 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days

elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(1), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(1) The Revolving Credit Borrowings made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the Revolving Credit Borrowings made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent, as set forth in the Register, in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(2) In addition to the accounts and records referred to in Section 2.11(1), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(3) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(1) and (2), and by each Lender in its account or accounts pursuant to Sections 2.11(1) and (2), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally.

(1) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment and in Same Day Funds not later than 2:00 p.m., New York time, on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or

other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. Any payments under this Agreement that are made later than 2:00 p.m., New York time, shall be deemed to have been made on the next succeeding Business Day and any applicable interest or fees shall continue to accrue.

(2) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that, if such extension would cause payment of interest on or principal of Eurodollar Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(3) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date, or in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m., New York time, on the date of such Borrowing, any payment is required to be made by it to the Administrative Agent hereunder (in the case of the Borrower, for the account of any Lender or an Issuing Bank hereunder or, in the case of the Lenders, for the account of any Issuing Bank, Swing Line Lender or the Borrower hereunder), that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(a) if the Borrower failed to make such payment, each Lender or Issuing Bank shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender or Issuing Bank in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(b) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount, or cause such amount to be paid, to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(3) shall be conclusive, absent manifest error.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Revolving Credit Borrowing set forth in Section 4.02 are not satisfied or waived in accordance with the terms hereof, the

Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or fund any participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03 (or otherwise expressly set forth herein). If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the sum of (i) the Outstanding Amount of all Loans outstanding at such time and (ii) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

(g) The amount of each Lender's Pro Rata Share of outstanding Revolving Credit Loans (including outstanding Swing Line Loans) will be computed weekly (or more frequently in the Administrative Agent's discretion) and will be adjusted upward or downward based on all Revolving Credit Loans (including outstanding Swing Line Loans) and repayments of Revolving Credit Loans (including outstanding Swing Line Loans) received by the Administrative Agent as of 4:00 p.m. on the first Business Day (such date, the "**Settlement Date**") following the end of such week (or shorter period specified by the Administrative Agent). The Administrative Agent will deliver to each of the Lenders promptly after a Settlement Date a summary statement of the amount of outstanding Revolving Credit Loans for the period and the amount of repayments received for the period. As reflected on the summary statement, (a) the Administrative Agent will transfer to each Lender its Pro Rata Share of repayments and (b) each Lender will transfer to the Administrative Agent or the Administrative Agent will transfer to each Lender such amounts as are necessary to insure that, after giving effect to all such transfers, the amount of Revolving Credit Loans made by each Lender will be equal to such Lender's Pro Rata Share of all Revolving Credit Loans outstanding as of such Settlement Date.

Section 2.13 Sharing of Payments. If, other than expressly provided in this Agreement, if any Lender of any Class shall obtain any payment in respect of any principal of or interest on account of the Loans of such Class made by it or the participations in L/C Obligations and Swing Line Loans held by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (1) notify the Administrative Agent of such fact, and (2) purchase at par from the other Lenders such participations in the Loans of such Class made by them or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment on such Loans of such Class or such participations, as the

case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (a) the amount of such paying Lender's required repayment to (b) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this Section 2.13 shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.10) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Section 2.14 Incremental Facilities.

(1) Incremental Revolving Credit Loan Request. The Borrower may at any time and from time to time, on one or more occasions, by notice to the Administrative Agent, request one or more increases to the aggregate principal amount of the Revolving Credit Commitments (or, solely to the extent set forth in Section 2.14(9) below, provide commitments under a new facility constituting a FILO Tranche) ("**Incremental Commitments**" and the Revolving Credit Loans and other extensions of credit made thereunder, the "**Incremental Revolving Credit Loans**").

(2) Size. The aggregate amount of Incremental Commitments hereunder shall not exceed \$200,000,000. Each Incremental Commitment will be in an integral multiple of \$1.0 million and in an aggregate principal amount that is not less than \$5.0 million (or such lesser minimum amount approved by the Administrative Agent in its reasonable discretion); *provided* that such amount may be less than such minimum amount or integral multiple amount if such amount represents all the remaining availability under the limit set forth above.

(3) Incremental Lenders. The Borrower shall not be obligated to offer any existing Lender the opportunity to provide any Incremental Commitments. Incremental Commitments may be provided by any existing Lender (it being understood that no existing Lender will have an obligation to make all or any portion of any Incremental Revolving Credit Loan, nor will the Borrower have any obligation to approach any existing Lender(s) to provide any Incremental Commitments) or by any Additional Lender on terms permitted by this Section 2.14; *provided* that the Administrative Agent, the Swing Line Lender and each Issuing Bank shall have consented (in each case, such consent not to be unreasonably withheld, conditioned or delayed) to any such Person's providing Incremental Revolving Credit Facilities if such consent would be required under Section 10.07(b)(iii) for an assignment of such Loans or Revolving Credit Commitments, as applicable, to such Person. Final allocations in respect of Incremental Revolving

Credit Facilities will be made by the Borrower together with the arrangers thereof, if any, in their discretion, on the terms permitted by this Section 2.14.

(4) Incremental Revolving Credit Facility Amendments; Use of Proceeds. Incremental Commitments (including under a FILO Tranche) shall become Commitments under this Agreement pursuant to an amendment (each, an “**Incremental Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Person providing such Incremental Commitments and the Administrative Agent. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Incremental Amendment. Incremental Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, (x) to effect the provisions of this Section 2.14. Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Incremental Commitments and the Incremental Revolving Credit Loans evidenced thereby. The Borrower may use the proceeds of the Incremental Revolving Credit Loans for any purpose not prohibited by this Agreement.

(5) Conditions. The availability of the Incremental Commitments under this Agreement will be subject solely to the following conditions:

(a) No Event of Default shall have occurred and be continuing or, in the case of a Permitted Acquisition or similar committed investment, no Event of Default under Section 8.01(1) or Section 8.01(6) shall have occurred and be continuing; provided that in the case of a Limited Condition Acquisition, at the Borrower’s option, such Event of Default may be tested in accordance with Section 1.07(8) so long as (x) no Loans hereunder (other than any Loans that constitute a FILO Tranche) are being used or will be used to fund such Limited Condition Acquisition and (y) at the time of the consummation of such Limited Condition Acquisition, no Event of Default under Section 8.01(1) or Section 8.01(6) shall have occurred and be continuing; and

(b) all representations and warranties set forth in Article V shall be true and correct in all material respects on and as of the date of incurrence of the Incremental Revolving Credit Facilities except any representations and warranties which expressly relate to a given date or period shall be required only to be true and correct in all material respects as of the respective date or for the respective period, as the case may be; provided that in connection with any Permitted Acquisition or similar committed investment that constitute a Limited Condition Acquisition (other than any such Permitted Acquisition or committed investment which will be funded with the proceeds of Loans (other than a FILO Tranche) hereunder), (x) the Lenders providing such Incremental Commitments may elect to waive the requirement to make the representations and warranties set forth in Article V as required by the foregoing and (y) such representations and warranties will be limited to Specified Representations and Specified Acquisition Agreement Representations.

(6) Terms. Except as set forth below or with respect to any FILO Tranche under Section 2.14(8) below, any Incremental Commitments shall be on the same terms and pursuant to the same documentation applicable to the existing Revolving Credit Commitments hereunder; *provided that*:

(a) the final maturity date of such Incremental Revolving Credit Loans will be no earlier than the Latest Maturity Date of the Revolving Credit Loans borrowed on the Closing Date;

(b) the Weighted Average Life to Maturity of such Incremental Revolving Credit Loans will be no shorter than the longest remaining Weighted Average Life to Maturity of the Revolving Credit Loans borrowed on the Closing Date;

(7) Pricing. Other than in the case of a FILO Tranche as described below, the interest rate, margin, commitment fees, original issue discount and upfront or similar fees for any Incremental Commitments will be as determined by the Borrower and the Persons providing such Incremental Commitments; *provided*, that the interest rate, margin, commitment fees and letter of credit fee of all Commitments in effect on the Closing Date shall be increased to match the corresponding terms of the Incremental Commitments.

(8) FILO Tranche. The Revolving Credit Commitment Increase may be in the form of a separate “first-in, last-out” or “last-out” tranche (the “**FILO Tranche**”) with interest rate margins, rate floors, upfront fees, funding discounts and original issue discounts, in each case to be agreed upon (which, for the avoidance of doubt, shall not require any adjustment to the Applicable Rate of other Revolving Credit Loans to be set forth in the Incremental Amendment) among the Borrower and the Lenders providing the FILO Tranche so long as (a) any Loans and related Obligations in respect of the FILO Tranche are not to be guaranteed by any Person other than the Guarantors and are not secured by any assets other than Collateral, (b) as between (x) the Revolving Credit Loans (other than the FILO Tranche) and (y) the FILO Tranche, all proceeds from the liquidation or other realization of the Collateral (including ABL Priority Collateral) or application of funds in accordance with Section 8.03 shall be applied, first to obligations owing under, or with respect to, the Revolving Credit Loans (other than the FILO Tranche) and second to the FILO Tranche; (c) the Borrower may not prepay Loans under the FILO Tranche or terminate or reduce the commitments in respect thereof at any time that other Loans (including Swing Line Loans) and/or Unreimbursed Amounts (unless cash collateralized or otherwise provided for in a manner reasonably satisfactory to the Administrative Agent) are outstanding; (d) the Required Lenders (calculated as including the FILO Tranche) shall, subject to the terms of the ABL Intercreditor Agreement, control exercise of remedies in respect of the Collateral; (e) no changes affecting the priority status of the Revolving Credit Facility (other than the FILO Tranche) vis-à-vis the FILO Tranche may be made without the consent of the Required Lenders under the Revolving Credit Facility, other than such changes which affect only the FILO Tranche; (f) the final maturity of any FILO Tranche shall not occur, and no FILO Tranche shall require mandatory commitment reductions prior to, the Latest Maturity Date at such time; and (g) except as otherwise set forth in this Section 2.14(8), the terms of any FILO Tranche are not materially less favorable to the Borrower than those hereunder (including, without limitation, the inclusion of any additional financial or other material covenant without the consent of the Administrative Agent); *provided however*, that (i) advance rates with respect to the items included in the borrowing base for such FILO Tranche shall not exceed 105% of the Net Orderly Liquidation Value of Eligible Inventory and 100% of Eligible Credit Card Receivables and Eligible Accounts Receivable and (ii) at no time shall the total Revolving Credit Exposure (including the FILO Tranche) exceed 100% of the Net Orderly Liquidation Value of the ABL Priority Collateral (other than ineligible assets).

(9) Reallocation of Revolving Credit Exposure. Upon each Revolving Credit Commitment Increase pursuant to this Section 2.14:

(a) each Revolving Credit Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each lender providing a portion of such increase (each an “**Incremental Revolving Credit Lender**”), and each such Incremental Revolving Credit Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender’s participations hereunder in outstanding Letters of Credit and Swing Line Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit and Swing Line Loans held by each Revolving Credit Lender will equal the percentage of the aggregate Revolving Credit Commitments of all Lenders represented by such Revolving Credit Lender’s Revolving Credit Commitments; and

(b) if, on the date of such increase, there are any Revolving Credit Loans outstanding, such Revolving Credit Loans shall on or prior to the effectiveness of such Incremental Revolving Credit Facility be prepaid from the proceeds of Incremental Revolving Credit Loans made hereunder (reflecting such increase in Revolving Credit Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Credit Loans being prepaid and any costs incurred by any Revolving Credit Lender in accordance with Section 3.05.

(10) The Administrative Agent and the Lenders hereby agree that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

Section 2.15 [Reserved].

Section 2.16 Extensions of Loans.

(1) Extension Offers. Pursuant to one or more offers (each, an “**Extension Offer**”) made from time to time by the Borrower to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date, the Borrower may extend such Maturity Date and otherwise modify the terms of such Loans or Commitments pursuant to the terms set forth in an Extension Offer (each, an “**Extension**,” and each group of Loans or Commitments so extended, as well as any Loans of the same Class not so extended, each being a “**tranche**” for purposes of this Section 2.16). Each Extension Offer will specify the minimum amount of Loans or Commitments with respect to which an Extension Offer may be accepted, which will be an integral multiple of \$1.0 million and an aggregate principal amount that is not less than \$10.0 million, or if less, (a) the aggregate principal amount of such Loans outstanding or (b) such lesser minimum amount as is approved by the Administrative Agent, such consent not to be unreasonably withheld, conditioned or delayed. Extension Offers will be made on a *pro rata* basis to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date. If the aggregate outstanding principal amount of such Loans (calculated on the face amount thereof) or Commitments in respect of which Lenders have accepted an Extension Offer exceeds the maximum aggregate principal amount of Loans or Commitments offered to be extended pursuant to such Extension Offer, then the Loans or Commitments of such Lenders will be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any “most favored nation” pricing provisions, any condition on the non-existence of any Default or Event of Default or any financial ratio tests. The terms of an Extension Offer shall be determined by the Borrower, and Extension Offers may contain one or more conditions to their effectiveness, including a condition that a minimum amount of Loans or Commitments of any or all applicable tranches be tendered.

(2) Extension Amendments. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (each, an “**Extension Amendment**”) as may be necessary or appropriate in order to effect the provisions of this Section 2.16, establish new tranches in respect of Extended Revolving Credit Loans and Extended Revolving Credit Commitments and such amendments as permitted by clause (5) below as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such Extended Revolving Credit Loans and Extended Revolving Credit Commitments. Extensions will not constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement. It is understood that no existing Lender will have an obligation to participate in Extended Revolving Credit Loans or Extended Revolving Credit Commitments of any Class of Revolving Credit Loans, and any Lender who fails to accept an offer to participate in writing shall be deemed to have rejected the offer. Any Lender of an existing Class of Revolving Credit Loans that elects (or that has

deemed to have elected) not to participate in Extended Revolving Credit Loans or Extended Revolving Credit Commitments of such Class of Revolving Credit Loans shall be referred to herein as a “**Non-Extended Lender**”.

(3) Terms of Extension Offers and Extension Amendments. The terms of any Extended Revolving Credit Loans and Extended Revolving Credit Commitments will be set forth in an Extension Offer and as agreed between the Borrower and the Extending Lenders accepting such Extension Offer; *provided that*:

(a) the final maturity date of such Extended Revolving Credit Loans and Extended Revolving Credit Commitments will be no earlier than the Latest Maturity Date applicable to the Loans or Commitments subject to such Extension Offer;

(b) [reserved];

(c) [reserved];

(d) such Extended Revolving Credit Loans and Extended Revolving Credit Commitments are not secured by any assets or property that does not constitute Collateral and may not be secured on a senior basis to the existing Revolving Credit Loans;

(e) such Extended Revolving Credit Loans and Extended Revolving Credit Commitments are not guaranteed by any Subsidiary of the Borrower other than a Subsidiary Loan Party; and

(f) the terms, conditions, covenants and events of default applicable to Extended Revolving Credit Loans or Extended Revolving Credit Commitments are, except as to pricing terms (interest rate and fees) and maturity, substantially identical to, or, taken as a whole, no more favorable to the lenders or holders providing such indebtedness than, those subject to such Extension Offer, as determined in good faith by a Responsible Officer of the Borrower.

Any Extended Revolving Credit Loans will constitute a separate tranche of Revolving Credit Loans from the Revolving Credit Loans held by Lenders that did not accept the applicable Extension Offer.

(4) Extension of Revolving Credit Commitments. In the case of any Extension of Revolving Credit Commitments or Revolving Credit Loans, the following shall apply:

(a) all borrowings and all prepayments of Revolving Credit Loans shall continue to be made on a ratable basis among all Revolving Credit Lenders, based on the relative amounts of their Revolving Credit Commitments, until the repayment of the Revolving Credit Loans attributable to the non-extended Revolving Credit Commitments on the relevant Maturity Date; provided that the Borrower shall be permitted to repay the Revolving Credit Loans attributable to non-extended Revolving Credit Commitments on the relevant Maturity Date without the necessity of making any pro rata payments to Extending Lenders;

(b) the allocation of the participation exposure with respect to any then-existing or subsequently issued Letter of Credit as between the Revolving Credit Commitments of such new tranche and the remaining Revolving Credit Commitments shall be made on a ratable basis in accordance with the relative amounts thereof until the Maturity Date relating to such non-extended Revolving Credit Commitments has occurred;

(c) no termination of extended Revolving Credit Commitments and no repayment of extended Revolving Credit Loans accompanied by a corresponding permanent reduction in extended Revolving Credit Commitments shall be permitted unless such termination or repayment (and corresponding reduction) is accompanied by at least a pro rata termination or permanent repayment (and corresponding pro rata permanent reduction), as applicable, of each other tranche of Revolving Credit Loans and Revolving Credit Commitments (or each other tranche of Revolving Credit Commitments and Revolving Credit Loans shall have otherwise been terminated and repaid in full);

(d) the Maturity Date with respect to the Revolving Credit Commitments may not be extended without the prior written consent of the Swing Line Lender and the Issuing Banks; and

(e) at no time shall there be more than three (3) different tranches of Revolving Credit Commitments (or greater than three (3) tranches to the extent agreed by the Administrative Agent).

If the aggregate Outstanding Amount of Revolving Credit Loans, Swing Line Loans and L/C Obligations exceeds the Revolving Credit Commitment as a result of the occurrence of the Maturity Date with respect to any tranche of Revolving Credit Commitments while an extended tranche of Revolving Credit Commitments remains outstanding, the Borrower shall make such payments as are necessary in order to eliminate such excess on such Maturity Date.

(5) Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or condition), the Borrower and the applicable Extending Lender. The transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Revolving Credit Loans on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16 will not apply to any of the transactions effected pursuant to this Section 2.16.

Section 2.17 Defaulting Lenders.

(1) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove of any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(b) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the relevant Swing Line Lender or Issuing Banks hereunder; third, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, to the payment of any amounts owing to the Lenders, the relevant Swing Line Lender or Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the

relevant Swing Line Lender or Issuing Banks against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and sixth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (i) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (ii) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(1)(b) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(c) Certain Fees. That Defaulting Lender (i) shall not be entitled to receive any commitment fee pursuant to Section 2.09(1) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (ii) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(9).

(d) Reallocation of Pro Rata Share to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans pursuant to Section 2.03, the "Pro Rata Share" of each Non-Defaulting Lender's Revolving Credit Loans and L/C Obligations shall be computed without giving effect to the Commitment of that Defaulting Lender; *provided* that (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default has occurred and is continuing; and (ii) the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans shall not exceed the positive difference, if any, of (1) the Commitment of that Non-Defaulting Lender *minus* (2) the aggregate Outstanding Amount of the Revolving Credit Loans of that Non-Defaulting Lender. If the reallocation described above in this clause (d) cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under any law, (x) first, prepay Swing Line Loans in an amount equal to the Swing Line Lender's Fronting Exposure and (y) second, Cash Collateralize the applicable Issuing Bank's Fronting Exposure in accordance with the procedures set forth in Section 2.03.

(2) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Swing Line Lender and the relevant Issuing Banks agree in writing in their sole discretion (such agreement not to be unreasonably withheld or delayed) that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Credit Loans of the applicable Facility and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Share of the applicable Facility (without giving effect to Section 2.17(1)(d)), whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; *provided further* that except to the extent

otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. So long as any Lender is a Defaulting Lender, (i) the Swing Line Lender shall not be required to fund any Swing Line Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swing Line Loan and (ii) no Issuing Bank shall be required to issue, extent, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

Section 3.01 Taxes.

(1) Except as required by applicable Law, any and all payments by any Loan Party to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes.

(2) If any Loan Party or any other applicable withholding agent is required by applicable Law (as determined in the good faith discretion of such Loan Party or withholding agent) to make any deduction or withholding on account of any Taxes from any sum paid or payable by any Loan Party to any Lender or Agent under any of the Loan Documents:

(a) the applicable Loan Party shall notify the Administrative Agent of any such requirement or any change in any such requirement as soon as such Loan Party becomes aware of it;

(b) the applicable Loan Party or other applicable withholding agent shall be entitled to make such deduction or withholding and shall pay any amounts deducted or withheld to the relevant Governmental Authority any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Loan Party) for its own account or (if that liability is imposed on the Lender or Agent) on behalf of and in the name of the Lender or Agent (as applicable);

(c) if the Tax in question is a Non-Excluded Tax or Other Tax, the sum payable to such Lender or Agent (as applicable) shall be increased by such Loan Party to the extent necessary to ensure that, after the making of any required deduction or withholding for Non-Excluded Taxes or Other Taxes (including any deductions or withholdings for Non-Excluded Taxes or Other Taxes attributable to any payments required to be made under this Section 3.01), the Lender or the Agent (as applicable) receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and

(d) within thirty days after paying any sum from which it is required by Law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which it is required by clause (b) above to pay, the Borrower shall deliver to the Administrative Agent evidence reasonably satisfactory to the other affected parties of such deduction or withholding and of the remittance thereof to the relevant Governmental Authority.

(3) Status of Lender. The Administrative Agent and each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Laws or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under any

Loan Document. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(3)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and Administrative Agent of its inability to do so.

Without limiting the foregoing:

(a) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which such Lender becomes a party to this Agreement two properly completed and duly signed copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(b) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which such Lender becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(i) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(ii) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit H (any such certificate, a “**United States Tax Compliance Certificate**”) and (B) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), executed originals of Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by a Form W-8ECI, Form W-8BEN or W-8BEN-E, as applicable, a United States Tax Compliance Certificate, Form W-9, Form W-8IMY and any other required information (or any successor forms) from each beneficial owner that would be required under this Section 3.01(3) if such beneficial owner were a Lender, as applicable (*provided* that if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Foreign Lender on behalf of such beneficial owner), or

(v) two properly completed and duly signed copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, United States federal withholding Tax on any payments to such Lender under the Loan Documents.

(c) If a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such

Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, the term "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this clause (c), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(4) In addition to the payments by a Loan Party required by Section 3.01(2), the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(5) The Loan Parties shall, jointly and severally, indemnify a Lender or Agent (each a "**Tax Indemnatee**"), within 10 days after written demand therefor, for the full amount of any Non-Excluded Taxes paid or payable by such Tax Indemnatee on or attributable to any payment under or with respect to any Loan Document, and any Other Taxes payable by such Tax Indemnatee (including Non-Excluded Taxes or Other Taxes imposed on or attributable to amounts payable under this Section 3.01), whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Tax Indemnatee or by the Administrative Agent on its own behalf or on behalf of another Tax Indemnatee, shall be conclusive absent manifest error.

(6) If and to the extent that a Tax Indemnatee, in its sole discretion (exercised in good faith), determines that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), then such Tax Indemnatee shall pay to the relevant Loan Party the amount of such refund, net of all out-of-pocket expenses of the Tax Indemnatee (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Loan Party, upon the request of the Tax Indemnatee, agrees to repay the amount paid over by the Tax Indemnatee (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Tax Indemnatee to the extent the Tax Indemnatee is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (6), in no event will the Tax Indemnatee be required to pay any amount to a Loan Party pursuant to this paragraph (6) the payment of which would place the Tax Indemnatee in a less favorable net after-Tax position than the Tax Indemnatee would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require a Tax Indemnatee to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(7) For purposes of determining withholding Taxes imposed under FATCA, from and after the Closing Date of this Agreement, the Borrower and the Agents shall treat (and the Lenders hereby authorize the Agents to treat) this Agreement as not qualifying as a "grandfathered obligation" within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

(8) The agreements in this Section 3.01 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Section 3.02 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on written notice thereof by such Lender to the Borrower through the Administrative Agent, (1) any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended, and (2) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be reasonably determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (a) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate) and (b) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurodollar Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 3.03 Inability to Determine Rates.

(a) If in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof, (i) the Administrative Agent determines that (A) Dollar deposits are not being offered to banks in the London interbank Eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan, or (B) (x) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan and (y) the circumstances described in Section 3.03(c)(i) do not apply (in each case with respect to this clause (i), “**Impacted Loans**”), or (ii) the Administrative Agent or the Required Lenders determine that for any reason the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Eurodollar Rate Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended, (to the extent of the affected Eurodollar Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the Eurodollar Rate component of the Base Rate, the utilization of the Eurodollar Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (or, in the case of a determination by the Required Lenders described in clause (ii) of Section 3.03(a), until the Administrative Agent upon instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans (to the extent of the affected Eurodollar Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(b) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (i) of Section 3.03(a), the Administrative Agent, in consultation with the Borrower and Required Lenders, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (i) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (i) of the first sentence of Section 3.03(a), (ii) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (iii) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

(c) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining LIBOR for any Interest Period hereunder or any other tenors of LIBOR, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent or such administrator has made a public statement identifying a specific date after which LIBOR or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans, provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent, that will continue to provide LIBOR after such specific date (such specific date, the “**Scheduled Unavailability Date**”); or

(iii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over such administrator has made a public statement announcing that all Interest Periods and other tenors of LIBOR are no longer representative; or

(iv) syndicated loans currently being executed, or that include language similar to that contained in this Section 3.03, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR,

then, in the case of clauses (i)-(iii) above, on a date and time determined by the Administrative Agent (any such date, the “**LIBOR Replacement Date**”), which date shall be at the end of an Interest Period or on the relevant interest payment date, as applicable, for interest calculated and shall occur reasonably promptly upon the occurrence of any of the events or circumstances under clauses (i), (ii) or (iii) above and, solely with respect to clause (ii) above, no later than the Scheduled Unavailability Date, LIBOR will be replaced hereunder and under any Loan Document with, subject to the proviso below, the first available alternative set forth in the order below for any payment period for interest calculated that can be determined by the Administrative Agent, in each case, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (the “**LIBOR Successor**

Rate”; and any such rate before giving effect to the Related Adjustment, the “**Pre-Adjustment Successor Rate**”):

- (x) Term SOFR *plus* the Related Adjustment; and
- (y) SOFR *plus* the Related Adjustment;

and in the case of clause (iv) above, the Borrower and Administrative Agent may amend this Agreement solely for the purpose of replacing LIBOR under this Agreement and under any other Loan Document in accordance with the definition of “LIBOR Successor Rate” and such amendment will become effective at 5:00 p.m., on the fifth Business Day after the Administrative Agent shall have notified all Lenders and the Borrower of the occurrence of the circumstances described in clause (iv) above unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to the implementation of a LIBOR Successor Rate pursuant to such clause;

provided that, if the Administrative Agent determines that Term SOFR has become available, is administratively feasible for the Administrative Agent and would have been identified as the Pre-Adjustment Successor Rate in accordance with the foregoing if it had been so available at the time that the LIBOR Successor Rate then in effect was so identified, and the Administrative Agent notifies the Borrower and each Lender of such availability, then from and after the beginning of the Interest Period, relevant interest payment date or payment period for interest calculated, in each case, commencing no less than thirty (30) days after the date of such notice, the Pre-Adjustment Successor Rate shall be Term SOFR and the LIBOR Successor Rate shall be Term SOFR *plus* the relevant Related Adjustment.

The Administrative Agent will promptly (in one or more notices) notify the Borrower and each Lender of (x) any occurrence of any of the events, periods or circumstances under clauses (i) through (iii) above, (y) a LIBOR Replacement Date and (z) the LIBOR Successor Rate.

Any LIBOR Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Administrative Agent, such LIBOR Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent.

Notwithstanding anything else herein, if at any time any LIBOR Successor Rate as so determined would otherwise be less than the LIBOR Floor, the LIBOR Successor Rate will be deemed to be the LIBOR Floor for the purposes of this Agreement and the other Loan Documents.

In connection with the implementation of a LIBOR Successor Rate, the Administrative Agent will have the right to make LIBOR Successor Rate Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such LIBOR Successor Rate Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such LIBOR Successor Rate Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective.

If the events or circumstances of the type described in 3.03(c)(i)-(iii) have occurred with respect to the LIBOR Successor Rate then in effect, then the successor rate thereto shall be determined in accordance with the definition of “LIBOR Successor Rate.”

(d) Notwithstanding anything to the contrary herein, (i) after any such determination by the Administrative Agent or receipt by the Administrative Agent of any such notice described under Section 3.03(c)(i)-(iii), as applicable, if the Administrative Agent determines that none of the LIBOR

Successor Rates is available on or prior to the LIBOR Replacement Date, (ii) if the events or circumstances described in Section 3.03(c)(iv) have occurred but none of the LIBOR Successor Rates is available, or (iii) if the events or circumstances of the type described in Section 3.03(c)(i)-(iii) have occurred with respect to the LIBOR Successor Rate then in effect and the Administrative Agent determines that none of the LIBOR Successor Rates is available, then in each case, the Administrative Agent and the Borrower may amend this Agreement solely for the purpose of replacing LIBOR or any then current LIBOR Successor Rate in accordance with this Section 3.03 at the end of any Interest Period, relevant interest payment date or payment period for interest calculated, as applicable, with another alternate benchmark rate giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such alternative benchmarks and, in each case, including any Related Adjustments and any other mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion and may be periodically updated. For the avoidance of doubt, any such proposed rate and adjustments shall constitute a LIBOR Successor Rate. Any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

(e) If, at the end of any Interest Period, relevant interest payment date or payment period for interest calculated, no LIBOR Successor Rate has been determined in accordance with clauses (c) or (d) of this Section 3.03 and the circumstances under clauses (c)(i) or (c)(iii) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended, (to the extent of the affected Eurodollar Rate Loans, Interest Periods, interest payment dates or payment periods), and (y) the Eurodollar Rate component shall no longer be utilized in determining the Base Rate, until the LIBOR Successor Rate has been determined in accordance with clauses (c) or (d). Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans (to the extent of the affected Eurodollar Rate Loans, Interest Periods, interest payment dates or payment periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans (subject to the foregoing clause (y)) in the amount specified therein.

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurodollar Rate Loan.

(1) Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(b) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Eurodollar Rate Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes or Other Taxes covered by Section 3.01 and any Excluded Taxes); or

(c) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans made by such Lender that is not otherwise accounted for in the definition of “Eurodollar Rate” or this clause (c);

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate (or of maintaining its obligation to make any such Loan or Letter of Credit), or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(1) so long as it is such Lender’s general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(2) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender’s holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender’s capital or on the capital of such Lender’s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, or participations in or issuance of Letters of Credit by such Lender, to a level below that which such Lender or such Lender’s holding company, as the case may be, could have achieved but for such Change in Law (taking into consideration such Lender’s policies and the policies of such Lender’s holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender additional amount or amounts as will compensate such Lender or such Lender’s holding company for any such reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(2) so long as it is such Lender’s general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(3) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (1) or (2) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

Section 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(1) any continuation, conversion, payment or prepayment of any Eurodollar Rate Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(2) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurodollar Rate Loan on the date or in the amount notified by the Borrower; or

(3) any assignment of a Eurodollar Rate Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.07; including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Eurodollar Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

Notwithstanding the foregoing, no Lender may make any demand under this Section 3.05 with respect to the “floor” specified in the proviso to the definition of “Eurodollar Rate”.

Section 3.06 Matters Applicable to All Requests for Compensation.

(1) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (b) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(2) Suspension of Lender Obligations. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurodollar Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurodollar Rate Loans until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(3) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(3) Conversion of Eurodollar Rate Loans. If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender’s Eurodollar Rate Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurodollar Rate Loans made by other Lenders, as applicable, are outstanding, such Lender’s Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurodollar Rate Loans to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Eurodollar Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

(4) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Sections 3.01 or 3.04 shall not constitute a waiver of such Lender’s right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender’s intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

Section 3.07 Replacement of Lenders under Certain Circumstances. If (1) any Lender requests compensation under Section 3.04 or ceases to make Eurodollar Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (2) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (3) any Lender is a Non-Consenting Lender or Non-Extended Lender, (4) any Lender becomes a Defaulting Lender or (5) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent:

(a) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (3) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver, or amendment, as applicable) and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided that*:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(ii) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05);

(iii) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to all, or a portion, as applicable, of such Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided that* the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(iv) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans and Commitments, except with respect to indemnification and confidentiality provisions under this Agreement, which shall survive as to such assigning Lender;

(v) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(vi) such assignment does not conflict with applicable Laws;

(vii) any Lender that acts as an Issuing Bank may not be replaced hereunder at any time when it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such Issuing Bank (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to such Issuing Bank or the depositing of Cash Collateral into a Cash Collateral Account in amounts and pursuant to

arrangements reasonably satisfactory to such Issuing Bank) have been made with respect to each such outstanding Letter of Credit; and

(viii) the Lender that acts as Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.11, or

(b) terminate the Commitment of such Lender or Issuing Bank, as the case may be, and (A) in the case of a Lender (other than an Issuing Bank), repay all Obligations of the Borrower owing to such Lender relating to the Loans and participations held by such Lender as of such termination date and (B) in the case of an Issuing Bank, repay all Obligations of the Borrower owing to such Issuing Bank relating to the Loans and participations held by such Issuing Bank as of such termination date and Cash Collateralize, cancel or backstop, or provide for the deemed reissuance under another facility, on terms satisfactory to such Issuing Bank any Letters of Credit issued by it; *provided* that in the case of any such termination of the Commitment of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable consent, waiver or amendment of the Loan Documents and such termination shall, with respect to clause (3) above, be in respect of all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment.

(c) In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans/Commitments and (iii) the Required Lenders have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a **“Non-Consenting Lender.”**

(d) A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

(e) Notwithstanding anything herein to the contrary, each party hereto agrees that any assignment pursuant to the terms of this Section 3.07 may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender making such assignment need not be a party thereto

Section 3.08 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments, repayment, satisfaction or discharge of all other Obligations under this Agreement and resignation of the Administrative Agent.

ARTICLE IV

Conditions Precedent to Revolving Credit Borrowings

(6) quarterly, upon request of the Administrative Agent, at a time mutually agreed with the Administrative Agent that is promptly after the delivery of the information required pursuant to Section 6.01(1) and Section 6.01(2) above, as applicable, to participate in a conference call for Lenders to discuss the financial position and results of operations of the Borrower and its Subsidiaries for the most recently ended period for which financial statements have been delivered.

Notwithstanding the foregoing, the obligations referred to in Sections 6.01(1), ~~6.01(2)~~ and 6.01(3~~2~~) may be satisfied with respect to financial information of the Borrower and its Subsidiaries by furnishing (A) the applicable financial statements of any Parent Company or (B) the Borrower's or such Parent Company's Form 10-K or 10-Q, as applicable, filed with the SEC (and the public filing of such report with the SEC shall constitute delivery under this Section 6.01); *provided* that with respect to each of the preceding clauses (A) and (B), (1) to the extent such information relates to a parent of the Borrower, if and so long as such Parent Company will have Independent Assets or Operations, such information is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such Parent Company and its Independent Assets or Operations, on the one hand, and the information relating to the Borrower and the consolidated Restricted Subsidiaries on a stand-alone basis, on the other hand and (2) to the extent such information is in lieu of information required to be provided under Section 6.01(1) (it being understood that such information may be audited at the option of the Borrower), such materials are accompanied by a report and opinion of PricewaterhouseCoopers, LLP, KPMG LLP or any other independent registered public accounting firm of nationally recognized standing or another accounting firm reasonably acceptable to the Administrative Agent, which report and opinion (x) shall be prepared in accordance with generally accepted auditing standards and (y) shall not be subject to any qualification as to the scope of such audit or be subject to any explanatory statement as to the Borrower's ability to continue as a "going concern" or like qualification (other than with respect to (i) an upcoming maturity of the Loans under this Agreement, the First Lien Facility or the Second Lien Facility or (ii) any anticipated inability to satisfy any financial maintenance covenant).

Any financial statements required to be delivered pursuant to Sections 6.01(1) or 6.01(2) shall not be required to contain all purchase accounting adjustments relating to the Closing Date Transactions or the Third Amendment Transactions or any other transaction(s) permitted hereunder to the extent it is not practicable to include any such adjustments in such financial statements.

Each Lender and the Administrative Agent hereby acknowledges and agrees that the Borrower and its Subsidiaries may be required to restate historical financial statements as the result of the implementation of changes in GAAP, or the respective interpretation thereof, and that such restatements will not result in a Default or an Event of Default under the Loan Documents.

Section 6.02 Certificates; Other Information. Deliver to the Administrative Agent for prompt further distribution by the Administrative Agent to each Lender:

(1) no later than five (5) days after the delivery of the financial statements referred to in Sections 6.01(1), (2) and (3), a duly completed Compliance Certificate signed by a Financial Officer of the Borrower;

(2) promptly after the same are publicly available, copies of all annual, regular, periodic and special reports, proxy statements and registration statements which the Borrower or any Restricted Subsidiary files with the SEC or with any Governmental Authority that may be substituted therefor or with any national securities exchange, as the case may be (other than amendments to any registration statement (to the extent such registration statement, in the form it became effective, is delivered to the Administrative Agent), exhibits to any registration statement and, if applicable, any registration statement on Form S-8), and in any case not otherwise required to be delivered to the Administrative Agent pursuant to any other clause of this Section 6.02;

(3) promptly after the furnishing thereof, copies of any notices of default to any holder of any class or series of debt securities of any Loan Party having an aggregate outstanding principal amount greater than the Threshold Amount or pursuant to the First Lien Facility and/or the Second Lien Facility, so long as the aggregate outstanding principal amount thereunder is greater than the Threshold Amount (in each case, other than in connection with any board observer rights) and not otherwise required to be furnished to the Administrative Agent pursuant to any other clause of this Section 6.02;

(4) together with the delivery of the Compliance Certificate with respect to the financial statements referred to in Section 6.01(1), (a) a report setting forth the information required by Sections 1(a), (e) and (f) and Section 11 of the Perfection Certificate (or confirming that there has been no change in such information since the latter of the Closing Date or the last such report) and (b) a list of each Subsidiary of the Borrower that identifies each Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary as of the date of delivery of such list or a confirmation that there is no change in such information since the later of the Closing Date and the last such list; and

(5) promptly, such additional information regarding the business and financial affairs of any Loan Party or any Material Subsidiary that is a Restricted Subsidiary, or compliance with the terms of the Loan Documents, as the Administrative Agent may from time to time on its own behalf or on behalf of any Lender reasonably request in writing from time to time.

Documents required to be delivered pursuant to Section 6.01 or Section 6.02(2) may be delivered electronically and if so delivered, shall be deemed to have been delivered on the date (a) on which the Borrower posts such documents, or provides a link thereto, on the Borrower's (or any Parent Company's) website on the Internet at the website address listed on Schedule 10.02 hereto (or as such address may be updated from time to time in accordance with Section 10.02); or (b) on which such documents are posted on the Borrower's behalf on SyndTrak or another relevant website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); *provided* that (i) upon written request by the Administrative Agent, the Borrower will deliver paper copies of such documents to the Administrative Agent for further distribution by the Administrative Agent to each Lender until a written request to cease delivering paper copies is given by the Administrative Agent and (ii) the Borrower shall notify (which may be by facsimile or electronic mail) the Administrative Agent of the posting of any such documents or link and, upon the Administrative Agent's request, provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents.

The Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders materials or information provided by or on behalf of the Borrower hereunder (collectively, the "**Borrower Materials**") by posting the Borrower Materials on SyndTrak or another similar electronic system (the "**Platform**") and (b) certain of the Lenders may have personnel who do not wish to receive any information with respect to the Borrower, its Subsidiaries or their respective securities that is not

Public-Side Information, and who may be engaged in investment and other market-related activities with respect to such Person's securities. The Borrower hereby agrees that (i) at the Administrative Agent's request, all Borrower Materials that are to be made available to Public Lenders will be clearly and conspicuously marked "PUBLIC" which, at a minimum, means that the word "PUBLIC" will appear prominently on the first page thereof; (ii) by marking Borrower Materials "PUBLIC," the Borrower will be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as containing only Public-Side Information (*provided, however*, that to the extent such Borrower Materials constitute Information, they will be treated as set forth in Section 10.09); (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated as "Public Side Information"; and (iv) the Administrative Agent and the Arrangers will treat the Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated as "Public Side Information." Notwithstanding the foregoing, the Borrower shall be under no obligation to mark the Borrower Materials "PUBLIC."

Anything to the contrary notwithstanding, nothing in this Agreement will require Holdings, the Borrower or any Subsidiary to disclose, permit the inspection, examination or making copies or abstracts of, or discussion of, any document, information or other matter, or provide information (i) that constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure is prohibited by Law or binding agreement or (iii) that is subject to attorney-client or similar privilege or constitutes attorney work product.

Section 6.03 Notices. Promptly after a Responsible Officer obtains actual knowledge thereof, notify the Administrative Agent, who will in turn notify the Lenders (it being understood that the failure to so notify shall not constitute a Default or an Event of Default hereunder), of:

- (1) any Default, specifying the nature and extent thereof and the corrective action (if any) proposed to be taken with respect thereto;
- (2) (a) any dispute, litigation, investigation or proceeding between any Loan Party and any arbitrator or Governmental Authority, (b) the filing or commencement of, or any material development in, any litigation or proceeding affecting any Loan Party or its Subsidiary, or (c) the occurrence of any ERISA Event that, in any such case referred to in clauses (a), (b) or (c) of this Section 6.03(2), has resulted or would reasonably be expected to result in a Material Adverse Effect; and
- (3) any material change in accounting policies or financial reporting practices by any Loan Party with respect Accounts Receivable, Credit Card Processor Accounts and Inventory or other changes, in each case, which impact the calculation of the Borrowing Base or Reserves in a manner that is adverse to the interests of the Lenders.

Section 6.04 Payment of Obligations. Timely pay, discharge or otherwise satisfy, as the same shall become due and payable, all of its obligations and liabilities in respect of Taxes imposed upon it or upon its income or profits or in respect of its property, except, in each case, to the extent (1) any such Tax is being contested in good faith and by appropriate actions for which appropriate reserves have been established in accordance with GAAP or (2) the failure to pay or discharge the same would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

Section 6.05 Preservation of Existence, etc.

- (1) Preserve, renew and maintain in full force and effect its legal existence under the Laws of the jurisdiction of its organization; and
- (2) take all reasonable action to obtain, preserve, renew and keep in full force and effect its rights, licenses, permits, privileges, franchises, and IP Rights material to the conduct of its business,
- (3) except in the case of clauses (1) or (2) to the extent (other than with respect to the preservation of the existence of the Borrower set forth in clause (1)) that failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or pursuant to any merger, consolidation, liquidation, dissolution or disposition permitted by Article VII.

Section 6.06 Maintenance of Properties. Except if the failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, maintain, preserve and protect all of its material properties and equipment used in the operation of its business in reasonably good working order, repair and condition, ordinary wear and tear excepted and casualty or condemnation excepted.

Section 6.07 Maintenance of Insurance. Maintain with insurance companies that the Borrower believes (in the good faith judgment of its management) are financially sound and reputable at the time the relevant coverage is placed or renewed or with a Captive Insurance Subsidiary, insurance with respect to the Borrower's and the Restricted Subsidiaries' properties and business against loss or damage of the kinds customarily insured against by Persons engaged in the same or similar business, of such types and in such amounts (after giving effect to any self-insurance reasonable and customary for similarly situated Persons engaged in the same or similar businesses as the Borrower and the Restricted Subsidiaries) as are customarily carried under similar circumstances by such other Persons, and will furnish to the Lenders, upon written request from the Administrative Agent, information presented in reasonable detail as to the insurance so carried; *provided* that notwithstanding the foregoing, in no event will the Borrower or any Restricted Subsidiary be required to obtain or maintain insurance that is more restrictive than what is consistent with past practice. Each such policy of insurance will as appropriate, (i) name the Collateral Agent, on behalf of the Secured Parties, as an additional insured thereunder as its interests may appear or (ii) in the case of each casualty insurance policy, contain an additional loss payable clause or endorsement that names the Collateral Agent, on behalf of the Secured Parties, as the additional loss payee thereunder. Compliance with Laws. Comply in all material respects with the requirements of all Laws and all orders, writs, injunctions and decrees of any Governmental Authority applicable to it or to its business or property (including ERISA, the USA PATRIOT Act, Sanctions, OFAC and FCPA), except if the failure to comply therewith would not reasonably be expected individually or in the aggregate to have a Material Adverse Effect. Books and Records. Maintain proper books of record and account, in which entries that are full, true and correct in all material respects shall be made of all material financial transactions and matters involving the assets and business of the Borrower or such Restricted Subsidiary, as the case may be (it being understood and agreed that certain Foreign Subsidiaries may maintain individual books and records in conformity with generally accepted accounting principles in their respective countries of organization and that such maintenance shall not constitute a breach of the representations, warranties or covenants hereunder). Inspection Rights. Permit representatives and independent contractors of the Administrative Agent and each Lender to visit and inspect any of its properties, to examine its corporate, financial and operating records, and make copies thereof or abstracts therefrom and to discuss its affairs, finances and accounts with its directors, officers, and independent public accountants (subject to such accountants' customary policies and procedures), all at the reasonable expense of the Borrower and at such reasonable times during normal business hours and as often as may be reasonably desired, upon reasonable advance notice to the Borrower; *provided* that only the

Administrative Agent on behalf of the Lenders may exercise rights of the Administrative Agent and the Lenders under this Section 6.10 and the Administrative Agent shall not exercise such rights more often than two (2) times during any calendar year absent the existence of an Event of Default and only one (1) such time shall be at the Borrower's expense; *provided further* that when an Event of Default exists, the Administrative Agent (or any of its representatives or independent contractors) may do any of the foregoing at the expense of the Borrower at any time during normal business hours and upon reasonable advance notice. The Administrative Agent shall give the Borrower the opportunity to participate in any discussions with the Borrower's independent public accountants. For the avoidance of doubt, this Section 6.10 is subject to the last paragraph of Section 6.02.

Section 6.11 Covenant to Guarantee Obligations and Give Security. At the Borrower's expense, subject to the provisions of the Collateral and Guarantee Requirement and any applicable limitation in any Collateral Document, take all action necessary or reasonably requested by the Administrative Agent or the Collateral Agent to ensure that the Collateral and Guarantee Requirement continues to be satisfied, including: (x) upon (i) the formation or acquisition of any new direct or indirect wholly owned Material Domestic Subsidiary (other than any Excluded Subsidiary) by any Loan Party, (ii) the designation of any existing direct or indirect wholly owned Material Domestic Subsidiary (other than any Excluded Subsidiary) as a Restricted Subsidiary, (iii) any Subsidiary (other than any Excluded Subsidiary) becoming a wholly owned Material Domestic Subsidiary or (iv) an Excluded Subsidiary that is a Material Domestic Subsidiary ceasing to be an Excluded Subsidiary but continuing as a Restricted Subsidiary of the Borrower, (y) upon the acquisition of any material assets by the Borrower or any Subsidiary Guarantor or (z) with respect to any Subsidiary at the time it becomes a Loan Party, for any material assets held by such Subsidiary (in each case, other than assets constituting Collateral under a Collateral Document that becomes subject to the Lien created by such Collateral Document upon acquisition thereof (without limitation of the obligations to perfect such Lien)):

(a) within sixty (60) days (or such greater number of days specified below) after such formation, acquisition or designation or, in each case, such longer period as the Administrative Agent may agree in its reasonable discretion cause such Material Domestic Subsidiary required to become a Guarantor under the Collateral and Guarantee Requirement to execute the Guaranty (or a joinder thereto) and other documentation the Administrative Agent may reasonably request from time to time in order to carry out more effectively the purposes of the Guaranty and the Collateral Documents and

(B) within sixty (60) days after such formation, acquisition or designation, cause each such Material Domestic Subsidiary that is required to become a Guarantor pursuant to the Collateral and Guarantee Requirement to deliver any and all certificates representing Equity Interests (to the extent certificated) that are required to be pledged pursuant to the Collateral and Guarantee Requirement, accompanied by undated stock powers or other appropriate instruments of transfer executed in blank and a joinder to the

Intercompany Subordination Agreement substantially in the form of Annex I thereto with respect to the intercompany Indebtedness held by such Material Domestic Subsidiary;

(C) within sixty (60) days after such formation, acquisition or designation, take and cause (i) the applicable Material Domestic Subsidiary that is required to become a Guarantor pursuant to the Collateral and Guarantee Requirement and (ii) to the extent applicable, each direct or indirect parent of such applicable Material Domestic Subsidiary, in each case, to take customary action(s) (including the filing of Uniform Commercial Code financing statements and delivery of stock and membership interest certificates to the extent certificated) as may be necessary in the reasonable opinion of the Administrative Agent to vest in the Collateral Agent (or in any representative of the Collateral Agent designated by it) valid and perfected (subject to Liens permitted by Section 7.01) Liens required by the Collateral and Guarantee Requirement, enforceable against all third parties in accordance with their terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity (regardless of whether enforcement is sought in equity or at law); and

(D) within sixty (60) days after the reasonable request therefor by the Administrative Agent (or such longer period as the Administrative Agent may agree in its reasonable discretion), deliver to the Administrative Agent a signed copy of a customary Opinion of Counsel, addressed to the Administrative Agent and the Lenders, of counsel for the Loan Parties reasonably acceptable to the Administrative Agent as to such matters set forth in this Section 6.11(1) as the Administrative Agent may reasonably request (with such opinion being consistent with the Opinion of Counsel delivered to the Administrative Agent on the Closing Date);

provided that actions relating to Liens on real property are governed by Section 6.11(2) and not this Section 6.11(1).

Section 6.12 Compliance with Environmental Laws. Except, in each case, to the extent that the failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (1) comply, and take all reasonable actions to cause any lessees and other Persons operating or occupying its properties to comply, with all applicable Environmental Laws and Environmental Permits (including any cleanup, removal or remedial obligations) and (2) obtain and renew all Environmental Permits required to conduct its operations or in connection with its properties.

Use of Proceeds.

(1) On the Closing Date, the proceeds of the Revolving Credit Loans borrowed on the Closing Date, together with the proceeds of the Equity Contribution, the First Lien Facility, the Second Lien Facility and any Specified Real Estate Financing, if applicable, were used (a) to consummate the Closing Date Refinancing, (b) to finance the Transaction Consideration and the Transaction Expenses, (c)

to fund any original issue discount or upfront fees in connection with the Closing Date Transactions resulting from the exercise of any “market flex” pursuant to the Fee Letter and (d) for working capital and general corporate purposes not prohibited by the terms of this Agreement; provided that in the case of the foregoing clauses (a) and (b), the aggregate amount of proceeds of the Revolving Credit Loans borrowed on the Closing Date to finance the consummation thereof shall not exceed \$450.0 million.

The Borrower shall, and shall cause its Restricted Subsidiaries to, maintain their fiscal year as in effect on the Closing Date; *provided, however*, that the Borrower may, upon written notice to the Administrative Agent, change its fiscal year to any other fiscal year reasonably acceptable to the Administrative Agent, in which case, the Borrower and the Administrative Agent will, and are hereby authorized by the Lenders to, make any adjustments to this Agreement that are necessary to reflect such change in fiscal year.

Section 6.17 Nature of Business. The Borrower shall and shall cause its Restricted Subsidiaries to, engage in material line of business substantially the same as those lines of business conducted by the Borrower and the Restricted Subsidiaries on the Closing Date or any business(es) or any other activities that are reasonably similar, ancillary, incidental, complimentary or related to, or a reasonable extension, development or expansion of, the business conducted or proposed to be conducted by the Borrower and the Restricted Subsidiaries on the Closing Date.

Section 6.18 Designation of Subsidiaries.

(a) Subject to Section 6.18(b) below, the Borrower may at any time designate any Restricted Subsidiary as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary; provided that (i) the designation of any Restricted Subsidiary as an Unrestricted Subsidiary shall constitute an Investment by the Borrower therein at the date of designation in an amount equal to the fair market value of the Borrower’s investment therein subject to (x) pro forma compliance with the Payment Conditions or (y) utilization of Investment capacity under clause (13) of the definition of Permitted Investment in the amount thereof and (ii) the designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute the incurrence at the time of designation of any Indebtedness or Liens of such Subsidiary existing at such time; and

(b) the Borrower may not (x) designate any Restricted Subsidiary as an Unrestricted Subsidiary, or (y) designate an Unrestricted Subsidiary as a Restricted Subsidiary, in each case unless no Event of Default shall have occurred or be continuing immediately before and after giving effect to such designation.

Section 6.19 Cash Receipts; Cash Dominion Period.

(1) Each Loan Party shall use commercially reasonable efforts to enter into an effective account control agreement (a “**Deposit Account Control Agreement**”) with each account bank, in each case, in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, with respect to each primary domestic concentration Deposit Account in which funds of the Borrower and the Subsidiary Guarantors from Cash Receipts of the Borrower and the Subsidiary Guarantors are deposited (including those existing as of the Third Amendment Effective Date and listed on Schedule 6.19 attached hereto, excluding Excluded Funds maintained in Excluded Accounts); *provided* that the applicable Loan Party shall enter into a Deposit Account Control Agreement with respect to any such Deposit Account (other than an Excluded Account) which is established after the Closing Date, promptly and in any event within ninety (90) days upon such establishment (or such longer period as the Administrative Agent may agree in its discretion). Notwithstanding anything in this section to the contrary, the provisions of this Section 6.19(1) shall not apply to any Deposit Account acquired by the Borrower and the Subsidiary Guarantors in connection with a Permitted Acquisition prior to the date that is 120 days (or such later date as the Administrative Agent may agree) following the consummation of such Permitted Acquisition.

(2) Each Deposit Account Control Agreement shall require (without further consent of the Loan Parties), and the Loan Parties shall cause, after the occurrence and during the continuance of a Cash Dominion Period and subject to the ABL Intercreditor Agreement, the ACH or wire transfer no less frequently than daily (and whether or not there are then any outstanding Obligations) to the concentration account maintained by, in the name of and under the sole dominion and control of the Administrative Agent (the “**Concentration Account**”), of all cash receipts and collections, set forth below, other than amounts in Excluded Accounts (collectively, the “**Cash Receipts**”):

(a) all available cash receipts from the sale of ABL Priority Collateral or casualty insurance proceeds arising from any of the foregoing;

(b) all proceeds of collections of Accounts; and

(c) the then contents of each Approved Deposit Account (in each case, net of any minimum balance as may be required to be kept therein by the institution at which such Deposit Account is maintained).

(3) The Concentration Account shall at all times be under the sole dominion and control of the Administrative Agent, subject to the Borrower’s right to use of the account as set forth in clause (4) below. The Borrower shall use commercially reasonable efforts to cause the applicable depository (if not the Administrative Agent) to provide daily reports to the Administrative Agent setting forth the balances in the Concentration Account (which may relate to the previous Business Day) (and it being understood that failure on the part of such depository bank to provide such reports shall not constitute a Default or Event of Default hereunder). The Loan Parties hereby acknowledge and agree that (i) the Borrower and the Subsidiary Guarantors have no right of withdrawal from the Concentration Account to the extent a Cash Dominion Period is in effect, (ii) the funds on deposit in the Concentration Account shall at all times be collateral security for all of the Obligations and (iii) the funds on deposit in the Concentration Account shall be applied as provided in this Agreement (subject to the ABL Intercreditor Agreement). In the event that, notwithstanding the provisions of this Section 6.19, during the continuation of any Cash Dominion Period, the Borrower or any Subsidiary Guarantor receives or otherwise has dominion and control of any Cash Receipts which are not on deposit in the Concentration Account, such Cash Receipts shall be held by the Borrower or any Subsidiary Guarantor for the Administrative Agent in Deposit Accounts subject to a Deposit Account Control Agreement and shall, not later than the Business Day after receipt thereof, be deposited into the Concentration Account or dealt with in such other fashion as the Borrower or any Subsidiary Guarantor may be instructed by the Administrative Agent.

(4) Subject to the ability of the Secured Parties to exercise remedies in accordance with Section 8.02 during the occurrence and continuance of an Event of Default, so long as no Cash Dominion Period is continuing, the Borrower and the Subsidiary Guarantors may direct, and shall have sole control over, the manner of disposition of funds in the Approved Deposit Accounts. The Administrative Agent and the other Secured Parties hereby acknowledge and agree that so long as no Cash Dominion Period is continuing the Borrower and the Subsidiary Guarantors shall have the right, subject to the ability of the Secured Parties to exercise remedies in accordance with Section 8.02 during the occurrence and continuance of an Event of Default, to withdraw all funds remaining on deposit in any Concentration Account and the Administrative Agent shall no longer be permitted to direct any account bank under any Deposit Account Control Agreement to ACH or wire transfer any Cash Receipts into any Concentration Account.

(5) Any amounts received in the Concentration Account following satisfaction of the Termination Conditions or to the extent no Cash Dominion Period is continuing shall be remitted to the operating account of the Borrower and the Subsidiary Guarantors maintained with the Administrative Agent or to an operating account otherwise designated by the Borrower.

(6) The Administrative Agent shall promptly (but in any event within three (3) Business Days) furnish written notice to each Approved Account Bank of any termination of a Cash Dominion Period.

Section 6.20 Borrowing Base Certificates.

(1) The Borrower shall provide the Administrative Agent with a Borrowing Base Certificate setting forth the calculation of the Borrowing Base and of Excess Availability as of the last Business Day of the applicable period set forth below, duly completed and executed by a Responsible Officer of the Borrower, together with all schedules required pursuant to the terms of the Borrowing Base Certificate duly completed:

(a) as soon as possible but in any event within twenty (20) days after the end of each calendar month (or on a more frequent basis at the discretion of the Borrower, provided that once a more frequent basis is elected it must be continued for the remainder of the current fiscal year after the date of such election); and

(b) during the continuance of an Increased Reporting Period, on each Wednesday of each week (calculated as of the immediately preceding Friday).

(2) The Borrower shall furnish to the Administrative Agent any information that the Administrative Agent may reasonably request regarding the determination and calculation of the Borrowing Base including correct and complete copies of any invoices, underlying agreements, instruments or other documents and the identity of all Account Debtors in respect of Accounts referred to therein.

Section 6.21 Appraisals and Field Examinations.

(1) The Administrative Agent may carry out, at the Borrower's expense, one (1) Inventory appraisal in any calendar year (with an additional Inventory appraisal at the expense of the Lenders or the Administrative Agent); *provided, however*, that notwithstanding the foregoing limitations (i) at any time after a Collateral Test Triggering Event, the Administrative Agent may carry out, at the Borrower's expense, two (2) inventory appraisals in such calendar year, and (ii) at any time during the continuation of

a Specified Event of Default, the Administrative Agent may carry out, at the Borrower's expense, inventory appraisals as frequently as determined by the Administrative Agent in its Permitted Discretion.

(2) The Administrative Agent may carry out, at the Borrower's expense, one (1) field examination in any calendar year (with an additional field examination at the expense of the Lenders or the Administrative Agent); *provided, however*, that notwithstanding the foregoing limitations, (i) at any time after a Collateral Test Triggering Event, the Administrative Agent may carry out, at the Borrower's expense, two (2) field examinations in such calendar year, and (ii) at any time during the continuation of a Specified Event of Default, the Administrative Agent may carry out, at the Borrower's expense, field examinations as frequently as determined by the Administrative Agent in its Permitted Discretion.

Section 6.22 Agent's Advisor. At any time that Excess Availability is less than 17.5% of the Maximum Borrowing Amount for a continuous period of ten (10) Business Days, the Administrative Agent, on behalf of itself, and the Lenders, shall be entitled to retain, in consultation with the Borrower, or continue to retain (either directly or through counsel), which retention shall continue for a period of not less than sixty (60) days (or such lesser period as determined by the Administrative Agent), one financial advisor the Administrative Agent may deem reasonably necessary (collectively, the "Agent's Advisor") to provide advice, analysis and reporting for the benefit of the Agents and the Lenders in respect of this Agreement and the other Loan Documents.

ARTICLE VII

Negative Covenants

So long as the Termination Conditions are not satisfied:

Section 7.01 Liens. The Borrower shall not, nor shall the Borrower permit any Restricted Subsidiary to, directly or indirectly, create, incur or assume any Lien (except any Permitted Lien(s)) that secures obligations under any Indebtedness or any related guarantee of Indebtedness on any asset or property of the Borrower or any Restricted Subsidiary, or any income or profits therefrom.

The expansion of Liens by virtue of accretion or amortization of original issue discount, the payment of dividends in the form of Indebtedness, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an incurrence of Liens for purposes of this Section 7.01.

Section 7.02 Indebtedness.

(a) The Borrower shall not, nor shall the Borrower permit any Restricted Subsidiary to, directly or indirectly:

(1) create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise (collectively, "**incur**" and collectively, an "**incurrence**") with respect to any Indebtedness (including Acquired Indebtedness), or

(2) issue any shares of Disqualified Stock or permit any Restricted Subsidiary to issue any shares of Disqualified Stock or Preferred Stock; and

(b) the foregoing clause (a) shall not apply to the following:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) at any time, whether at the time of incurrence or upon the application of all or a portion of the proceeds thereof or subsequently, meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (32) above, the Borrower, in its sole discretion, may divide and classify and may subsequently re-divide and reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock (or a portion thereof) in such of the above clauses as determined by the Borrower at such time; *provided* that all Indebtedness incurred hereunder on the Closing Date will, at all times, be treated as incurred on the Closing Date under Section 7.02(b)(1), (2) and (25), respectively, and may not be reclassified;

(2) the Borrower is entitled to divide and classify an item of Indebtedness, Disqualified Stock or Preferred Stock in more than one of the types of Indebtedness, Disqualified Stock or Preferred Stock described in Section 7.02(b), subject to the proviso to the preceding clause (1) of this Section 7.02(c);

(3) the principal amount of Indebtedness outstanding under any clause of this Section 7.02 will be determined after giving effect to the application of proceeds of any such Indebtedness to refinance any such other Indebtedness;

(4) in the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued pursuant to a fixed dollar Basket under Section 7.02(b) on the same date that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued under an applicable incurrence test available under Section 7.02(b), then the applicable incurrence test under Section 7.02(b) will be calculated with respect to such incurrence under such incurrence test without regard to any incurrence under a fixed dollar Basket then available under Section 7.02(b); *provided* that unless the Borrower elects otherwise, the incurrence of Indebtedness, Disqualified Stock or Preferred Stock will be deemed incurred or issued first under the then available incurrence test under Section 7.02(b) to the extent permitted with the balance incurred under a then available fixed dollar Basket under Section 7.02(b); and

(5) guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness will not be included in the determination of such amount of Indebtedness; *provided* that the incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was incurred in compliance with this Section 7.02.

The accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies, in each case, will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 7.02. Any Indebtedness incurred to refinance Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to clauses (2), (3), (4), (12), (13), (14), (23) and (25) of Section 7.02(b) will be permitted to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay accrued but unpaid interest and dividends and premiums, defeasance costs and fees and expenses incurred in connection with such refinancing.

For purposes of determining compliance with any Dollar denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock, the Dollar equivalent principal amount of Indebtedness or Disqualified Stock or Preferred Stock denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness, Disqualified Stock or Preferred Stock is issued to Refinance other Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency, and such refinancing would cause the applicable Dollar denominated (or the applicable growth component with respect to such Basket, if greater) restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (i) the principal amount of such Indebtedness, Disqualified Stock or Preferred Stock (as applicable) being refinanced *plus* (ii) the aggregate amount of accrued but unpaid interest, fees, underwriting discounts, defeasance costs, premiums (including tender premiums) and other costs and expenses (including OID, upfront fees or similar fees) incurred in connection with such refinancing.

The principal amount of any Indebtedness, Disqualified Stock or Preferred Stock incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness or Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date will be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP.

For purposes of determining compliance with this Section 7.02, if any Indebtedness is refinanced in reliance on a Basket measured by reference to a percentage of Adjusted EBITDA, and such refinancing would cause the percentage of Adjusted EBITDA to be exceeded if calculated based on the Adjusted EBITDA on the date of such refinancing, such percentage of Adjusted EBITDA will not be deemed to be exceeded to the extent the principal amount of such obligations secured by such newly incurred Indebtedness does not exceed the sum of (i) the principal amount of such Indebtedness being refinanced, *plus* (ii) the related costs incurred or payable in connection with such refinancing.

(a) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan, (ii) the Borrower or any Subsidiary Guarantor or any of their respective ERISA Affiliates fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its Withdrawal Liability under Section 4201 of ERISA under a Multiemployer Plan, or (b) with respect to a Foreign Plan a termination, withdrawal or noncompliance with applicable Law or plan terms, except, with respect to each of the foregoing clauses of this Section 8.01(8), as would not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect; or

(9) Invalidity of Loan Documents. Any material provision of the Loan Documents, taken as a whole, at any time after its execution and delivery and for any reason, other than (a) as expressly permitted by any Loan Documents (including as a result of a transaction permitted under Section 7.03 or 7.04), (b) as a result of acts or omissions by an Agent or any Lender or (c) due to the satisfaction in full of the Termination Conditions, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or any Loan Party denies in writing that it has any or further liability or obligation under the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or purports in writing to revoke or rescind the Loan Documents, taken as a whole, prior to the satisfaction of the Termination Conditions;

(10) Collateral Documents. Any Collateral Document with respect to a material portion of the Collateral after delivery thereof pursuant to Section 4.01, 6.11 or 6.13 for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction not prohibited under this Agreement) ceases to create, a valid and perfected Lien with the priority required by the Applicable Intercreditor Agreement (or other security purported to be created on the applicable Collateral) on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, except to the extent that any such loss of perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or results from the failure of the Administrative Agent or the Collateral Agent to maintain possession of Collateral actually delivered to it and pledged under the Collateral Documents or to file Uniform Commercial Code amendments relating to a Loan Party's change of name or jurisdiction of formation (solely to the extent that the Borrower provides the Collateral Agent written notice thereof in accordance with the Security Agreement, and the Collateral Agent and the Borrower have agreed that the Collateral Agent will be responsible for filing such amendments) and continuation statements or to take any other action primarily within its control with respect to the

Collateral and except as to Collateral consisting of real property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage; or

(11) Change of Control. There occurs any Change of Control.

Section 8.02 Remedies upon Event of Default. If any Event of Default occurs and is continuing (other than an Event of Default under Section 8.01(2)(d) unless the condition in the proviso contained therein has been satisfied), the Administrative Agent may with the consent of the Required Lenders and shall, at the request of the Required Lenders, take any or all of the following actions:

(1) declare the Commitments of each Lender to make Loans and any obligation of the Issuing Bank to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;

(2) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable under any Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(3) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law; and

(4) require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof)

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under Title 11 of the United States Code entitled "Bankruptcy," as now or hereafter in effect, or any successor thereto (the "**Bankruptcy Code**"), the obligation of each Lender to make Loans and any obligation of the Issuing Bank to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid will automatically become due and payable and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case, without further act of the Administrative Agent or any Lender.

Section 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 8.02), subject to the Applicable Intercreditor Agreement then in effect, any amounts received on account of the Obligations will be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent in its capacity as such (other than in connection with Secured Cash Management Obligations, Obligations in respect of Secured Hedge Agreements or Secured Bank Product Obligations);

Second, to pay interest due in respect of all Protective Advances until paid in full;

Third, to pay the principal of all Protective Advances until paid in full;

Fourth, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Lenders, ratably among them in proportion to the amounts described in this clause Fourth payable to them (other than in connection with Secured Cash Management Obligations, Obligations in respect of Secured Hedge Agreements or Secured Bank Product Obligations);

Fifth, to pay interest accrued in respect of the Swing Line Loans until paid in full;

Sixth, to pay the principal of all Swing Line Loans until paid in full;

Seventh, to pay interest accrued in respect of the Revolving Credit Loans (other than Protective Advances) until paid in full;

Eighth, ratably (i) to pay the principal of all Revolving Credit Loans (other than Protective Advances) until paid in full and (ii) to the Administrative Agent, to be held by the Administrative Agent, for the benefit of the Issuing Banks, as Cash Collateral in an amount up to 100% of the maximum drawable amount of any outstanding Letters of Credit;

Ninth, ratably to pay outstanding Secured Cash Management Obligations;

Tenth, ratably to pay outstanding Secured Bank Product Obligations and Secured Hedge Obligations;

Eleventh, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date, until paid in full; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 2.03(3), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Eighth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, to the Borrower.

Notwithstanding the foregoing, no amounts received from any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor.

Section 8.04 Right to Cure.

(1) Notwithstanding anything to the contrary contained in Section 8.01(2), in the event that the Borrower fails to comply with the requirement of the Financial Covenant, any of the Permitted Holders, Holdings or any other Person designated by the Borrower shall have the right (1) at any time during the period beginning at the start of the last fiscal quarter of the applicable Test Period and ending on or prior to the tenth (10th) Business Day after the date on which financial statements with respect to the Test Period in which such covenant is being measured are required to be delivered pursuant to

Section 6.01 or (2) within ten (10) Business Day after the beginning of a Covenant Trigger Period (such later date, the “**Cure Deadline**”), to make a direct or indirect equity investment in the Borrower in cash in the form of common Equity Interests (or other Qualified Equity Interests reasonably acceptable to the Administrative Agent) (the “**Cure Right**”), and upon the receipt by the Borrower of net cash proceeds pursuant to the exercise of the Cure Right (the “**Cure Amount**”), the Financial Covenant shall be recalculated, giving effect to a pro forma increase to Adjusted EBITDA for such Test Period in an amount equal to such Cure Amount; provided that such pro forma adjustment to Adjusted EBITDA shall be given solely for the purpose of determining the existence of a Default or an Event of Default under the Financial Covenant with respect to any Test Period that includes the fiscal quarter for which such Cure Right was exercised and not for any other purpose under any Loan Document.

(2) If, after the receipt of the Cure Amounts and the recalculations pursuant to clause (2) above, the Borrower shall then be in compliance with the requirements of the Financial Covenant during such Test Period, the Borrower shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default that had occurred shall be deemed cured; *provided that* (i) the Cure Right may be exercised on no more than five (5) occasions, (ii) in each four fiscal quarter period, there shall be at least two fiscal quarters in respect of which no Cure Right is exercised, (iii) with respect to any exercise of the Cure Right, the Cure Amount shall be no greater than the amount required to cause the Borrower to be in pro forma compliance with the Financial Covenant (such amount, the “**Necessary Cure Amount**”) (*provided that* if the Cure Right is exercised prior to the date financial statements are required to be delivered for such fiscal quarter then the Cure Amount shall be equal to the amount reasonably determined by the Borrower in good faith that is required for purposes of complying with the Financial Covenant for such fiscal quarter (such amount, the “**Expected Cure Amount**”)), (iv) subject to clause (3) below, all Cure Amounts shall be disregarded for purposes of determining any baskets or financial ratio calculations (other than with respect to the Financial Covenant), with respect to the covenants contained in the Loan Documents and (v) there shall be no pro forma or other reduction in Indebtedness (by netting or otherwise) with the proceeds of any Cure Amount for determining compliance with the Financial Covenant for the fiscal quarter for which such Cure Amount is deemed applied unless such proceeds are actually applied to prepay Indebtedness.

(3) Notwithstanding anything herein to the contrary, (A) to the extent that the Expected Cure Amount is (i) greater than the Necessary Cure Amount, then such difference may be used for the purposes of determining any baskets (other than any previously contributed Cure Amounts), with respect to the covenants contained in the Loan Documents and (ii) *less* than the Necessary Cure Amount, then not later than the applicable Cure Deadline, the Borrower must receive a direct or indirect equity investment in cash in the form of common Equity Interests (or other Qualified Equity Interests reasonably acceptable to the Administrative Agent), which cash proceeds received by Borrower shall be equal to the shortfall between such Expected Cure Amount and such Necessary Cure Amount and (B) prior to the Cure Deadline (x) the Lenders shall not be permitted to exercise any rights then available as a result of an Event of Default under Section 8.02 on the basis of a breach of the Financial Covenant so as to enable the Borrower to consummate its Cure Rights as permitted under this Section 8.04 and (y) the Lenders shall not be required to make any Credit Extension unless and until the Borrower has received the Cure Amount required to cause the Borrower to be in compliance with the Financial Covenant.

ARTICLE IX

Administrative Agent and Other Agents

Section 9.01 Appointment and Authorization of the Administrative Agent.

(1) Each Lender hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.09, 9.10, 9.11, 9.12 and 9.16) are solely for the benefit of the Administrative Agent, the Lenders and each Issuing Bank and the Borrower shall not have rights as a third-party beneficiary of any such provision.

(2) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a Revolving Credit Lender, Swing Line Lender (if applicable), Issuing Bank (if applicable) and as a potential Hedge Bank or Cash Management Bank) and the Issuing Banks hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender and Issuing Bank for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Applicable Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(3) The Administrative Agent agrees to furnish to each Lender, promptly after they become available, (i) copies of all Borrowing Base Certificates and financial statements required to be delivered by the Borrower hereunder; and (ii) copies of each Report. Upon reasonable request by any Lender, Administrative Agent agrees to use commercial reasonable efforts to furnish to such Lender copies of any other information or material delivered by the Loan Parties pursuant to the requirements of this Agreement or any other Loan Document.

Section 9.02 Rights as a Lender. Any Lender that is also serving as an Agent (including as Administrative Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Lender (if any) serving as an Agent hereunder in its individual capacity. Any such Person serving as an Agent and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent

or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Section 9.03 Exculpatory Provisions. The Administrative Agent, Collateral Agent and the Arrangers shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent) and an Arranger:

(1) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent or Arranger is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(2) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent or Arranger is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that no Agent or Arranger shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent or Arranger to liability or that is contrary to any Loan Document or applicable law;

(3) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent, Arranger or any of their Affiliates in any capacity; and

(4) shall not have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, to any Lender or any Issuing Bank, any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their Affiliates, that is communicated to, obtained or in the possession of, any Agent, any Arranger or any of their Related Persons in any capacity, except for notices, reports and other documents expressly required to be furnished to the Lenders by the Agents herein.

Neither the Administrative Agent nor any of its Related Persons shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final and non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower, a Lender or an Issuing Bank.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the

covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender or the holder of any Note; and nothing in this Agreement or in any other Loan Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein.

Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each Arranger is named as such for recognition purposes only, and in its capacity as such shall have no powers, duties, responsibilities or liabilities with respect to this Agreement or the other Loan Documents or the transactions contemplated hereby and thereby; it being understood and agreed that each Arranger shall be entitled to all indemnification and reimbursement rights in favor of the Administrative Agent as, and to the extent, provided for under Section 10.05. Without limitation of the foregoing, each Arranger shall not, solely by reason of this Agreement or any other Loan Documents, have any fiduciary relationship in respect of any Lender or any other Person.

Section 9.04 Lack of Reliance on the Administrative Agent. Each Lender and each Issuing Bank expressly acknowledges that none of the Agents nor any Arranger has made any representation or warranty to it, and that no act by any Agent or any Arranger hereafter taken, including any consent to, and acceptance of any assignment or review of the affairs of any Loan Party of any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent or any Arranger to any Lender or each Issuing Bank as to any matter, including whether any Agent or any Arranger have disclosed material information in their (or their Related Persons') possession. Independently and without reliance upon the Administrative Agent, each Lender and the holder of each Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of Holdings, the Borrower and the Restricted Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of Holdings, the Borrower and the Restricted Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower hereunder. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Agents, the Arrangers, any other Lender or any of their Related Persons and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties. Except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Administrative Agent shall not be responsible to any Lender or the holder of any Note for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectability, priority or sufficiency of this Agreement

or any other Loan Document or the financial condition of the Holdings, the Borrower or any of the Restricted Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Loan Document, or the financial condition of Holdings, the Borrower or any of the Restricted Subsidiaries or the existence or possible existence of any Default or Event of Default. Each Lender and each Issuing Bank represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender or Issuing Bank for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender or Issuing Bank, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender and each Issuing Bank agrees not to assert a claim in contravention of the foregoing. Each Lender and each Issuing Bank represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such Issuing Bank, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

Section 9.05 Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders (or such greater percentage of Lenders required) with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders (or such greater percentage of Lenders required); and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders (or such greater percentage of Lenders required).

Section 9.06 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate, telex, teletype or facsimile message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent. In determining compliance with any condition hereunder to the making of a Loan or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or issuances of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.07 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub agents appointed by the Administrative Agent. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall

apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 9.08 Indemnification. Whether or not the transactions contemplated hereby are consummated, to the extent the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in proportion to their respective “percentage” as used in determining the Required Lenders for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; *provided* that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent’s or any other Agent-Related Person’s gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.08 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower’s continuing reimbursement obligations with respect thereto, *provided further* that the failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.08 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

Section 9.09 The Administrative Agent in Its Individual Capacity. With respect to its obligation to make Loans under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a “Lender” and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term “Lender,” “Required Lenders” or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Loan Party or any Affiliate of any Loan Party (or any Person engaged in a similar business with any Loan Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Loan Party or any Affiliate of any Loan Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Section 9.10 Holders. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor.

Section 9.11 Resignation by the Administrative Agent. The Administrative Agent may resign from the performance of all its respective functions and duties hereunder or under the other Loan Documents at any time by giving 30 Business Days prior written notice to the Lenders and the Borrower. If the Administrative Agent is in material breach of its obligations hereunder as Administrative Agent, then the Administrative Agent may be removed as the Administrative Agent at the reasonable request of the Required Lenders. If the Administrative Agent is a Defaulting Lender, the Borrower may remove the Defaulting Lender from such role upon 15 days prior written notice to the Lenders. Such resignation or removal shall take effect upon the appointment of a successor Administrative Agent as provided below.

Upon any such notice of resignation by, or notice of removal of, the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a Lender reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (*provided* that the Borrower's approval shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing).

If a successor Administrative Agent shall not have been so appointed within such 30 Business Day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, *provided* that the Borrower's consent shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing), shall then appoint a Lender as successor Administrative Agent who shall serve as Administrative Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

If no successor Administrative Agent has been appointed pursuant to the foregoing by the 35th Business Day after the date such notice of resignation was given by the Administrative Agent or such notice of removal was given by the Required Lenders or the Borrower, as applicable, the Administrative Agent's resignation shall nonetheless become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above. The retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Banks under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender or Issuing Bank directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.11.

Upon the acceptance of a successor's appointment as Administrative Agent hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall

succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.11).

The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

Upon a resignation of the Administrative Agent pursuant to this Section 9.11, the Administrative Agent (i) shall continue to be subject to Section 10.09 and (ii) shall remain indemnified to the extent provided in this Agreement and the other Loan Documents and the provisions of this Article IX (and the analogous provisions of the other Loan Documents) shall continue in effect for the benefit of the Administrative Agent for all of its actions and inactions while serving as the Administrative Agent.

Section 9.12 Collateral Matters. Each Lender (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes and directs the Collateral Agent to take the actions to be taken by them as set forth in Section 7.04 and 10.24.

Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders (or such greater percentage of Lenders required) in accordance with the provisions of this Agreement or the Collateral Documents, and the exercise by the Required Lenders (or such greater percentage of Lenders required) of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, to take any action with respect to any Collateral or Collateral Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Collateral Documents.

Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 9.12. In each case as specified in this Section 9.12, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.12.

The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 9.12, Section 10.24 or in any of the Collateral Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it

may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

Section 9.13 [Reserved].

Section 9.14 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, any Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, any Issuing Bank and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, any Issuing Bank and the Administrative Agent under Sections 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and relevant Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

Section 9.15 Appointment of Supplemental Administrative Agents.

(1) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee,

co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a “**Supplemental Administrative Agent**” and collectively as “**Supplemental Administrative Agents**”).

(2) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent or such Supplemental Administrative Agent, as the context may require.

(3) Should any instrument in writing from any Loan Party be reasonably required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments reasonably acceptable to it promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

Section 9.16 Intercreditor Agreements. Notwithstanding anything to the contrary in this Agreement or in any other Loan Document: (a) the Liens granted to the Collateral Agent in favor of the Secured Parties pursuant to the Loan Documents and the exercise of any right related to any Collateral shall be subject, in each case, to the terms of the ABL Intercreditor Agreement or any other Applicable Intercreditor Agreement, (b) in the event of any conflict between the express terms and provisions of this Agreement or any other Loan Document, on the one hand, and of the ABL Intercreditor Agreement or any other Applicable Intercreditor Agreement, on the other hand, the terms and provisions of the ABL Intercreditor Agreement shall control, and (c) each Lender (and, by its acceptance of the benefits of any Collateral Document, each other Secured Party) hereunder authorizes and instructs the Administrative Agent and Collateral Agent to execute the ABL Intercreditor Agreement or any other Applicable Intercreditor Agreement on behalf of such Lender, and such Lender agrees to be bound by the terms thereof.

Section 9.17 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory

arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Section 9.18 Bank Product Providers. Each Bank Product Provider, by delivery of a notice to the Administrative Agent of a Bank Product, agrees to be bound by Section 8.03 and this Article IX. Each Bank Product Provider shall indemnify and hold harmless the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent), to the extent not reimbursed by the Borrower, against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against the Administrative Agent or such other Agent-Related Person in connection with such provider's Secured Bank Product Obligations.

Section 9.19 Withholding Tax. To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.18. The agreements in this Section 9.18 shall survive the resignation or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

(j) change the definition of the term "Borrowing Base" or any component definition thereof, but excluding an increase in the percentage advance rates, the amendment or modifications of which shall be subject to clause (k) below, if as a result thereof the amounts available to be borrowed by the Borrower would be increased, without the written consent of the Supermajority Lenders, provided that the foregoing shall not limit the discretion of the Administrative Agent's ability to change, establish or eliminate any Reserves as determined in its Permitted Discretion without the consent of any Lenders; or

In no event shall the Administrative Agent or any of its Agent-Related Persons or any Arranger (collectively, the "**Agent Parties**") have any liability to Holdings, the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(5) Change of Address. Each Loan Party and the Administrative Agent may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(6) Reliance by the Administrative Agent. The Administrative Agent, the Issuing Bank and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent or the Issuing Bank may be recorded by the Administrative Agent or the Issuing Bank, as applicable, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies. No failure by any Lender, the Issuing Bank or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; *provided, however*, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Issuing Bank or Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as Issuing Bank or Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.10 (subject to the terms of Section 2.13), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided further* that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the

Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04 Costs and Expenses. The Borrower agrees (a) to pay or reimburse the Administrative Agent and the Arrangers for all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent and the Arrangers (promptly following a written demand therefor, together with backup documentation supporting such reimbursement request) incurred in connection with the preparation, negotiation, syndication, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of Morgan, Lewis & Bockius LLP and, if necessary, a single local counsel in each relevant material jurisdiction, and (b) upon presentation of a summary statement, together with any supporting documentation reasonably requested by the Borrower, to pay or reimburse the Administrative Agent, each Issuing Bank, the Swing Line Lender and the other Lenders, taken as a whole, promptly following a written demand therefor for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole (and, if necessary, one local counsel in any relevant material jurisdiction and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Lenders similarly situated taken as a whole)). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail.

Section 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Agents, each Issuing Bank, the Swing Line Lender, each other Lender, the Arrangers and their respective Related Persons (collectively, the “**Indemnitees**”) from and against any and all losses, claims, damages, liabilities or expenses (including Attorney Costs and Environmental Liabilities) to which any such Indemnatee may become subject arising out of, resulting from or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) any (i) actual or threatened claim, litigation, investigation, proceeding or Environmental Liabilities relating to the Closing Date Transactions or (ii) to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents, the Loans or the use, or proposed use of the proceeds therefrom, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, litigation, investigation or proceeding), and regardless of whether any Indemnatee is a party thereto (all the foregoing, collectively, the “**Indemnified Liabilities**”); *provided* that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnatee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnatee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees

other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under any Loan Document and other than any claims arising out of any act or omission of the Borrower or any of their Affiliates (as determined by a final, non-appealable judgment of a court of competent jurisdiction). To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that they are permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through SyndTrak or other similar information transmission systems in connection with this Agreement (except to the extent such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnitee), nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party for which such Indemnitee is otherwise entitled to indemnification pursuant to this Section 10.05). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within twenty (20) Business Days after written demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply to Taxes, except any Taxes that represent losses or damages arising from any non-Tax claim. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return promptly any and all amounts paid by the Borrower under this Section 10.05 to such Indemnitee for any such fees, expenses or damages to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

Section 10.06 Marshaling; Payments Set Aside. None of the Administrative Agent or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Holdings nor the Borrower may, except as permitted by Section 7.03, assign or otherwise transfer any of

its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder (including to existing Lenders and their Affiliates) except (i) to an Eligible Assignee, (ii) by way of participation in accordance with the provisions of Section 10.07(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f), or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto (other than the replacement of the Administrative Agent pursuant to Article IX above) shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, Indemnitees and Related Persons of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to (v) any Lender or any of its Affiliates (of similar credit worthiness), (w) any bank, insurance company, or company engaged in the business of making commercial loans, which Person, together with its Affiliates, has a combined capital and surplus in excess of \$250.0 million, (x) an Approved Fund and (y) any Person to whom a Lender assigns its rights and obligations under this Agreement as part of an assignment and transfer of such Lender's rights in and to a material portion of such Credit Party's portfolio of asset based credit facilities, in each case, all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$5.0 million, unless either (x) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund or (y) each of the Administrative Agent and the Borrower otherwise consents; *provided, however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 10.07(b)(i)(B) and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing at the time of such assignment determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if a "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date or (2) in respect of an assignment of all or a portion of the Loans, such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; *provided* that the Borrower shall be deemed to have consented to any assignment unless it shall have objected thereto by written notice to the Administrative Agent within 10 Business Days after having received notice of a failure to respond to such request for assignment;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund with respect to a Lender; *provided* that no consent of the Administrative Agent shall be required for an assignment of all or a portion of the Loans pursuant to Section 10.07(g);

(C) the consent of each Issuing Bank (such consent not to be unreasonably withheld or delayed) shall be required at the time of such assignment; *provided* that no consent of the Issuing Banks shall be required for any assignment not related to Revolving Credit Commitments or Revolving Credit Exposure or any assignment to an Agent or an Affiliate of an Agent; and

(D) the consent of the Swing Line Lender (such consent not to be unreasonably withheld or delayed) shall be required; *provided* that no consent of a Swing Line Lender shall be required for any assignment not related to Revolving Credit Commitments or Revolving Credit Exposure or any assignment to an Agent or an Affiliate of an Agent.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent). The Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire. Each assignee Lender shall be required to represent in the Assignment and Assumption that it is not a Disqualified Institution or an Affiliate of a Disqualified Institution.

(v) No Assignments to Certain Persons. No such assignment shall be made (A) to Holdings, the Borrower or any of its Subsidiaries, (B) to any Affiliate of the Borrower, (C) to a natural person or (D) to any Disqualified Institution.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable

assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs. Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section 10.07, from and after the effective date specified in each Assignment and Assumption, (x) the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (y) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment), but shall in any event continue to be subject to Section 10.09. Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it, each notice of cancellation of any Loans delivered by the Borrower pursuant to subsections (h) or (l) below, and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to its own Loans, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(3) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, the Borrower or any Affiliate or Subsidiary of the Borrower or a Disqualified Institution) (each, a "**Participant**") in all or a portion of such Lender's rights or obligations under this Agreement (including all or a portion of its Commitment or the Loans (including such Lender's participations in L/C Obligations or Swing Line Loans owing to it)); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or

any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (other than clauses (d) and (i) thereof) that directly affects such Participant. Subject to subsection (e) of this Section 10.07, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements of Section 3.01 (including subsections (2), (3) and (4), as applicable as though it were a Lender)), 3.04 and 3.05 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 10.07. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.10 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent or such entitlement to a greater payment results from a Change in Law after the sale of the participation takes place. Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender and the Borrower shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; *provided* that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or other obligations under any Loan Document) to any Person except to the extent such disclosure is necessary to establish that any such commitments, loans, letters of credit or other obligations are in registered form for U.S. federal income tax purposes. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the

approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(m) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(n) Notwithstanding the foregoing, no Disqualified Institution that purports to become a Lender hereunder (notwithstanding the provisions of this Agreement that prohibit Disqualified Institutions from becoming Lenders) shall be entitled to any of the rights or privileges enjoyed by the other Lenders with respect to voting, information and lender meetings. In addition, if any assignment or participation is made to any Disqualified Institution without the Borrower's express prior written consent (which consent shall state expressly that the Borrower acknowledges that the assignee Lender is a Disqualified Institution) in violation of clause (v) of Section 10.07(b), the Borrower may, in addition to any other rights and remedies that it may have against such Disqualified Institution, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) in the case of outstanding Revolving Credit Loans held by Disqualified Institutions, purchase or prepay such Revolving Credit Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such Revolving Credit Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the

restrictions contained in Section 10.07), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(o) The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans or Commitments, or disclosure of confidential information, to any Disqualified Institution.

Section 10.08 [Reserved].

Section 10.09 Confidentiality. Each of the Agents, the Arrangers, the Lenders and each Issuing Bank agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, legal counsel, independent auditors, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, with such Affiliate being responsible for such Person's compliance with this Section 10.09; *provided, however*, that such Agent, Arranger, Lender or Issuing Bank, as applicable, shall be principally liable to the extent this Section 10.09 is violated by one or more of its Affiliates or any of its or their respective employees, directors or officers), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); *provided, however*, that each Agent, each Arranger, each Lender and each Issuing Bank agrees to seek confidential treatment with respect to any such disclosure, (c) to the extent required by applicable laws or regulations or by any subpoena or otherwise as required by applicable Law or regulation or as requested by a governmental authority; *provided* that such Agent, such Arranger, such Lender or such Issuing Bank, as applicable, agrees (x) that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (except in connection with any request as part of any audit or regulatory examination) unless such notification is prohibited by law, rule or regulation and (y) to seek confidential treatment with respect to any such disclosure, (d) to any other party hereto, (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.09, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee (or its agent) invited to be an Additional Lender or (ii) with the prior consent of the Borrower, any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower or any of their Subsidiaries or any of their respective obligations; *provided* that such disclosure shall be made subject to the acknowledgment and acceptance by such prospective Lender, Participant or Eligible Assignee that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to the Borrower, the Agents and the Arrangers, including as set forth in any confidential information memorandum or other marketing materials) in accordance with the standard syndication process of the Agents and the Arrangers or market standards for dissemination of such type of information which shall in any event require "click through" or other affirmative action on the part of the recipient to access such confidential information, (f) for purposes of establishing a "due diligence" defense, (g) with the consent of the Borrower, (h) to the extent such Information (x) becomes publicly available other than as a result of a breach by any Person of this Section 10.09 or any other confidentiality

provision in favor of any Loan Party, (y) becomes available to any Agent, any Arranger, any Lender, any Issuing Bank or any of their respective Affiliates on a non-confidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent, such Lender, such Issuing Bank or the applicable Affiliate to be subject to a confidentiality restriction in respect thereof in favor of Holdings, the Borrower or any Affiliate of the Borrower or (z) is independently developed by the Agents, the Lenders, the Issuing Banks, the Arrangers or their respective Affiliates, in each case, so long as not based on information obtained in a manner that would otherwise violate this Section 10.09 or (i) in order to enforce its respective rights under any Loan Document in any action or proceeding.

For purposes of this Section 10.09, “**Information**” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary or Affiliate thereof or their respective businesses, other than any such information that is available to any Agent, any Lender or any Issuing Bank on a non-confidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that all information received from Holdings, the Borrower or any Subsidiary or Affiliate thereof after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 10.09 shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent, each Arranger, each Lender and each Issuing Bank acknowledges that (a) the Information may include trade secrets, protected confidential information, or material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of such information and (c) it will handle such information in accordance with applicable Law, including United States Federal and state securities Laws and to preserve its trade secret or confidential character.

The respective obligations of the Agents, the Arrangers, the Lenders and any Issuing Bank under this Section 10.09 shall survive, to the extent applicable to such Person, (x) the payment in full of the Obligations and the termination of this Agreement, (y) any assignment of its rights and obligations under this Agreement and (z) the resignation or removal of any Agent.

Section 10.10 Setoff.

If an Event of Default shall have occurred and be continuing, each Lender, each Issuing Bank and each of their respective Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of any Loan Party against any and all of the obligations of such Loan Party then due and payable under this Agreement or any other Loan Document to such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank or any such Affiliate shall have made any demand under this Agreement or any other Loan Document; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, each Issuing

Bank and each of their respective Affiliates under this Section 10.10 are in addition to other rights and remedies (including other rights of setoff) that such Lender, such Issuing Bank or their respective Affiliates may have. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 10.11 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.12 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 10.13 Electronic Execution of Assignments and Certain Other Documents.

(a) The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

(b) This Agreement and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement (each a “**Communication**”), including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Loan Parties agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on each of the Loan Parties to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation each of the Loan

Parties enforceable against such in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Administrative Agent and each of the Credit Parties of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Credit Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record (“**Electronic Copy**”), which shall be deemed created in the ordinary course of the such Person’s business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent and each of the Credit Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Loan Party without further verification and (b) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, “Electronic Record” and “Electronic Signature” shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

Section 10.14 Survival of Representations and Warranties. Subject to Section 1.02(9), all representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

Section 10.15 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.16 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

(b) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF

AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY COLLATERAL DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION 10.16. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

Section 10.17 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.17.

Section 10.18 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, Holdings and the Administrative Agent and the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent and each Lender and their respective successors and assigns.

Section 10.19 Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party under any of the

Loan Documents or the Secured Hedge Agreements (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent. The provision of this Section 10.19 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

Section 10.20 Use of Name, Logo, etc. Each Loan Party consents to the publication in the ordinary course by Administrative Agent or the Arrangers of customary advertising material relating to the financing transactions contemplated by this Agreement using such Loan Party's name, product photographs, logo or trademark. Such consent shall remain effective until revoked by such Loan Party in writing to the Administrative Agent and the Arrangers.

Section 10.21 USA PATRIOT Act and other Anti-Terrorism Laws. Each Lender that is subject to the USA PATRIOT Act and other Anti-Terrorism Laws and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act and other Anti-Terrorism Laws, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act and other Anti-Terrorism Laws. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including and the Beneficial Ownership Regulation, the USA PATRIOT Act and other Anti-Terrorism Laws.

Section 10.22 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.23 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Agents, the Arrangers and the Lenders are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agents, the Arrangers and the Lenders, on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent, Arranger and Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents, the Arrangers nor any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Agents, the Arrangers nor any Lender has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the

Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.24 Release of Collateral and Guarantee Obligations; Subordination of Liens.

(a) The Lenders and the Issuing Banks hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall be automatically released (i) in full, as set forth in clause (b) below, (ii) upon the sale or other transfer of such Collateral (including as part of or in connection with any other sale or other transfer permitted hereunder) to any Person other than another Loan Party, to the extent such sale, transfer or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Loan Party by a Person that is not a Loan Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 10.01), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guaranty (in accordance with the second succeeding sentence), (vi) as required by the Collateral Agent to effect any sale, transfer or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Collateral Documents and (vii) to the extent such Collateral otherwise becomes Excluded Assets. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents. Additionally, the Lenders and the Issuing Banks hereby irrevocably agree that the Guarantors shall be released from the Guaranties upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary, or otherwise becoming an Excluded Subsidiary, provided that after giving effect to any such release, no Overadvance shall exist or result therefrom. The Lenders and the Issuing Banks hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender or Issuing Bank. Any representation, warranty or covenant contained in any Loan Document relating to any such released Collateral or Guarantor shall no longer be deemed to be repeated.

(b) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations (other than (i) Hedging Obligations in respect of any Secured Hedge Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements, (iii) any contingent obligations not then due and (iv) the Outstanding Amount of L/C Obligations related to any Letter of Credit that has been Cash Collateralized, backstopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank or deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank) have been paid in full and all Commitments have terminated, upon request of the Borrower, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any (i) Hedging Obligations in respect of any Secured Hedge Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements, (iii) any contingent obligations not then due and (iv) any Outstanding Amount of L/C Obligations related to any Letter of Credit that has been Cash Collateralized, backstopped by a

letter of credit reasonably satisfactory to the applicable Issuing Bank or deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Permitted Lien specified in clause (7) of the definition thereof securing obligations in respect of Indebtedness, Disqualified Stock or Preferred Stock permitted to be incurred pursuant to clause (4) of Section 7.02(b) in any Collateral, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to subordinate the Lien on any Collateral to any such Permitted Lien to be senior to the Liens in favor of the Collateral Agent.

(d) Notwithstanding the foregoing or anything in the Loan Documents to the contrary, at the direction of the Required Lenders, the Administrative Agent may, in exercising remedies, take any and all necessary and appropriate action to effectuate a credit bid of all Loans (or any lesser amount thereof) for the Borrower's assets in a bankruptcy, foreclosure or other similar proceeding, forbear from exercising remedies upon an Event of Default, or in a bankruptcy proceeding, enter into a settlement agreement on behalf of all Lenders.

Section 10.25 Assumption and Acknowledgment. On the Closing Date, Belk assumed all of Initial Borrower's rights, title, interests, duties, liabilities and obligations (including the Obligations) under the Loan Documents as the "Borrower" hereunder (collectively, the "**Assumption**"), including, any claims, liabilities, or obligations arising from Initial Borrower's failure to perform any of its covenants, agreements, commitments or obligations under the Loan Documents to be performed prior to the date of the Assumption.

Section 10.26 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "**Judgment Currency**") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "**Agreement Currency**"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

Section 10.27 Secured Bank Product Agreements, Secured Cash Management Agreements and Secured Hedge Agreements.

Except as otherwise expressly set forth herein or in any Guarantee or any Collateral Document, no party to any Secured Bank Product Agreement, Secured Cash Management Agreement or Secured Hedge Agreement that obtains the benefits of any Guarantee or any Collateral by virtue of the provisions hereof or of any Guarantee or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article X to the contrary, the Collateral Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Bank Product Agreements, Secured Cash Management Agreements or Secured Hedge Agreements unless the Administrative Agent has received written notice of such Secured Bank Product Agreement, Secured Cash Management Agreement or Secured Hedge Agreement, together with such supporting documentation as the Administrative Agent may request, from the applicable Agent, Lender or Affiliate of an Agent or Lender party thereto.

Section 10.28 Acknowledgement and Consent to Bail-In of Affected Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or an Issuing Bank that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or any Issuing Bank that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 10.29 Acknowledgement Regarding Any Supported QFCs.

To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**” and each such QFC a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act

and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(1) Notwithstanding anything to the contrary herein, financial ratios and tests, including the Senior Secured Leverage Ratio and the Total Net Leverage Ratio shall be calculated in the manner prescribed by this Section 1.07. If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated

with or into the Borrower or any Restricted Subsidiary since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.07, then such financial ratio or test (or Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.07 as if such Specified Transaction had occurred at the beginning of the most recently ended Test Period.

(3) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a Financial Officer of the Borrower and may include, for the avoidance of doubt, the amount of “run-rate” cost savings, synergies and operating expense reductions resulting from or related to any such Specified Transaction (including the Transactions) which is being given *pro forma* effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than twelve (12) months after the date of any such Specified Transaction (calculated on a *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period and “run-rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target’s compliance costs with public company requirements) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial *pro forma* calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction; *provided* that (a) such amounts are (i) reasonably identifiable and projected in the good faith judgment of the Borrower to result from such actions and (ii) such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than twelve (12) months after the date of such Specified Transaction, (b) no amounts shall be added to the extent duplicative of any amounts that are otherwise added back in computing Adjusted EBITDA (or any other components thereof), whether through a *pro forma* adjustment or otherwise, with respect to such period and (c) amounts added back pursuant to this clause (3) shall be subject to the Combined Adjusted EBITDA Cap.

(4) In the event that (a) the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees), issues or repays (including by redemption, repurchase, repayment, retirement or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility or line of credit unless such Indebtedness has been permanently repaid and not replaced), (b) the Borrower or any Restricted Subsidiary issues, repurchases or redeems Disqualified Stock, (c) any Restricted Subsidiary issues, repurchases or redeems Preferred Stock or (d) the Borrower or any Restricted Subsidiary establishes or eliminates any Designated Revolving Commitments, in each case included in the calculations of any financial ratio or test, (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect to such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the Senior Secured Leverage Ratio or Total Net Leverage Ratio (or similar ratio), in which case such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case will be given effect, as if the same had occurred on the first day of the applicable Test Period) and, in the case of Indebtedness for all purposes as if such Indebtedness in the full amount of any undrawn Designated Revolving Commitments had been incurred thereunder throughout

such period in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period.

(5) If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Senior Secured Leverage Ratio and/or Total Net Leverage Ratio, is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or applicable Restricted Subsidiary may designate.

(6) Notwithstanding anything to the contrary in this Section 1.07 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into, no *pro forma* effect shall be given to any discontinued operations (and the Adjusted EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(7) Any determination of Total Assets shall be made by reference to the last day of the Test Period most recently ended for which financial statements of the Borrower have been delivered pursuant to Section 6.01(1) or (2), as applicable, on or prior to the relevant date of determination.

(8) Notwithstanding anything in this Agreement or any Loan Document to the contrary, when (a) calculating any applicable ratio, Consolidated Net Income or Adjusted EBITDA in connection with the making of an Investment, (b) determining compliance with any provision of this Agreement which requires that no Default or Event of Default has occurred, is continuing or would result therefrom, (c) determining compliance with any provision of this Agreement which requires compliance with any representations and warranties set forth herein or (d) the satisfaction of all other conditions precedent to the making of an Investment, in each case in connection with a Limited Condition Acquisition, the date of determination of such ratio or other provisions, determination of whether any Default or Event of Default has occurred, is continuing or would result therefrom, determination of compliance with any representations or warranties or the satisfaction of any other conditions shall, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "**LCA Election**"), be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the "**LCA Test Date**"). If on a *pro forma* basis after giving effect to such Limited Condition Acquisition and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) such ratios and other provisions are calculated as if such Limited Condition Acquisition or other transactions had occurred at the beginning of the most recent Test Period ending prior to the LCA Test Date for which financial statements of the Borrower have been delivered pursuant to Section 6.01(1) or (2), as applicable, the Borrower could have taken such action on the relevant LCA Test Date in compliance with the applicable ratios or other provisions, such provisions shall be deemed to have been complied with. For the avoidance of doubt, (i) if any of such ratios or other provisions are exceeded or breached as a result of fluctuations in such ratio (including due to fluctuations in Adjusted EBITDA or other components of such ratio) or other provisions at or prior to the consummation of the relevant Limited Condition Acquisition, such ratios and other provisions will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Acquisition is permitted hereunder and (ii) such ratios and compliance with such conditions shall not be tested at the time of consummation of such Limited Condition Acquisition or related Specified Transactions. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in

connection with any subsequent calculation of any ratio or Basket availability with respect to any other Specified Transaction on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or Basket shall be calculated on a *pro forma basis* assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) had been consummated on the LCA Test Date except that (other than solely with respect to the incurrence test under which such Limited Condition Acquisition is being made) Adjusted EBITDA, assets and Consolidated Net Income of any target of such Limited Condition Acquisition can only be used in the determination of the relevant ratios and Baskets if and when such acquisition has closed. Notwithstanding anything in this Agreement or any Loan Document to the contrary, if the Borrower or its Restricted Subsidiaries (x) incurs Indebtedness, creates Liens, makes Asset Sales, makes Investments, makes Restricted Payments or repays any Indebtedness in connection with any Limited Condition Acquisition under a ratio-based Basket and (y) incurs Indebtedness, creates Liens, makes Asset Sales, Investments or Restricted Payments or repays any Indebtedness in connection with such Limited Condition Acquisition under a non-ratio-based Basket (which shall occur within five Business Days of the events in clause (x) above), then the applicable ratio will be calculated with respect to any such action under the applicable ratio-based Basket without regard to any such action under such non-ratio-based Basket made in connection with such Limited Condition Acquisition.

Section 1.08 Available Amount Transaction. If more than one action occurs on any given date the permissibility of the taking of which is determined hereunder by reference to the Available Amount immediately prior to the taking of such action, the permissibility of the taking of each such action shall be determined independently and in no event may any two or more such actions be treated as occurring simultaneously, i.e., each transaction must constitute a permitted use of the Available Amount.

Section 1.09 [Reserved].

Section 1.10 Currency Generally.

(1) The Borrower shall determine in good faith the dollar amount of any utilization or other measurement denominated in a currency other than Dollars for purposes of compliance with any Basket. For purposes of determining compliance with any Basket under Article VII or VIII with respect to any amount expressed in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Basket utilization occurs or other Basket measurement is made (so long as such Basket utilization or other measurement, at the time incurred, made or acquired, was permitted hereunder). Except with respect to any ratio calculated under any Basket, any subsequent change in rates of currency exchange with respect to any prior utilization or other measurement of a Basket previously made in reliance on such Basket (as the same may have been reallocated in accordance with this Agreement) shall be disregarded for purposes of determining any unutilized portion under such Basket.

(2) For purposes of determining the Senior Secured Leverage Ratio and/or the Total Net Leverage Ratio, the amount of Indebtedness and cash and Cash Equivalents shall reflect the currency translation effects, determined in accordance with GAAP, of Hedging Obligations permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

(3) For purposes of determining compliance under any Basket under Article VII or VIII, any amount in a currency other than Dollars will be converted to Dollars in a manner consistent with that used in calculating net income in the Borrower's annual financial statements delivered pursuant to Section

6.01(1); provided, however, that the foregoing shall not be deemed to apply to the determination of any amount of Indebtedness. For purposes of determining compliance with any restriction on the incurrence of Indebtedness, the Dollar equivalent of the principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased.

Section 1.11 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

ARTICLE II

The Commitments and Borrowings

Section 2.01 The Loans. Subject to the terms and conditions set forth herein and in the Plan of Reorganization, on the Closing Date, pursuant to the Plan of Reorganization, the certain of the Prepetition Second Lien Term Loans held by the Lenders as of such date shall be automatically converted into (and be deemed to be prepaid), and each Lender shall be deemed to have made on the Closing Date to the Borrower Closing Date Term Loans in a principal amount equal to its Closing Date Term Loan Commitment. Amounts borrowed under this Section 2.01 and repaid or prepaid may not be reborrowed.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(1) Each Term Borrowing shall be made upon the Borrower's irrevocable notice, on behalf of the Borrower, to the Administrative Agent (*provided* that the notice in respect of any Term Borrowing on the Closing Date may be conditioned on the closing of the Transactions (other than any transactions constituting such Term Borrowing)). Each such notice must be received by the Administrative Agent not later than 12:00 p.m., New York time one (1) Business Day prior to the requested date of any Borrowing. Each notice by the Borrower pursuant to this Section 2.02(1) must be a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Except as provided in Sections 2.14, 2.15 and 2.16, each Borrowing of Loans shall be in a principal amount of \$1.0 million or a whole multiple of \$500,000 in excess thereof. Each Committed Loan Notice shall specify:

- (i) [reserved],
- (ii) the requested date of the Borrowing (which shall be a Business Day),
- (iii) the principal amount of Loans to be borrowed,
- (iv) [reserved],

- (v) the Class of Loans to be borrowed,
- (vi) [reserved], and
- (vii) wire instructions of the account(s) to which funds are to be disbursed.

Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans. In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than, in the case of Borrowing on the Closing Date, 10:00 a.m., New York time, and otherwise 2:00 p.m., New York time, on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.01 for the Borrowing on the Closing Date, the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent either by (a) crediting the account(s) of the applicable Borrower on the books of the Administrative Agent with the amount of such funds or (b) wire transfer of such funds, in each case in accordance with instructions provided by the Borrower to (and reasonably acceptable to) the Administrative Agent.

(2) [Reserved].

(3) [Reserved].

(4) [Reserved].

(5) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(6) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing, that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (2) above, and the Administrative Agent may (but shall have no obligation to), in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (a) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (b) in the case of such Lender, the Overnight Rate *plus* any administrative, processing or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(7) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall both pay all or any portion of the principal amount in respect of such Borrowing or interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such Borrowing or interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such

Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.03 [Reserved].

Section 2.04 [Reserved].

Section 2.05 Prepayments.

(1) Optional.

(a) The Borrower may, upon written notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Class or Classes of Term Loans in whole or in part without premium or penalty; *provided that*

(i) such notice must be received by the Administrative Agent not later than 12:00 p.m., New York time, one (1) Business Day prior to any date of prepayment of Term Loans;

(ii) [Reserved]; and

(iii) any prepayment of Term Loans shall be in a principal amount of \$1.0 million or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding.

Each such notice shall specify the date and amount of such prepayment and the Class(es) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. In the case of each prepayment of the Loans pursuant to this Section 2.05(1), the Borrower may in its sole discretion select the Borrowing or Borrowings (and the order of maturity of principal payments) to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share provided for under this Agreement.

(b) [Reserved].

(c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(1)(a) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(d) Each prepayment in respect of any Term Loans pursuant to this Section 2.05(1) may be applied to any Class of Term Loans as directed by the Borrower. For the avoidance of doubt, the Borrower may (i) prepay Term Loans of any Term Loan Class pursuant to this Section 2.05 without any requirement to prepay Extended Loans that were converted or exchanged from such Term Loan Class and (ii) prepay Extended Loans pursuant to this Section 2.05 without any requirement to prepay any Term Loans that were not converted or exchanged for such Extended Loans. In the event that the Borrower does not specify the order in which to apply prepayments to reduce scheduled installments of principal or as between Classes of Term Loans, the Borrower shall be deemed to have elected that such proceeds be applied to reduce the scheduled installments of principal in direct order of maturity on a *pro rata* basis among Term Loan Classes.

(e) Notwithstanding anything in any Loan Document to the contrary, so long as (x) no Event of Default has occurred and is continuing or shall occur as a result thereof and (y) no proceeds of ABL Loans are used for this purpose, any Borrower Party may (i) purchase outstanding Term Loans on a non-pro rata basis through open market purchases or (ii) prepay the outstanding Term Loans (which Term Loans shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon such purchase or prepayment, and the Borrower shall provide notice of such cancellation to the Administrative Agent), which in the case of clause (ii) only shall be prepaid without premium or penalty on the following basis:

(A) Any Borrower Party shall have the right to make a voluntary prepayment of Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the “**Discounted Term Loan Prepayment**”), in each case made in accordance with this Section 2.05(1)(e) and without premium or penalty.

(B) any Borrower Party may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with five (5) Business Days’ notice (or such shorter period as agreed by the Auction Agent) in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the applicable Borrower Party, to (x) each Term Lender or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the “**Specified Discount Prepayment Amount**”) with respect to each applicable Class, the Class or Classes of Term Loans subject to such offer and the specific percentage discount to par (the “**Specified Discount**”) of such Term Loans to be prepaid (it being understood that different Specified Discounts or Specified Discount Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(B)), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$5.0 million and whole increments of \$1.0 million in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the “**Specified Discount Prepayment Response Date**”).

(1) Each Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a “**Discount Prepayment Accepting Lender**”), the amount and the Classes of such Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(2) If there is at least one Discount Prepayment Accepting Lender, the relevant Borrower Party will make a prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective Outstanding Amount and Classes of Term Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to subsection (2) above; *provided* that if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the "**Specified Discount Proration**"). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) the Administrative Agent and each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Term Loans to be prepaid at the Specified Discount on such date and (III) the Administrative Agent and each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the applicable Borrower Party and such Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) Subject to the proviso to subsection (A) above, any Borrower Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice (or such shorter period as agreed by the Auction Agent) in the form of a Discount Range Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "**Discount Range Prepayment Amount**"), the Class or Classes of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "**Discount Range**") of the principal amount of such Term Loans with respect to each relevant Class of Term Loans willing to be prepaid by such Borrower Party (it being understood that different Discount Ranges or Discount Range Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(C)), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$5.0 million and whole increments of \$1.0 million in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such

Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the “**Discount Range Prepayment Response Date**”). Each Term Lender’s Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “**Submitted Discount**”) at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Lender’s Term Loans (the “**Submitted Amount**”) such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(1) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Borrower Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Term Lender, a “**Participating Lender**”).

(2) If there is at least one Participating Lender, the relevant Borrower Party will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the Classes specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Participating Lenders**”) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will

calculate such proration (the “**Discount Range Proration**”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) the Administrative Agent and each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (III) the Administrative Agent and each Participating Lender of the aggregate principal amount and Classes of such Term Lender to be prepaid at the Applicable Discount on such date and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) Subject to the proviso to subsection (A) above, any Borrower Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days’ notice in the form of a Solicited Discounted Prepayment Notice (or such later notice specified therein); *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the “**Solicited Discounted Prepayment Amount**”) and the Class or Classes of Term Loans the applicable Borrower Party is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(D)), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$5.0 million and whole increments of \$1.0 million in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Term Lenders (the “**Solicited Discounted Prepayment Response Date**”). Each Term Lender’s Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the “**Offered Discount**”) at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Classes of such Term Loans (the “**Offered Amount**”) such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(1) The Auction Agent shall promptly provide the relevant Borrower Party with a copy of all Solicited Discounted Prepayment Offers received on or

before the Solicited Discounted Prepayment Response Date. Such Borrower Party shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the applicable Borrower Party (the “**Acceptable Discount**”), if any. If the applicable Borrower Party elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by such Borrower Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the “**Acceptance Date**”), the applicable Borrower Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the applicable Borrower Party by the Acceptance Date, such Borrower Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(2) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Agent will determine (in consultation with the consent of such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the relevant Borrower Party at the Acceptable Discount in accordance with this Section 2.05(1)(e)(D). If the applicable Borrower Party elects to accept any Acceptable Discount, then such Borrower Party agrees to accept all Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “**Qualifying Lender**”). The applicable Borrower Party will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the Classes specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Lenders**”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Borrower Party of the Discounted

Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) the Administrative Agent and each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid to be prepaid at the Applicable Discount on such date, (III) the Administrative Agent and each Qualifying Lender of the aggregate principal amount and the Classes of such Term Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may require, as a condition to the applicable Discounted Term Loan Prepayment, the payment of customary fees and expenses from a Borrower Party to such Auction Agent for its own account in connection therewith.

(F) If any Term Loan is prepaid in accordance with subsections (B) through (D) above, a Borrower Party shall prepay such Term Loans on the Discounted Prepayment Effective Date. The relevant Borrower Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 12:00 p.m., New York time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the relevant Class(es) and Lenders as specified by the applicable Borrower Party in the applicable offer. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.05(1)(e) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Loans of such Lenders in accordance with their respective applicable share as calculated by the Auction Agent in accordance with this Section 2.05(1)(e). The aggregate principal amount of the Classes and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(1)(e), the relevant Borrower Party shall make a representation to the assigning or assignee Term Lenders, as applicable, that it does not possess material non-public information with respect to the Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term Lenders generally (other than Term Lenders that have elected not to receive such information) or shall make a statement that such representation cannot be made.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the

provisions in this Section 2.05(1)(e), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the applicable Borrower Party.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(1)(e), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next succeeding Business Day.

(I) Each of the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(1)(e) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.05(1)(e) as well as activities of the Auction Agent.

(J) Each Borrower Party shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date, Discount Range Prepayment Response Date or Solicited Discounted Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Borrower Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.05(1)(e) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(K) The Administrative Agent (i) shall not be required to serve as the Auction Agent or have any other obligations to participate in (other than mechanical administrative duties), or facilitate any Discounted Term Loan Prepayment unless it is reasonably satisfied with the terms and restrictions thereof and (ii) shall not have any obligation to participate in, arrange, sell or otherwise facilitate, and will have no liability in connection with, any open market repurchases by Holdings, the Borrower or any of its Restricted Subsidiaries.

(2) Mandatory.

(a) [Reserved].

(b) Subject to Section 2.05(2)(f) below, (i) if (x) the Borrower or any Restricted Subsidiary makes an Asset Sale or (y) any Casualty Event occurs, which results in the realization or receipt by the Borrower or such Restricted Subsidiary of Net Proceeds, the Borrower shall prepay, or cause to be prepaid, on or prior to the date which is ten (10) Business Days after the date of the realization or receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds, subject to clause (ii) of this Section 2.05(2)(b) (solely in connection with Net Proceeds realized or received in connection with any Casualty Event) and clauses (2)(g) and (h) of this Section 2.05, an aggregate principal amount of Term Loans equal to 100% of all Net Proceeds realized or received; *provided* that no prepayment shall be required pursuant to this Section 2.05(2)(b)(i) with respect to such portion of such Net Proceeds that

the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest (or entered into a binding commitment to reinvest) in accordance with Section 2.05(2)(b)(ii); *provided further* that

(A) if at the time that any such prepayment would be required, the Borrower (or any Restricted Subsidiary) is required to Discharge any Other Applicable Indebtedness with Other Applicable Net Proceeds pursuant to the terms of the documentation governing such Indebtedness, then the Borrower (or any Restricted Subsidiary) may apply such Net Proceeds on a *pro rata* basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness requiring such Discharge at such time);

(B) the portion of such Net Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such Other Applicable Net Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Proceeds shall be allocated to the Term Loans in accordance with the terms hereof to the prepayment of the Term Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(2)(b)(i) shall be reduced accordingly; and

(C) to the extent the holders of Other Applicable Indebtedness decline to have such Indebtedness repurchased or prepaid with such portion of such Net Proceeds, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof; *provided further* that no prepayment shall be required pursuant to this Section 2.05(2)(b)(i) with respect to such portion of such Net Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest (or entered into a binding commitment to reinvest) in accordance with Section 2.05(2)(b)(ii).

(ii) With respect to any Net Proceeds realized or received with respect to any Casualty Event, the Borrower or any Restricted Subsidiary, at its option, may reinvest all or any portion of such Net Proceeds in assets (other than Cash Equivalents) used or useful in the business of the Loan Parties (including capital expenditures) within (x) twelve (12) months following receipt of such Net Proceeds or (y) if the Borrower or any Restricted Subsidiary enters into a legally binding commitment to reinvest such Net Proceeds within twelve (12) months following receipt thereof, within the later of (A) twelve (12) months following receipt thereof and (B) one hundred eighty (180) days of the date of such legally binding commitment; *provided* that, (i) the aggregate amount of any such Net Proceeds reinvested pursuant to this Section 2.05(b)(ii) shall not exceed \$5.0 million in any fiscal year (with any unused amount being carried over to the next fiscal year, with such carried over amounts being utilized first in any given year) and (ii) if any Net Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, and subject to clauses (g) and (h) of this Section 2.05(2), an amount equal to any such Net Proceeds shall be applied within five (5) Business Days after the Borrower reasonably determines that such Net Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Term Loans as set forth in this Section 2.05.

(c) [Reserved].

(d) Subject to Section 2.05(2)(f) below, if (1) the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness (A) not expressly permitted to be incurred or issued pursuant to Section 7.02(b) or (B) that constitutes Credit Agreement Refinancing Indebtedness or Refinancing Loans, the Borrower shall prepay, or cause to be prepaid, an aggregate principal amount of Term Loans of any Class or Classes (in each case, as directed by the Borrower) equal to 100% of all Net Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds or (2) the Borrower receives any “Declined Proceeds” (as defined in the First Lien Credit Agreement) other than in respect of Section 2.05(2)(a) thereof, the Borrower shall within five (5) Business Days after receipt of such “Declined Proceeds” (as defined in the First Lien Credit Agreement), offer to prepay, in accordance with clause (g) below, a principal amount of Term Loans and unpaid accrued interest thereon in an amount equal to 100% of such “Declined Proceeds” (as defined in the First Lien Credit Agreement) other than in respect of Section 2.05(2)(a) thereof.

(e) Except as otherwise set forth in any Refinancing Amendment, Extension Amendment or Incremental Amendment (*provided*, in each case, that such amendment may not provide that such Class of Term Loans shall receive a greater than pro rata portion of mandatory prepayments pursuant to Section 2.05(2) than the Class of Term Loans refinanced, converted or extended thereby):

(i) each prepayment of Term Loans required by Sections 2.05(2)(a) through (d) shall be applied to each Class of Term Loans then outstanding on a *pro rata* basis or a less than *pro rata* basis (but not greater than *pro rata* basis) with any other Term Loans (in each case, other than pursuant to a refinancing); and

(ii) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment.

(f) If the Borrower or any Restricted Subsidiary enters into a Specified Sale-Leaseback Transaction, which results in the receipt by the Borrower or such Restricted Subsidiary of Specified Sale-Leaseback Net Proceeds, or the Borrower or any Restricted Subsidiary enters into any Qualified Securitization Facility, which results in the receipt by the Borrower or such Restricted Subsidiary of Net Proceeds (in each case, determined after giving effect to the Transactions and without giving effect to the last *proviso* of clause (1) of the definition of “Net Proceeds”), the Borrower shall, within three (3) Business Days after the receipt of such proceeds, prepay the Term Loans in an aggregate principal amount equal to the amount of such proceeds received.

(g) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (b) through (d) or (f) of this Section 2.05(2) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower’s prepayment notice and of such Appropriate Lender’s Pro Rata Share of the prepayment or other applicable share provided for under this Agreement. Each Term Lender may reject all or a portion of its Pro Rata Share, or other applicable share provided for under this Agreement, of any mandatory prepayment (such declined amounts, the “**Declined Proceeds**”) of Term Loans required to be made pursuant to clauses (a), (b), (d)(2) or (f) of this Section 2.05(2) by providing written notice (each, a “**Rejection Notice**”) to the Administrative Agent and the Borrower no later than 5:00 p.m., New York time, two (2) Business Days prior to the date of such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans

to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds remaining shall be retained by the Borrower (or the applicable Restricted Subsidiary) and may be applied by the Borrower or such Restricted Subsidiary in any manner not prohibited by this Agreement.

(h) Notwithstanding any other provisions of this Section 2.05(2), (A) to the extent that any or all of the Net Proceeds of any Asset Sale by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.05(2)(b) or (f) (a “**Foreign Asset Sale**”) or the Net Proceeds of any Casualty Event from a Foreign Subsidiary (a “**Foreign Casualty Event**”), the Specified Sale-Leaseback Net Proceeds of any Specified Sale-Leaseback Transaction by a Foreign Subsidiary (a “**Foreign Sale-Leaseback**”) are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Proceeds, Specified Sale-Leaseback Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(2) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all commercially reasonable actions available under by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Specified Sale-Leaseback Net Proceeds is permitted under the applicable local law such repatriation will be promptly effected and an amount equal to such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than two (2) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05(2) to the extent otherwise provided herein and (B) to the extent that the Borrower has determined in good faith that repatriation of any or all of the Net Proceeds of any Foreign Asset Sale or Foreign Casualty Event or the Specified Sale-Leaseback Net Proceeds of any Foreign Sale-Leaseback would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Specified Sale-Leaseback Net Proceeds, the Net Proceeds or Specified Sale-Leaseback Net Proceeds so affected may be retained by the applicable Foreign Subsidiary.

(i) Notwithstanding anything to the contrary set forth in any other clause in this Section 2.05, other than in the case of mandatory prepayments (x) declined by the lenders under the First Lien Credit Agreement in accordance with Section 2.05(2)(g) thereof (other than in respect of Section 2.05(2)(a) thereof) and offered to the Lenders under Section 2.05(2)(d)(2) or (y) required under Section 2.05(2)(d)(1)(B), until the Discharge of Senior Obligations (as defined in the Term Intercreditor Agreement) shall have occurred, no mandatory prepayments of Term Loans that would have otherwise been required under this Section 2.05(b) shall be required to be made.

(j) Interest. All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon.

Section 2.06 Termination or Reduction of Commitments.

(1) Optional. The Borrower may, upon written notice by the Borrower to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided that*

(a) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction, and

(b) any such partial reduction shall be in an aggregate amount of \$5.0 million or any whole multiple of \$1.0 million in excess thereof or, if less, the entire amount thereof.

(2) Mandatory. The Closing Date Term Loan Commitment of each Lender on the Closing Date shall be automatically and permanently reduced to \$0 upon the conversion of such Lender's Prepetition Second Lien Term Loans into Closing Date Term Loans pursuant to Section 2.01 and the Plan of Reorganization.

(3) Application of Commitment Reductions. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07).

Section 2.07 Repayment of Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the Closing Date Term Loans, the aggregate principal amount of all Closing Date Term Loans outstanding on such date.

Section 2.08 Interest.

(1) Each Closing Date Term Loan shall bear interest on the outstanding principal amount thereof at a rate per annum equal to PIK Interest of 10.00% (the "**PIK Rate**").

(2) During the continuance of an Event of Default, the Borrower shall pay interest on all outstanding Obligations in respect of the Closing Date Term Loans at an interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that, no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest based on the Default Rate (including interest on interest) shall be due and payable upon demand.

(3) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09 Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in the Agent Fee Letter in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

Section 2.10 Computation of Interest and Fees. All computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed, notwithstanding the use of the phrase "per annum" or similar phrases. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(1), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(1) The Term Borrowings made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as a non-fiduciary agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest

error of the amount of the Term Borrowings made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent, as set forth in the Register, in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender, the Borrower shall execute and deliver to such Lender a Term Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Term Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(2) [Reserved].

(3) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.11(1), and by each Lender in its account or accounts pursuant to Section 2.11(1), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally.

(1) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment and in Same Day Funds not later than 2:00 p.m., New York time, on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. Any payments under this Agreement that are made later than 2:00 p.m., New York time, shall be deemed to have been made on the next succeeding Business Day (but the Administrative Agent may extend such deadline for purposes of computing interest and fees (but not beyond the end of such day) in its sole discretion whether or not such payments are in process).

(2) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(3) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date, any payment is required to be made by it to the Administrative Agent hereunder (in the case of the Borrower, for the account of any Lender hereunder or, in the case of the Lenders, for the account of the Borrower hereunder), that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(a) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available

to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(b) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the “**Compensation Period**”) at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender’s Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent’s demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount, or cause such amount to be paid, to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(3) shall be conclusive, absent manifest error.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Term Borrowing set forth in Section 4.01 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan.

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03 (or otherwise expressly set forth herein). If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender’s Pro Rata Share or other applicable share provided for under this Agreement of the sum of the Outstanding Amount of all Loans outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments. Other than as expressly provided elsewhere herein (including with respect to any discounted prepayment of Term Loans pursuant to Section 2.05(2)(e) or 2.05(2)(g)), if any Lender of any Class shall obtain payment in respect of any principal of or interest on account of the Loans of such Class made by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (1) notify the Administrative Agent of such fact, and (2) purchase from the other Lenders such participations in the Loans of such Class made by them, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal of or interest on such Loans of such Class, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (a) the amount of such paying Lender's required repayment to (b) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this Section 2.13 shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.10) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Section 2.14 Incremental Term Facilities.

(1) Incremental Term Loan Request. The Borrower may at any time and from time to time, on one or more occasions, after the Closing Date, by notice to the Administrative Agent increase the aggregate principal amount of the Closing Date Term Loans (a "**Term Loan Increase**") or add one or more additional Classes of term loans under the Loan Documents (each an "**Incremental Term Facility**" and the term loans made thereunder, the "**Incremental Term Loans**").

(2) Ranking. Incremental Term Facilities will be secured by Liens over the Collateral that rank on a *pari passu* basis with the Closing Date Term Loans and only Guarantors shall provide guarantees of Incremental Term Facilities; *provided* that any Liens that rank on a *pari passu* basis or junior basis to the Liens securing the Obligations will be subject to the Applicable Intercreditor Agreement.

(3) Size. The aggregate principal amount of Incremental Term Facilities incurred on any date will not exceed \$15.0 million. Each Incremental Term Facility will be in an integral multiple of \$1.0 million and in an aggregate principal amount that is not less than \$10.0 million (or such lesser minimum amount approved by the Administrative Agent in its reasonable discretion); *provided* that such amount may be less than such minimum amount or integral multiple amount if such amount represents all the remaining availability under the limit set forth above.

(4) Incremental Lenders. Incremental Term Facilities may be provided by any existing Lender (it being understood that no existing Lender will have an obligation to make all or any portion of any

Incremental Term Loan, nor will the Borrower have any obligation to approach any existing Lender(s) to provide any Incremental Term Loan) or by any Additional Lender on terms permitted by this Section 2.14. While existing Lenders may (but are not obligated, unless invited and so elect, to) participate in any syndication of an Incremental Term Facility and may (but are not obligated, unless invited and so elect, to) become lenders with respect thereto, the existing Lenders will not have any right to participate in any syndication, and will not have any right of first refusal or other right to provide all or any portion, of any Incremental Term Facility or Incremental Term Loan except to the extent the Borrower and the arrangers thereof, if any, in their discretion, choose to invite or include any such existing Lender (which may or may not apply to all existing Lenders and may or may not be pro rata among existing Lenders). Final allocations in respect of Incremental Term Facilities will be made by the Borrower together with the arrangers thereof, if any, in their discretion, on the terms permitted by this Section 2.14.

(5) Incremental Term Facility Amendments; Use of Proceeds. Each Incremental Term Facility will become effective pursuant to an amendment (each, an “**Incremental Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Person providing such Incremental Term Facility and the Administrative Agent. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Incremental Amendment. Incremental Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.14. An Incremental Amendment may (a) add “call protection” to the Closing Date Term Loans, including amendments to Section 2.18, (b) [reserved] and (c) make other amendments to the terms of the existing Closing Date Term Loans, in the case of each clause (a) and (c), so that such Incremental Term Loans and the applicable existing Closing Date Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the existing Term Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Incremental Term Facility and the Incremental Term Loans evidenced thereby. The Borrower may use the proceeds of the Incremental Term Loans for any purpose not prohibited by this Agreement.

(6) Conditions. The availability of Incremental Term Facilities under this Agreement will be subject solely to the following conditions:

(a) No Event of Default shall have occurred and be continuing or, in the case of a Permitted Acquisition or similar committed investment, no Event of Default under Section 8.01(1) or Section 8.01(6) (with respect to the Borrower only) shall have occurred and be continuing; provided that in the case of a Limited Condition Acquisition, at the Borrower’s option, such Event of Default may be tested in accordance with Section 1.07(8) so long as at the time of the consummation of such Limited Condition Acquisition, no Event of Default under Section 8.01(1) or Section 8.01(6) (with respect to the Borrower only) shall have occurred and be continuing; and

(b) all representations and warranties set forth in Article V shall be true and correct in all material respects on and as of the date of incurrence of the Incremental Term Facilities except any representations and warranties which expressly relate to a given date or period shall be required only to be true and correct in all material respects as of the respective date or for the respective period, as the case may be.

(7) Terms. Each Incremental Amendment will set forth the amount and terms of the relevant Incremental Term Facility. The terms of each Incremental Term Facility will be as agreed between the Borrower and the Persons providing such Incremental Term Loans; *provided* that:

(a) the final maturity date of such Incremental Term Loans will be no earlier than the Latest Maturity Date of the existing Closing Date Term Loans;

(b) the Weighted Average Life to Maturity of such Incremental Term Loans will be no shorter than the longest remaining Weighted Average Life to Maturity of the existing Closing Date Term Loans;

(c) such Incremental Term Loans may participate on a *pro rata* basis or a less than *pro rata* basis (but not greater than a *pro rata* basis) in any mandatory repayments or prepayments of the Closing Date Term Loans (in each case, other than pursuant to a refinancing or with respect to greater than *pro rata* payments to an earlier maturing tranche) and may participate on a *pro rata* basis, greater than *pro rata* basis or less than *pro rata* basis in any voluntary prepayments of the Closing Date Term Loans; and

(d) except as otherwise set forth herein, all other terms of any (i) Term Loan Increase will be on terms and pursuant to documentation applicable to the Closing Date Term Loans and (ii) any Incremental Term Facility shall be on terms and pursuant to documentation to be determined; provided that to the extent such terms and documentation are not consistent with the existing Closing Date Term Loans (except to the extent permitted by clause (8) below), they shall be reasonably satisfactory to the Administrative Agent (except for covenants or other provisions applicable only to the periods after the Latest Maturity Date of the existing Closing Date Term Loans or any Incremental Term Facility in effect at such time) (it being understood that to the extent that any financial maintenance covenant is contained in any Incremental Term Facility, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of the existing Closing Date Term Loans or any Incremental Term Facility in effect at such time).

(8) Pricing. The interest rate, fees, original issue discount, rate floors and fees and maturity and amortization schedule for any Incremental Term Facilities will be as determined by the Borrower and the Persons providing such Incremental Term Facilities; *provided* that in the event that with respect to the existing Closing Date Term Loans, the All-In Yield applicable to any Incremental Term Loans exceeds the All-In Yield of any existing Closing Date Term Loans by more than 50 basis points, then the interest rate margins for such existing Closing Date Term Loans shall be increased to the extent necessary so that the All-In Yield of such existing Closing Date Term Loans is equal to the All-In Yield of such Incremental Term Loans *minus* 50 basis points; *provided further* that any increase in All-In Yield of the existing Closing Date Term Loans due to the increase in a Eurodollar Rate or Base Rate floor on any Incremental Term Loan shall be effected solely through an increase in any Eurodollar Rate or Base Rate floor applicable to such existing Closing Date Term Loans.

(9) The Administrative Agent and the Lenders hereby agree that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

Section 2.15 Refinancing Amendments.

(1) Refinancing Loans. At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans then outstanding under this Agreement, in the form of Refinancing Loans or Refinancing Commitments in each case pursuant to a Refinancing Amendment.

(2) Refinancing Amendments. The effectiveness of any Refinancing Amendment will be subject only to the satisfaction on the date thereof of such conditions precedent as may be requested by the

providers of the applicable Refinancing Loans. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Refinancing Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate in the reasonable opinion of the Required Administrative Lenders and the Borrower, to effect the provisions of this Section 2.15 and to reflect the existence and terms of the Refinancing Loans incurred pursuant thereto (including any amendments necessary to treat the Term Loans subject thereto as Refinancing Term Loans). A Refinancing Amendment may (a) extend or add “call protection” to any existing Class of Term Loans, (b) [Reserved] and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Refinancing Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the applicable existing Term Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Refinancing Loans. At the request of the Administrative Agent, the Borrower shall deliver an Officer’s Certificate to the Administrative Agent, certifying that the conditions and requirements with respect to such Refinancing Loans set forth in this Section 2.15 have been met and such Refinancing Amendment is authorized under this Section 2.15 (upon which the Administrative Agent may conclusively rely without independent inquiry).

(3) Required Consents. Any Refinancing Amendment may, without the consent of any Person other than the Administrative Agent, the Borrower and the Persons providing the applicable Refinancing Loans, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Required Administrative Lenders and the Borrower, to effect the provisions of this Section 2.15. This Section 2.15 supersedes any provision in this Agreement to the contrary (including Section 10.01).

(4) Providers of Refinancing Loans. Refinancing Loans may be provided by any existing Lender (it being understood that no existing Lender shall have an obligation to make all or any portion of any Refinancing Loan) or by any Additional Lender on terms permitted by this Section 2.15; *provided* that the Administrative Agent shall have consented (in each case, such consent not to be unreasonably withheld, conditioned or delayed) to any such Person’s providing Refinancing Loans or Refinancing Commitments if such consent would be required under Section 10.07(b)(iii) for an assignment of Loans or Commitments to such Person. For the avoidance of doubt, any Affiliated Lender that provides any Refinancing Term Loans will be subject to the limitations on Affiliated Lenders set forth in Section 10.07(h) (including the Affiliated Lender Cap).

Section 2.16 Extensions of Loans.

(1) Extension Offers. Pursuant to one or more offers (each, an “**Extension Offer**”) made from time to time by the Borrower to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date, the Borrower may extend such Maturity Date and otherwise modify the terms of such Loans or Commitments pursuant to the terms set forth in an Extension Offer (each, an “**Extension**,” and each group of Loans or Commitments so extended, as well as any Loans of the same Class not so extended, each being a “**tranche**” for purposes of this Section 2.16). Each Extension Offer will specify the minimum amount of Loans or Commitments with respect to which an Extension Offer may be accepted, which will be an integral multiple of \$1.0 million and an aggregate principal amount that is not less than \$10.0 million, or if less, (a) the aggregate principal amount of such Loans outstanding or (b) such lesser minimum amount as is approved by the Administrative Agent, such consent not to be unreasonably withheld, conditioned or delayed. Extension Offers will be made on a *pro rata* basis to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date. If the aggregate outstanding principal amount of such Loans (calculated on the face amount thereof) or Commitments in respect of which Lenders have accepted an

Extension Offer exceeds the maximum aggregate principal amount of Loans or Commitments offered to be extended pursuant to such Extension Offer, then the Loans or Commitments of such Lenders will be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any “most favored nation” pricing provisions, any condition on the non-existence of any Default or Event of Default or any financial ratio tests. The terms of an Extension Offer shall be determined by the Borrower, and Extension Offers may contain one or more conditions to their effectiveness, including a condition that a minimum amount of Loans or Commitments of any or all applicable tranches be tendered.

(2) Extension Amendments. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (each, an “**Extension Amendment**”) as may be necessary or appropriate in order to effect the provisions of this Section 2.16, establish new tranches in respect of Extended Loans and Extended Commitments and such amendments as permitted by clause (5) below as may be necessary or appropriate in the reasonable opinion of the Required Administrative Lenders and the Borrower in connection with the establishment of such Extended Loans and Extended Commitments. An Extension Amendment may (a) extend or add “call protection” to any existing Class of Term Loans, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.07 (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Extension Amendment) and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Extended Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the existing Term Loan Lenders (as determined in good faith by the Borrower). At the request of the Administrative Agent, the Borrower shall deliver an Officer’s Certificate to the Administrative Agent, certifying that the conditions and requirements with respect to such Extension Loans set forth in this Section 2.16 have been met and such Extension Amendment is authorized under this Section 2.16 (upon which the Administrative Agent may conclusively rely without independent inquiry). This Section 2.16 supersedes any provision(s) in Section 2.13 or 10.01 to the contrary. Except as otherwise set forth in an Extension Offer, there will be no conditions to the effectiveness of an Extension Amendment. Extensions will not constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement. Any Lender of an existing Class of Term Loans that elects not to participate in Extended Loans or Extended Commitments of such Class of Term Loans shall be referred to herein as a “**Non-Extended Lender**”.

(3) Terms of Extension Offers and Extension Amendments. The terms of any Extended Loans and Extended Commitments will be set forth in an Extension Offer and as agreed between the Borrower and the Extending Lenders accepting such Extension Offer; *provided* that:

(a) the final maturity date of such Extended Loans and Extended Commitments will be no earlier than the Latest Maturity Date applicable to the Loans or Commitments subject to such Extension Offer;

(b) the Weighted Average Life to Maturity of any Extended Loans that are Term Loans will be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans subject to such Extension Offer;

(c) any Extended Loans that are Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments of the Term Loans (in each case, other than pursuant to a refinancing) and may participate

on a pro rata basis, greater than pro rata basis or less than pro rata basis in any voluntary prepayments of the Term Loans;

(d) such Extended Loans and Extended Commitments are not secured by any assets or property that does not constitute Collateral and may not be secured on a senior basis to the existing Term Loans;

(e) such Extended Loans and Extended Commitments are not guaranteed by any Subsidiary of the Borrower other than a Subsidiary Guarantor; and

(f) the covenants and events of default applicable to Extended Loans or Extended Commitments are substantially identical to, or, taken as a whole, no more favorable to the Lenders providing such Extended Loans or Extended Commitments than, those applicable to the Loans subject to such Extension Offer, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment; *provided* that this clause (f) will not apply:

(A) [reserved] or

(B) to any of the following:

(1) terms addressed in the preceding clauses (a) through (e),

(2) interest rate, fees, funding discounts and other pricing terms,

(3) redemption, prepayment or other premiums,

(4) optional redemption or prepayment terms and

(5) covenants and events of default applicable only to periods after the Latest Maturity Date at the time of incurrence of such Indebtedness.

Any Extended Loans will constitute a separate tranche of Term Loans from the Term Loans held by Lenders that did not accept the applicable Extension Offer.

(4) Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned), the Borrower and the applicable Extending Lender. The transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16 will not apply to any of the transactions effected pursuant to this Section 2.16.

Section 2.17 Defaulting Lenders.

(1) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove of any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(b) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by any Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by such Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to any Agent hereunder; second, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders, as a result of any judgment of a court of competent jurisdiction obtained by any Lender, against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and sixth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (i) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (ii) such Loans were made at a time when the conditions set forth in Section 4.01 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(2) Defaulting Lender Cure. If the Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders, whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; *provided further* that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III

TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY

Section 3.01 Taxes, Increased Costs Protection and Illegality Taxes.

(1) Except as required by applicable Law, any and all payments by any Loan Party to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes.

(2) If any Loan Party or any other applicable withholding agent is required by applicable Law (as determined in the good faith discretion of such Loan Party or withholding agent) to make any deduction or withholding on account of any Taxes from any sum paid or payable by any Loan Party to any Lender or Agent under any of the Loan Documents:

(a) the applicable Loan Party shall notify the Administrative Agent of any such requirement or any change in any such requirement as soon as such Loan Party becomes aware of it;

(b) the applicable Loan Party or other applicable withholding agent shall be entitled to make such deduction or withholding and shall pay any amounts deducted or withheld to the relevant Governmental Authority any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Loan Party) for its own account or (if that liability is imposed on the Lender or Agent) on behalf of and in the name of the Lender or Agent (as applicable);

(c) if the Tax in question is a Non-Excluded Tax or Other Tax, the sum payable to such Lender or Agent (as applicable) shall be increased by such Loan Party to the extent necessary to ensure that, after the making of any required deduction or withholding for Non-Excluded Taxes or Other Taxes (including any deductions or withholdings for Non-Excluded Taxes or Other Taxes attributable to any payments required to be made under this Section 3.01), such Lender or such Agent (as applicable) receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and

(d) within thirty days after paying any sum from which it is required by Law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which it is required by clause (b) above to pay, the Borrower shall deliver to the Administrative Agent evidence reasonably satisfactory to the other affected parties of such deduction or withholding and of the remittance thereof to the relevant Governmental Authority.

(3) Status of Lender. The Administrative Agent and each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Laws or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of the Administrative Agent and such Lender, as applicable, to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to the Administrative Agent or such Lender under any Loan Document. In addition, Administrative Agent or any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not the Administrative Agent or such Lender is subject to backup withholding or information reporting requirements. Each such Lender or Administrative Agent shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(3)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and Administrative Agent of its inability to do so.

Without limiting the foregoing:

(a) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which such Lender becomes a party to this Agreement two properly completed and duly signed copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(b) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which such Lender becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(i) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(ii) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit H (any such certificate, a “**United States Tax Compliance Certificate**”) and (B) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), executed originals of Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by a Form W-8ECI, Form W-8BEN or W-8BEN-E, as applicable, a United States Tax Compliance Certificate, Form W-9, Form W-8IMY and any other required information (or any successor forms) from each beneficial owner that would be required under this Section 3.01(3) if such beneficial owner were a Lender, as applicable (*provided* that if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Foreign Lender on behalf of such beneficial owner), or

(v) two properly completed and duly signed copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, United States federal withholding Tax on any payments to such Lender under the Loan Documents.

(c) If a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, the term “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this clause (c), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(4) In addition to the payments by a Loan Party required by Section 3.01(2), the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law and as soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(5) The Loan Parties shall, jointly and severally, indemnify a Lender or Agent (each a “**Tax Indemnatee**”), within 10 days after written demand therefor, for the full amount of any Non-Excluded Taxes paid or payable by such Tax Indemnatee on or attributable to any payment under or with respect to any Loan Document, and any Other Taxes payable by such Tax Indemnatee (including Non-Excluded Taxes or Other Taxes imposed on or attributable to amounts payable under this Section 3.01), whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Tax Indemnatee or by the Administrative Agent on its own behalf or on behalf of another Tax Indemnatee, shall be conclusive absent manifest error.

(6) If and to the extent that a Tax Indemnatee, in its sole discretion (exercised in good faith), determines that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), then such Tax Indemnatee shall pay to the relevant Loan Party the amount of such refund, net of all out-of-pocket expenses of the Tax Indemnatee (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Loan Party, upon the request of the Tax Indemnatee, agrees to repay the amount paid over by the Tax Indemnatee (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Tax Indemnatee to the extent the Tax Indemnatee is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (6), in no event will the Tax Indemnatee be required to pay any amount to a Loan Party pursuant to this paragraph (6) the payment of which would place the Tax Indemnatee in a less favorable net after-Tax position than the Tax Indemnatee would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require a Tax Indemnatee to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(7) The agreements in this Section 3.01 shall survive the resignation, replacement, or removal of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all Obligations under any Loan Document, and the termination of this Agreement or any other Loan Document.

(8) For purposes of this Section, the term “Applicable Law” includes FATCA.

Section 3.02 [Reserved].

Section 3.03 [Reserved].

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy.

(1) Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender; or

(b) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes or Other Taxes covered by Section 3.01 and any Excluded Taxes).;

and the result of any of the foregoing shall be to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(1) so long as it is such Lender's general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(2) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, to a level below that which such Lender or such Lender's holding company, as the case may be, could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(2) so long as it is such Lender's general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(3) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (1) or (2) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

Section 3.05 [Reserved].

Section 3.06 Matters Applicable to All Requests for Compensation.

(1) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, and (b) in each case, would not subject such Lender

to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(2) [Reserved].

(3) [Reserved].

(4) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Sections 3.01 or 3.04 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

Section 3.07 Replacement of Lenders under Certain Circumstances. If (1) any Lender requests compensation under Section 3.04, (2) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, (3) any Lender is a Non-Consenting Lender or Non-Extended Lender, (4) any Lender becomes a Defaulting Lender or (5) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent:

(a) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (3) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver, or amendment, as applicable) and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided* that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(ii) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to all, or a portion, as applicable, of such Lender's Commitment and outstanding Loans and (ii) deliver any Term Notes evidencing such Loans to the Borrower (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Term Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Term Notes shall be deemed to be canceled upon such failure;

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans/Commitments and (iii) the Required Lenders or Required Facility Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a “**Non-Consenting Lender.**”

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.
